The Italian's Passion Joanne Walsh ,2015-09-17 Wealthy, incredibly sexy Italian entrepreneur Danilo Spinozzi zooms into Lucy Luxton's life on a motorcycle one quiet afternoon, and she can't keep her mind or eyes off him. The people of Ravello, a small town on the Amalfi Coast where she is studying jewelry design, warn her that he is the town's bad boy and a ruthless womanizer, but how can Lucy keep her distance when he is the one man who looks beyond her shy, plump exterior and sees the sensuous and creative woman about to bloom? Devastated by the one woman in his life who should have loved and protected him, Danilo Spinozzi has had good reason to avoid long-term commitment. But after he takes one look at Lucy and basks in her kindness and unassuming, voluptuous beauty, he needs to make her his for more than a handful of nights. She's a girl who deserves to be treated right, a tall order when he's left a trail of broken female hearts behind. He's going to have to do something he's never done before: stay and woo her. Even though Lucy knows she's due to return home to England at the end of August and that Danilo will move on to his next conquest, she can't resist him. Or has Danilo really changed his ways for good?

Cold Flame Natalie Hames,2018-01-29 Obsession, lust, murder, and a secret which will rip everyone apart. Twelve years after participating in a bank heist, Carl Fisher is celebrating his fortieth birthday. Hours later, his body is discovered in his hot tub, a single gunshot to his head signifying an execution-style killing. DI Grace Dalton is called upon to crack the case and bring the killer to justice, but the more she investigates, the more she realizes his lifestyle and criminal activities have accumulated a long list of enemies. Ploughing through a sea of suspects, Grace is not only under pressure to find the killer but also adapt to a new partner, DS Ryan Nash. A rogue detective with an ambiguous past and a playboy image, he's everything she despises, yet despite her protesting, to DCI Harris is given no other choice other than to be his reluctant mentor. To make matters worse, the murder weapon is traced back to a previous crime at the infamous Ringfield Estate, throwing Grace into a precarious position. Known for its gun crime and ruled by the vicious Ringfield Crew, relations between the estate and the police are taut with controversy. With links between Carl and the head of the gang coming to light, Grace finds herself thrown into a confusing maze of suspects and motives. No sooner have the pieces of the puzzle fitted together, the tables of fate turn and send the pieces into disarray. Grace soon realizes that if she is to solve the case, she must go back to the start where a shocking revelation will reveal how pure, deep-seated rage is found in the most unlikely and quiet places. A gripping thriller with a breath-taking twist, Cold Flame is a dark British detective
