Rhetorical Grammar Sep 13 2021 Rhetorical Grammar encourages writers to recognize and use the structural and stylistic choices available to

them and to understand the rhetorical effects those choices can have on their readers. Rhetorical Grammar is a writer's grammar - a text that presents grammar as a rhetorical tool, avoiding the do's and don'ts so long associated with the study of grammar. It reveals to student writers the system of grammar that they know subconsciously and encourages them to use that knowledge to understand their choices as writers and the effects of those choices on their readers. Besides providing key strategies for revision, Rhetorical Grammar presents systematic discussions of reader expectation, sentence rhythm and cohesion, subordination and coordination, punctuation, modifiers, diction, and other principles. Studying grammar from this rhetorical point of view defines the study of language as an intellectual exercise designed to open up students' minds to the versatility, beauty, and possibilities of language.

English Grammar for Students of Spanish Mar 12 2024 ENGLISH GRAMMAR FOR STUDENTS OF SPANISH explains the grammatical terms that are in Spanish textbooks and shows students how they relate to English grammar. Once students have understood the terms and concepts in their own language, it is easier for them to understand their textbook. With simple explanations and numerous examples, this brief handbook compares English and Spanish grammar and points out the similarities and differences.
