A Thousand Hills to Heaven Josh Ruxin, 2013-11-05 One couple s inspiring memoir of healing a Rwandan village raising a family near the old killing fields and building a restaurant named Heaven Newlyweds Josh and Alissa were at a party and received a challenge that shook them to the core do you think you can really make a difference Especially in a place like Rwanda where the scars of genocide linger and poverty is rampant While Josh worked hard bringing food and health care to the country s rural villages Alissa was determined to put their foodie expertise to work The couple opened Heaven a gourmet restaurant overlooking Kigali which became an instant success Remarkably they found that between helping youth marry their own local ingredients with gourmet recipes and mix up the best guacamole in Africa and teaching them how to help themselves they created much needed jobs while showing that genocide s survivors really could work together While first a memoir of love adventure and family A Thousand Hills to Heaven also provides a remarkable view of how through health jobs and economic growth our foreign aid programs can be quickly remodeled and work to end poverty worldwide

Inside the Hotel Rwanda Edouard Kayihura, Kerry Zukus, 2014-04-01 In 2004 the Academy Award nominated movie Hotel Rwanda lionized hotel manager Paul Rusesabagina for single handedly saving the lives of all who sought refuge in the Hotel des Milles Collines during Rwanda's genocide against the Tutsi in 1994. Because of the film the real life Rusesabagina has been compared to Oskar Schindler but unbeknownst to the public the hotel's refugees don't endorse Rusesabagina's version of the events. In the wake of Hotel Rwanda's international success Rusesabagina is one of the most well known Rwandans and now the smiling face of the very Hutu Power groups who drove the genocide. He is accused by the Rwandan prosecutor general of being a genocide negationist and funding the terrorist group Democratic Forces for the Liberation of Rwanda (FDLR). In *Inside the Hotel Rwanda* survivor Edouard Kayihura tells his own personal story of what life was really like during those harrowing 100 days within the walls of that infamous hotel and offers the testimonies of others who survived there from Hutu and Tutsi to UN peacekeepers. Kayihura tells of his life in a divided society and his journey to the place he believed would be safe from slaughter. *Inside the Hotel Rwanda* exposes Paul Rusesabagina as a profiteering politically ambitious Hutu Power sympathizer who extorted money from those who sought refuge threatening to send those who did not pay to the genocidaires despite pleas from the hotel's corporate ownership to stop. *Inside the Hotel Rwanda* is at once a memoir, a critical deconstruction of a heralded Hollywood movie alleged to be factual, and a political analysis aimed at exposing a falsely created hero using his fame to be a political force spouting the same ethnic apartheid that caused the genocide two decades ago.

Season of Blood Fergal Keane, 1996-04-25 When President Habyarimana's jet was shot down in April 1994 Rwanda erupted into a hundred day orgy of killing which left up to a million dead. Fergal Keane travelled through the country as the genocide was continuing and his powerful analysis reveals the terrible truth behind the headlines. A tender, angry account. As well as being a scathing indictment, Keane says the genocide inflicted on the Tutsis was planned well in advance by Hutu leaders. This is a graphic view of news gathering in extremis. It deserves to become a classic. Independent.

Machete Season Jean Hatzfeld, 2006-04-18 Navigate the darkest corridors of humanity with *Machete Season*, a harrowing saga that dusts off the grim truths of the Rwandan Genocide. Rewind to April-May 1994 as the Tutsis face the unimaginable horror of annihilation under their fellow Hutu's brutal reign. The author Jean Hatzfeld painstakingly pieces together the chilling accounts shared by nine Hutu executioners. Recounted are not just tales of horror but a frightening display of the dehumanizing banality of evil. This revelation doubles as a probing exploration of the mechanisms of mass murders and their remorseless orchestrators. Delve into their candid confessions about the dreadful slaughter of approximately 50,000 Tutsis, their neighbors. As you navigate through their stories, one piercing, unsettling theme stands out: Killing is easier than farming. Echoes of their unsettling ambivalence towards their heinous actions fill the pages, raising alarming questions about human morality and ethics. *Machete Season* isn't just a chronicle of genocide; it's an insightful contemplation on the extraordinary horrors that ordinary human beings are capable of under certain circumstances. By starkly positioning the Rwandan Genocide alongside historical war crimes and genocidal episodes, this book raises a mirror to the darkest corners of human nature, forcing you to reconsider the pylons of morality, humanity, and guilt when survival is at stake.

[We Wish to Inform You That Tomorrow We Will Be Killed with Our Families](#) Philip Gourevitch, 1998 In 1994 the Rwandan government implemented a policy for the Hutu majority to murder everyone in the Tutsi majority.

A People Betrayed Linda Melvern, 2014-04-10 Events in Rwanda in 1994 mark a landmark in the history of modern genocide Up to one million people were killed in a planned public and political campaign In the face of indisputable evidence the Security Council of the United Nations failed to respond In this classic of investigative journalism Linda Melvern tells the compelling story of what happened She holds governments to account showing how individuals could have prevented what was happening and didn t do so The book also reveals the unrecognised heroism of those who stayed on during the genocide volunteer peacekeepers and those who ran emergency medical care Fifteen years on this new edition examines the ongoing impact of the 1948 Genocide Convention and the shock waves Rwanda caused around the world Based on fresh interviews with key players and newly released documents A People Betrayed is a shocking indictment of the way Rwanda is and was forgotten and how today it is remembered in the West

Shake Hands With the Devil Romeo Dallaire, 2009-02-24 On the tenth anniversary of the date that UN peacekeepers landed in Rwanda Random House Canada is proud to publish the unforgettable first hand account of the genocide by the man who led the UN mission Digging deep into shattering memories General Dallaire has written a powerful story of betrayal na vet racism and international politics His message is simple and undeniable Never again When Lt Gen Rom o Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993 he thought he was heading off on a modest and straightforward peacekeeping mission Thirteen months later he flew home from Africa broken disillusioned and suicidal having witnessed the slaughter of 800 000 Rwandans in only a hundred days In Shake Hands with the Devil he takes the reader with him on a return voyage into the hell of Rwanda vividly recreating the events the international community turned its back on This book is an unsparing eyewitness account of the failure by humanity to stop the genocide despite timely warnings Woven through the story of this disastrous mission is Dallaire s own journey from confident Cold Warrior to devastated UN commander to retired general engaged in a painful struggle to find a measure of peace reconciliation and hope This book is General Dallaire s personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he d relied on It might not sit easily with standard ideas of military leadership but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world s dirty wars Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical academic study of the breakdown of Rwanda It is not a simplistic indictment of the many failures of the UN as a force for peace in the world It is not a story of heroes and villains although such a work could easily be written This book is a cri de coeur for the slaughtered thousands a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace Instead we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect
