The Road to Assisi Paul Sabatier, 2014-02-01 Originally published in French in 1894 Sabatier's was the first modern biography of Francis of Assisi. It was a worldwide bestseller and in 2003 when this new edition was first published it again sold more than 60 000 copies and was a selection of History Book Club. This new 120th anniversary edition includes a dozen additional annotations and a new preface by the editor putting Sabatier's influential work into its historical context showing why it is still the most essential life of the saint.

The Life of Saint Francis of Assisi Saint Bonaventure, 2013-03-15 The Life of Saint Francis of Assisi by Saint Bonaventure. Publisher: A Kindle Edition is also available. This Paperback is the ideal small size of 5 x 8. The grace of God our Saviour hath in these latter days appeared in His servant Francis unto all such as be truly humble and lovers of holy Poverty who adoring the overflowing mercy of God seen in him are taught by his ensample to utterly deny ungodliness and worldly lusts and to live after the manner of Christ thirsting with unwearied desire for the blessed hope. For God Most High regarded him as one that truly was poor and of a contrite spirit with so great condescension of His favour as that not only did He raise him up in his need from the dust of his worldly way of life but also made him a true professor leader and herald of Gospel perfection. Thus He gave him for a light unto believers that by bearing witness of the light he might prepare for the Lord the way of light and peace in the hearts of the faithful.
