The Cure For All Disease Terry Cooksey, 2015-07-08 The Cure For All Disease is the Owner's Manual for your body. There is a cure for all disease. It is 100% Natural and costs only a few dollars each month. Your body heals you by giving it what it needs and making sure you avoid the poisons that cause all disease. Water is the very Essence of Life. Without water, there would be no life on this planet. This is why I believe the quality of your health is equal to the quality of your water. There are no cures with doctors and the medical profession. They turned their backs on all cures and all real medicine once drug corporations began manufacturing synthetic man-made chemical medicines starting in 1939. Cures ended with Dr. Jonas Salk's polio vaccine, which he gave to mankind for free in 1954. Poisons cause all disease. Without poisons, even germs and viruses could not make you sick. All disease requires an acidic body to exist in. Your body becomes acidic by habitual consumption of poisons in your food, drinks, and water, such as white flour, white sugar, high fructose corn syrup, red meats, and the chlorine and fluoride in your water. This book teaches you how to reverse the acidity of your body, correct your diet deficiencies, and to value Water, the very Essence of Life. There are also some quick cures for some major diseases like migraines, kidney stones, heartburn, and others. These cures may seem like miracle cures, but they are just science that has been around since man began living on this Earth. The thing that the Author adds to those centuries of proven healing science is how to recognize and avoid the saturation of poisons that have inundated our food, drinks, and water supplies, as well as personal hygiene items. The Author teaches you how to clean up your current diet and also gives you details on other things you can do to improve your health and speed you on to freedom from disease. This book was written by a man who cured himself of 10 diseases, doctors REFUSE to cure. And he did so after doctors said he would be on dialysis or dead by 2009. Before then, the Author did not know that doctors cure no one. YOU must decide whether to remain without hope, as you have with all doctors, OR Learn how to use Natural Science to restore your Natural body to health, to rid it of all disease. For those who choose Life and freedom from sickness, this book was written for YOU. A short and to the point book to get you cured of all disease as quickly as possible.

The Truth about Cancer Ty M. Bollinger, 2018-10-09 Cancer touches more lives than you may think. According to the World Health Organization, one out of three women alive today and one out of two men will face a cancer diagnosis in their lifetime. To Ty Bollinger, this isn't just a statistic. It's personal. After losing seven members of his family to cancer over the course of a decade, Ty set out on a global quest to learn as much as he possibly could about cancer treatments and the medical industry that surrounds the disease. He has written this book to share what he's uncovered, some of which may shock you, and to give you new resources for coping with cancer in your life or the life of someone you love. As Ty explains, there are many methods we can access to treat and prevent cancer that go well beyond chemotherapy, radiation, and surgery, we just don't know about them. The Truth about Cancer delves into the history of medicine all the way back to Hippocrates's credo of "do no harm," as well as cutting-edge research showing the efficacy of dozens of unconventional cancer treatments that are helping patients around the globe. You

Il read about the politics of cancer facts and myths about its causes a family history is only part of the picture and the range of tools available to diagnose and treat it If you re facing a cancer diagnosis right now this book may help you and your health care provider make choices about your next steps If you re already undergoing conventional treatment it may help you support your health during the course of chemo or radiation If you re a health care provider and want to learn all you can to help your patients it will expand your horizons and inspire you with true stories of successful healing And if you just want to see cancer in a new light it will open your eyes *Doctor Yourself* Andrew W. Saul,2003 Don t bother looking in the history books for what has killed the most Americans Look instead at your dinner table We eat too much of the wrong foods and not enough of the right foods Scientific research continually indicates nationwide vitamin and mineral deficiencies in our country and we spend over a trillion dollars each year on disease care Is it any surprise that doctors consistently place among the very highest incomes Andrew Saul has seen enough of this situation and in *Doctor Yourself* he gives you the power you need to change it Citing numerous scientific evidence as well as case studies from his decades of practice Dr Saul explodes the myth that an army of medical specialists and pharmaceutical drugs are necessary to maintain our health The human body evolved to live well and fight off disease on a supply of only a dozen or so essential nutrients Unfortunately modern meat laden high sugar diets provide catastrophically inadequate levels of those nutrients Using the guidelines and protocols for diet and vitamin megadosing laid out in *Doctor Yourself* you can not only prevent disease from getting a foothold in the first place but also literally cure yourself of illnesses already in progress without resorting to drugs or surgery One of the most comprehensive guides to nutritional therapy ever published *Doctor Yourself* provides proven methods for combating almost every possible health condition from asthma and Alzheimer s disease to cancer depression heart disease and more all presented in Dr Saul s unforgettable style Whether he s delivering commonsense tips on subjects such as weight loss and longevity or praising the healthy glow of a carotene tan Dr Saul takes the starch out of healthcare and makes taking charge of your family s health an experience both valuable and fun *Flood Your Body With Oxygen* Energy

Publications,2009-12-04 *Flood Your Body With Oxygen* is Mr Oxygen Ed McCabe s follow up to his best seller *Oxygen Therapies* and is the seminal work on the subject and encompasses its entirety DISEASES CAN T LIVE IN ACTIVE OXYGEN Proven safe solutions for all the major problems facing our health our animals our food supply and our environment are explained simply and backed up with testimonials and industry and medical cites Complete explanations and usage of all known Oxygen Therapies Referrals **Tooth Regrowth** Instafo,Danielle Ross,2018-05-30 A New Revolutionary Breakthrough In Dental Health Can you regrow teeth That s the question you re probably wondering The answer is yes but not in the way you may think Let s put it this way your body can t grow back a new tooth like it would for a piece of hair nail or skin layer that naturally replaces itself However a tooth can be regrown on a surface level which is known as tooth remineralization What is tooth remineralization It s the regrowth process of restoring vital minerals and adding back layers

to your teeth to make them stronger bigger and more solidly whole again Your teeth will naturally weaken over time due to continuous use and even abuse e.g. using your teeth as a tool to open things overexposure to unhealthy diets high in sugar poor oral hygiene from neglect of regular tooth brushing and mouth cleaning etc resulting in all too common tooth decay cavities gum diseases and other dental problems The reality is that you only get one set of teeth in your life excluding baby teeth If you fail to take care of the teeth you have now you're going to have to spend thousands of dollars and up for expensive dental works later down the road On the other hand if you're one of the few who takes up the practice of manually performing tooth remineralization as soon as possible you can restore your teeth back to its healthy natural state and keep them for life Here's what you will discover inside [Tooth Regrowth](#) The NASA developed toothpaste used by astronauts to remineralize teeth The oldest medicinal system in the world to restore your pearly whites The natural herbal approach to rejuvenate the regrowth process in your mouth The most potent way to get your calcium intakes for building strong teeth The connective tissue acid to fight periodontitis and reverse receding gums and that's simply scratching the surface of tooth remineralization Don't let your teeth deteriorate to the point where it's too late to fix the problem that you could have prevented or fixed yourself Pick up [Tooth Regrowth](#) now to remineralize your teeth and reclaim a healthy shiny smile that you can be proud of

Take Control of Your Health and Escape the Sick Industry Elaine Hollingsworth, 2009 At last A No Holds Barred book that exposes the lies the food industry and drug manufacturing giants have been telling us for years and what you can do to lead an improved and healthier life [TAKE CONTROL OF YOUR HEALTH AND ESCAPE THE SICKNESS INDUSTRY](#) reveals damning evidence of the lengths to which corporations and governments will go in order to maintain high levels of profitability regardless of their often catastrophic effects on the health of those they claim to serve But there is more to this book than attacks on big business and the medical and health industries Throughout its pages you will discover well researched and proven alternatives to expensive medication and surgical procedures as well as learning about commonly held beliefs and even maladies which are nothing more than the inventions of marketing experts to help sell more products
