House of Lies Martin Kihn,2014-07-03 In the bestselling tradition of Liar s Poker comes a devastatingly accurate and darkly hilarious behind the scenes look at the wonderful world of management consulting *House of Lies* Martin Kihn,2009-06-27 In the bestselling tradition of Liar s Poker comes a devastatingly accurate and darkly hilarious behind the scenes look at the wonderful world of management consulting Once upon a time in Corporate America there was a group of men and women who were paid huge fees to tell organizations what they were doing wrong and how to improve themselves These men and women promised everything and delivered nothing said they were experts when they were not sometimes ruined careers and at best only wasted time energy and huge sums of money They called themselves Management Consultants Welcome to the world of Martin Kihn a former standup comic and Emmy Award nominated television writer who decided to go straight and earn his MBA at a prestigious Ivy League university In HOUSE OF LIES he brazenly chronicles his first two years as a newly minted management consultant featuring his struggles with erroneous advice absurd arrogance and bloody power struggles Hey it s all in a day s work and it pays really well Asshole Martin Kihn,2008 Explains how success in life can be achieved by being mean selfish and disrespectful to others using humorous anecdotes from the author s life as a guide The No Asshole Rule Robert I. Sutton,2007-02-22 The definitive guide to working with and surviving bullies creeps jerks tyrants tormentors despots backstabbers egomaniacs and all the other assholes who do their best to destroy you at work What an asshole How many times have you said that about someone at work You re not alone In this groundbreaking book Stanford University professor Robert I Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes and why they can be so destructive to your company Practical compassionate and in places downright funny this guide offers Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self diagnostic test and a program to identify and keep your own inner jerk from coming out The No Asshole Rule is a New York Times Wall Street Journal USA Today and Business Week bestseller **Bad Dog** Martin Kihn,2011-04-05 A true story Meet Hola She s a nightmare but it s not her fault if she tackles strangers and chews on furniture or if she runs after buses and fried chicken containers and drug dealers No one ever told her not to Worse yet she scares her family Hola may be the most beautiful Bernese mountain dog in the world but she s never been trained At least not by anyone who knew what he was doing Hola s supposed master Marty is a high functioning alcoholic A TV writer turned management consultant Marty s in debt and out of shape he s about to lose his job and one day he emerges from a haze of peach flavored vodka to find he s on the verge of losing his wife Gloria too if he can t get his life and his dog

under control Desperately trying to save his marriage Marty throws himself headlong into the world of competitive dog training Unfortunately he knows even less than Hola the only dog ever to be expelled from her puppy preschool twice Somehow together they need to get through the American Kennel Club s rigorous Canine Good Citizen test Of course Hola first needs to learn how to sit It won t be easy It certainly won t be pretty But maybe just maybe there will be cheesecake

The World's Newest Profession Christopher D. McKenna, 2006-06-19 In The World s Newest Profession Christopher McKenna offers a history of management consulting in the twentieth century Although management consulting may not yet be a recognized profession the leading consulting firms have been advising and reshaping the largest organizations in the world since the 1920s This groundbreaking study details how the elite consulting firms including McKinsey Company and Booz Allen Hamilton expanded after US regulatory changes during the 1930s how they changed giant corporations nonprofits and the state during the 1950s and why consultants became so influential in the global economy after 1960 As they grew in number consultants would introduce organizations to corporate culture and decentralization but they faced vilification for their role in the Enron crisis and for legitimating corporate blunders Through detailed case studies based on unprecedented access to internal files and personal interviews The World s Newest Profession explores how management consultants came to be so influential within our culture and explains exactly what consultants really do in the global economy

Scaling Up Excellence Robert I. Sutton, Huggy Rao, 2014-02-04 Wall Street Journal Bestseller The pick of 2014 s

management books Andrew Hill Financial Times One of the top business books of the year Harvey Schacter The Globe and Mail Bestselling author Robert Sutton and Stanford colleague Huggy Rao tackle a challenge that determines every organization's success how to scale up farther faster and more effectively as an organization grows Sutton and Rao have devoted much of the last decade to uncovering what it takes to build and uncover pockets of exemplary performance to help spread them and to keep recharging organizations with ever better work practices Drawing on inside accounts and case studies and academic research from a wealth of industries including start ups pharmaceuticals airlines retail financial services high tech education non profits government and healthcare Sutton and Rao identify the key scaling challenges that confront every organization They tackle the difficult trade offs that organizations must make between whether to encourage individualized approaches tailored to local needs or to replicate the same practices and customs as an organization or program expands They reveal how the best leaders and teams develop spread and instill the right mindsets in their people rather than ruining or watering down the very things that have fueled successful growth in the past They unpack the principles that help to cascade excellence throughout an organization as well as show how to eliminate destructive beliefs and behaviors that will hold them back Scaling Up Excellence is the first major business book devoted to this universal and vexing challenge and it is destined to become the standard bearer in the field *The Halo Effect* Phil

Rosenzweig,2008-12-09 Why do some companies prosper while others fail Despite great amounts of research many of the studies that claim to pin down the secret of success are based in pseudoscience THE HALO EFFECT is the outcome of that pseudoscience a myth that Philip Rosenzweig masterfully debunks in THE HALO EFFECT THE HALO EFFECT highlights the tendency of experts to point to the high financial performance of a successful company and then spread its golden glow to all of the company's attributes clear strategy strong values and brilliant leadership But in fact as Rosenzweig clearly illustrates the experts are not just wrong but deluded Rosenzweig suggests a more accurate way to think about leading a company a robust and clearheaded approach that can save any business from ultimate failure **Networks of Control** Wolfie

**Management Control and Uncertainty** M. Association, 2014-11-25 Management Control and Uncertainty recognizes that all control takes place under conditions of uncertainty it does now and it always has done In this edited collection the contributing authors examine different aspects of management control systems in the modern world whilst paying more explicit attention to the ubiquitous nature of uncertainty *Measure What Matters to Customers* Ronald J. Baker, 2007-01-29 Measure What Matters to Customers reveals how to capitalize on Key Predictive Indicators KPIs the innovative measures that define the success of your enterprise as your customers do If you want to increase your company's profits by working smarter this is the book for you **The McKinsey Way** Ethan M. Rasiel, 1999-02-22 If more business books were as useful concise and just plain fun to read as THE MCKINSEY WAY the business world would be a better place Julie Bick best selling author of ALL I REALLY NEED TO KNOW IN BUSINESS I LEARNED AT MICROSOFT Enlivened by witty anecdotes THE MCKINSEY WAY contains valuable lessons on widely diverse topics such as marketing interviewing team building and brainstorming Paul H Zipkin Vice Dean The Fuqua School of Business It's been called a breeding ground for gurus McKinsey How to sell without selling How to use facts not fear them Techniques to jump start research and make brainstorming more productive How to build and keep a team at the top its game Powerful presentation methods including the famous waterfall chart rarely seen outside McKinsey How to get ultimate buy in to your findings Survival tips for working in high pressure organizations Both a behind the scenes look at one of the most admired and secretive companies in the business world and a toolkit of problem solving techniques without peer THE MCKINSEY WAY is fascinating reading that empowers every business decision maker to become a better strategic player in any organization Good Boss, Bad Boss Robert I. Sutton, 2010-09-07 Now with a new chapter that focuses on what great bosses really do Dr Sutton reveals new insights that he's learned since the writing of Good Boss Bad Boss Sutton adds revelatory thoughts about such legendary bosses as Ed Catmull Steve Jobs A G Lafley and many more and how you can implement their techniques If you are a boss who wants to do great work what can you do about it Good Boss Bad Boss is devoted to answering that question Stanford Professor Robert Sutton weaves together the best psychological and management research with compelling stories and cases to reveal the mindset and moves of the best and worst bosses This book was inspired by the deluge of emails research phone calls and conversations that Dr Sutton experienced after publishing his blockbuster bestseller The No Asshole Rule He realized that most of these stories and studies swirled around a central figure in every workplace THE BOSS These heart breaking inspiring and sometimes funny stories taught Sutton that most bosses and their followers wanted a lot more than just a jerk free workplace They aspired to become or work for an all around great boss somebody with the skill and grit to inspire superior work commitment and dignity among their charges As Dr Sutton digs into the nitty gritty of what the best and worst bosses do a theme runs throughout Good Boss Bad Boss which brings together the diverse lessons and is a hallmark of great bosses They work doggedly to stay in tune with how their followers and superiors peers and customers too

react to what they say and do The best bosses are acutely aware that their success depends on having the self awareness to control their moods and moves to accurately interpret their impact on others and to make adjustments on the fly that continuously spark effort dignity and pride among their people
