RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[Without reference to a Main Committee (A/ES-6/L.1 and Add.1)]

ES-6/2. The situation in Afghanistan and its implications
for international peace and security

The General Assembly,

Taking note of Security Council resolution 462 (1980) of 9 January 1980, calling for an emergency special session of the General Assembly to examine the question contained in document S/Agenda/2185,

Gravely concerned at the recent developments in Afghanistan and their implications for international peace and security,

Reaffirming the inalienable right of all peoples to determine their own future and to choose their own form of government free from outside interference,

Mindful of the obligation of all States to refrain in their international relations from the threat or use of force against the sovereignty, territorial integrity and political independence of any State or in any other manner inconsistent with the purposes and principles of the Charter of the United Nations,

Recognizing the urgent need for immediate termination of foreign armed intervention in Afghanistan so as to enable its people to determine their own destiny without outside interference or coercion,

*[General Assembly Resolution ES-6/2 was adopted on January 14, 1980, by a vote of 104 in favor to 18 against, with 18 abstentions and 12 absent or not voting.

[On January 7, 1980, a draft resolution on the situation in Afghanistan was vetoed in the Security Council. The vote was 13 in favor to 2 against (German Democratic Republic and the Union of Soviet Socialist Republics).]
