***Legends from Mom's Closet* Sep 16 2021** I wrote this book to share my diary from this summer full of storms and stories! Because of the stormy weather, I found myself learning about and dressing up as many different, amazing legends. I hope this book inspires all the kids out there to feel like they can be creative and learn about new things and people at the same time. Be whoever you want!

The Diary and the Green Dress Sep 28 2022 It's the exquisite, vintage, mint green dress that first captures Izzy's imagination. But it's what's underneath the dress, laying at the bottom of the dusty trunk, that grabs and continues to intrigue her—fifteen leather-bound diaries. Starting in 1919, the entries tell the story of Grace, a woman whose life was destined to know both the tenderest of love and overwhelming, heartbreaking grief. The more Izzy reads, the more she wants to know about Grace's life. But soon she finds herself untangling a story of her own. Who is Claudia and what will her arrival mean for Izzy's family? Throw in the purchase of the first house she's ever owned, as well as a new man in her life, a relationship she hadn't been looking for and, isn't sure she's ready for, and Izzy begins to feel overwhelmed. At least she has the diaries she can lose herself in when her own life becomes too complicated. But the more she reads, the more she realises there are similarities between her life and Grace's life.

The Dress Diary of Mrs Anne Sykes Aug 28 2022 In 1838, a young woman was given a diary on her wedding day. Collecting snippets of fabric from a range of garments she carefully annotated each one, creating a unique record of her life and times. Her name was Mrs Anne Sykes. Nearly two hundred years later, the diary fell into the hands of Kate Strasdin, a fashion historian and museum curator. Strasdin spent the next six years unravelling the secrets contained within the album's pages. Piece by piece, she charts Anne's journey from the mills of Lancashire to the port of Singapore before tracing her return to England in later years. Fragments of cloth become windows into Victorian life: pirates in Borneo, the complicated etiquette of mourning, poisonous dyes, the British Empire in full swing, rioting over working conditions and the terrible human cost of Britain's cotton industry.

***Big Apple Diaries* May 13 2021** In *Big Apple Diaries*, a heartfelt diary-style graphic memoir by Alyssa Bermudez, a young New Yorker doodles her way through middle school—until the September 11, 2001, terrorist attack leaves her wondering if she can ever be a kid again. It's the year 2000 in New York City. For 12-year old Alyssa, a biracial Puerto Rican girl, this means all kinds of new challenges: splitting time between her dad's apartment in Manhattan and her

mom's new place in Queens, navigating the ups and downs of middle school, harboring an epic crush on a new classmate, and figuring out how to be a "real" Puerto Rican. The only way to make sense of it all is to write and draw her thoughts and worries into her diary. Then life abruptly changes on September 11, 2001. After the Twin Towers fall and so many lives are lost, her concerns about gossip, crushes, and fashion feel distant and insignificant. Alyssa must find a new sense of self and purpose amidst all of the chaos, and find strength to move forward with hope. This moving graphic memoir is based on Alyssa Bermudez's own middle school diaries.

Tales from a Not-So-Posh Paris Adventure Jun 13 2021 Nikki Maxwell deals with the trials and triumphs of middle school in this fifteenth installment of the #1 New York Times bestselling Dork Diaries series!

Fashion Diaries Jun 06 2023 The book called fashion diaries: fashionista by Author Aesha Shah is work of non-fiction. It has fashion tips and 100 fashion diary illustrations about fashion, fashion clothing and fashion accessories. Always dress like you are going to see your worst enemy. Dress like you are already famous. The joy of dressing is an art. Fashion is about something that comes from within you. Life isn't perfect, but your outfit can be. You know that fashion is an art and you are the canvas. Remind yourself that you really need new clothes. Think about style, fashion, artistic integrity, artiste and art. Think about buying new outfits often. Style describes who you are. Beauty describes yourself. Fashion fades outfits you wear and style is eternal format. It's not about the brand, but style is something all that matters. Life is too short to wear boring clothes. Be passionate about fashion and clothing. Be fearless, be brave, be bold and love yourself. Every person has their own iconic style. Don't make fashion own you, but you decide how you want to present yourself, own fashion. It is my fashion diary. I have put my thoughts on it. Read it, enjoy it and I am waiting for readers' reviews.

Much to Be Done Sep 09 2023 Victorian Ontario included people from all walks of life from homeless beggars to wealthy gentry. In Much To Be Done we glimpse how life was lived in 19th-century Ontario, not only in the grand mansions, but also in the farm houses and streets where our ancestors lived. This publication

could be your great-grandmother's story, following the cycle of life from courtship to childbirth to celebration and death. Diaries, with some contributions from letters, newspapers and reminiscences, provide a fresh and contemporary viewpoint. **Much To Be Done** promotes a historical understanding which links people of today with the Ontario of the past.

The Wedding Dress Diaries Jun 18 2024 Get in the bridal spirit with this prequel novella to the fabulous new Harlequin KISS contemporary romance series, **The Wedding Season!** Bridal shop owner Amber Davis dreaded the moment she'd run in to Parker Robinson while working on his sister's wedding. She'd spent every summer in the Hamptons with his family as a kid, fantasizing about kissing him. But she's shocked to discover that the confident boy who'd given Amber her first taste of love has become a man who mocks its very existence. Parker can't believe the girl who used to follow him around has grown into a beautiful woman—one with some very naughty ideas when she fits him for his tux. But Amber also knows why he's shut everyone out of his life. She's not the kind of woman Parker gets involved with...even if he can't keep his hands off her. Amber doesn't do one-night stands or casual hookups, but she's wanted Parker long enough to make him an exception—especially if she can convince him he needs love in his life, too. Look for all four books in the **Wedding Season** series from Harlequin KISS: **The Unexpected Wedding Guest** by Aimee Carson, **Girl Least Likely to Marry** by Amy Andrews, **Maid of Dishonor** by Heidi Rice and **Last Groom Standing** by Kimberly Lang.

The Dress Diary Apr 16 2024 A revealing and unique portrait of Victorian life as told through the discovery of one woman's textile scrapbook. In 1838, a young woman was given a diary on her wedding day. Collecting snippets of fabric from a range of garments - some her own, others donated by family and friends - she carefully annotated each one, creating a unique record of their lives. Her name was Mrs Anne Sykes. Nearly two hundred years later, the diary fell into the hands of Kate Strasdin, a fashion historian and museum curator. Using her expertise, Strasdin spent the next six years unraveling the secrets contained within the album's pages, and the lives of the people within. Her findings are remarkable. Piece by piece, she charts Anne's journey from the mills of Lancashire to the port of Singapore before tracing her return to England in later years. Fragments of cloth become windows into Victorian life: pirates in Borneo, the complicated etiquette of mourning, poisonous dyes, the British Empire in full swing, rioting over working conditions, and the terrible human cost of Britain's cotton industry. This is life writing that celebrates ordinary people: not the grandes of traditional written histories, but the hidden figures, the participants in everyday life. Through the evidence of waistcoats, ball gowns, and mourning outfits, Strasdin lays bare the whole of human experience in the most intimate of mediums: the clothes we choose to wear.

The First Book of Fashion Mar 15 2024 This captivating book reproduces

arguably the most extraordinary primary source documents in fashion history. Providing a revealing window onto the Renaissance, they chronicle how style-conscious accountant Matthäus Schwarz and his son Veit Konrad experienced life through clothes, and climbed the social ladder through fastidious management of self-image. These bourgeois dandies' agenda resonates as powerfully today as it did in the sixteenth century: one has to dress to impress, and dress to impress they did. The Schwarzes recorded their sartorial triumphs as well as failures in life in a series of portraits by illuminists over 60 years, which have been comprehensively reproduced in full color for the first time. These exquisite illustrations are accompanied by the Schwarzes' fashion-focused yet at times deeply personal captions, which render the pair the world's first fashion bloggers and pioneers of everyday portraiture. *The First Book of Fashion* demonstrates how dress – seemingly both ephemeral and trivial – is a potent tool in the right hands. Beyond this, it colorfully recaptures the experience of Renaissance life and reveals the importance of clothing to the aesthetics and every day culture of the period. Historians Ulinka Rublack's and Maria Hayward's insightful commentaries create an unparalleled portrait of sixteenth-century dress that is both strikingly modern and thorough in its description of a true Renaissance fashionista's wardrobe. This first English translation also includes a bespoke pattern by TONY award-winning costume designer and dress historian Jenny Tiramani, from which readers can recreate one of Schwarz's most elaborate and politically significant outfits.

The Red Dress Diaries Nov 11 2023 Betrayals of trust, loss of innocence, and crushed dreams come to life in *The Red Dress Diaries*, as women and girls, in their bold red dresses, make their breathtaking confessions. Straight from the heart, they speak of their doubts, fears, and deadly encounters with violence experienced from childhood sexual abuse, bullying, and online dating. These brave woman and girls draw us into their lives, begging us to understand their plights and trusting us to learn from their experiences. Their voices, told in monologues fit for the stage or for silent reading, are mesmerizing, inspiring, and above all, daring! Yet, while these women and girls tell of deceit, dishonor, and shame by the hands of others, they also show us the profound strength and amazing spirit of women everywhere. We come away from *The Red Dress Diaries* with the heartfelt knowledge that women's courage is endless, their strengths infinite, their abilities to overcome adversity unlimited. We learn, too, we are all worthy of love and acceptance and lives free of pain. And finally, through the voices of these powerful women and their honest confessions, we realize we are not alone.

The Dress Diary of Mrs Anne Sykes Aug 16 2021 A fascinating diary of Victorian dresses, as worn by Mrs Anne Sykes, the daughter of a Lancashire mill-owner whose life took her to Malta and Singapore, recently unearthed by a textile historian. The entries include actual textile samples as well as intriguing entries

that the author will unpack to create a picture of British Empire industrial life. A gift on her marriage to Adam Sykes in 1838, Anne started her diary with a swatch from her wedding dress. She kept snippets of fabric from a range of garments that were carefully folded within her diary, and these snippets - which will be beautifully reproduced in full colour throughout - remain an amazingly fresh and bright record of the lives of Anne, her friends and family. Kate will use her knowledge of history and fashion to unravel some of the stories that are contained in the album's pages. This is life writing that encounters ordinary people, not the grandees of traditional written histories, but the bystanders, the participants in everyday life, their loves and losses, joys and sorrows. Through the evidence of christening robes, ball gowns and mourning outfits, it lays bare the whole of human experience in that most intimate of mediums: the clothes we choose to wear.

The Art of the Poor Apr 04 2023 The history of art in the late Middle Ages and the Renaissance has generally been written as a story of elites: bankers, noblemen, kings, cardinals, and popes and their artistic interests and commissions. Recent decades have seen attempts to recast the story in terms of material culture, but the focus seems to remain on the upper strata of society. In his inclusive analysis of art from 1300 to 1600, Rembrandt Duits rectifies this. Bringing together thought-provoking ideas from art historians, historians, anthropologists and museum curators, The Art of the Poor examines the role of art in the lower social classes of Europe and explores how this influences our understanding of medieval and early modern society. Introducing new themes and raising innovative research questions through a series of thematically grouped short case studies, this book gives impetus to a new field on the cusp of art history, social history, urban archaeology, and historical anthropology. In doing so, this important study helps us re-assess the very concept of 'art' and its function in society.

Sometimes I Lie Oct 18 2021 My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Steampunk Style Jewelry Jul 27 2022 Learn how to create one-of-kind pieces

that marry romance, technology, and attitude—including a Time Travelers Necklace, Garrings, and more. This how-to jewelry-making book features the work of an array of invited jewelry designers influenced by the growing Steampunk trend. In Steampunk circles, jewelry-makers are often master metalsmiths who combine found objects with fine metals to create elaborate pieces. In *Steampunk Style Jewelry*, the projects focus on “no fire” techniques—like simple stringing, wirework, hammering, stamping, gluing, stitching, and off-loom beadwork—so that even a beginner can create pieces in the style. Each project provides a complete materials and tools list, step-by-step instructions, and clear illustrations. This book offers a broad overview of a growing design trend that is part of the literary, industrial design, fashion, and popular culture scene. Readers will learn about the art movement through the many photographic sidebars that explore the many aspects of the trend.

Everyday Fashion Feb 02 2023 Ordinary clothes have extraordinary stories. In contrast to academic and curatorial focus on the spectacular and the luxurious, **Everyday Fashion** makes the case that your grandmother's wardrobe is an archive as interesting and important as any museum store. From the moment we wake and get dressed in the morning until we get undressed again in the evening, fashion is a central medium through which we experience the world and negotiate our place within it. Because of this, the ways that supposedly 'ordinary' and 'everyday' fashion objects have been designed, manufactured, worn, cared for, and remembered matters deeply to our historical understanding. Beginning at 1550 – the start of an era during which the word 'fashion' came to mean stylistic change rather than the act of making – each chapter explores the definition of everyday fashion and how this has changed over time, demonstrating innovative methodologies for researching the everyday. The variety and significance of everyday fashion cultures are further highlighted by a series of illustrated object biographies written by Britain's leading fashion curators, showcasing the rich diversity of everyday fashion in British museum collections. Collectively, this volume scratches below the glossy surface of fashion to expose the mechanics of fashion business, the hidden world of the workroom and the diversity and role of makers; and the experiences of consuming, wearing, and caring for ordinary clothes in the United Kingdom from the 16th century to the present day. In doing so it challenges readers to rethink how fashion systems evolve and to reassess the boundaries between fashion and dress scholarship.
