Aldi Highland Black 8

Though it might be a bit of a shock (alright, it's definitely a shock!) to find a supermarket own-label blend here, trust me, this is a good thing. Don't ignore the bargains under your nose I'd say, and at under £15 this is definitely a bargain.

A good few years ago, when the industry was dumping excess stocks from the infamous whisky loch, there were some fabulous buys to be found amongst supermarket cheapies. Then things tightened up, prices began to rise and cheaper and younger whiskies found their way onto the own-label shelves. The proportion of malt in the blend dropped. Generally speaking, the whiskies simply weren't as good. The distillers had more profitable things to do with their stocks and a few simply stopped supplying supermarkets. Own-label became a dirty word.

Well, not this. This represents remarkable value, especially if you decant it into another bottle. That's not to suggest you pass it off as something more expensive (heaven forbid; your friends deserve better treatment than that petty deception) but a number of tasters have observed that it's better for a little air. If you can't do that, then at least give it a few minutes in the glass to let the initial rather harsh aromas disperse and you will be pleasantly surprised by the result.

Aldi have won major awards for this but I can go back to my own notes when I tasted it blind for a major consumer magazine against a number of well-known brands. It was the top blend that day and I see that my notes have it as 'sophisticated', 'balanced', 'smooth', and 'creamy'. You can't say fairer than that.

If you simply can't bear the idea of the neighbours seeing you in Aldi (what are they doing there, you might well ask) then other top tips from the multiple-grocers include the 12 Years Old Highland Single Malt from the good old Co-op and Waitrose's 12 Years Old Islay Single Malt. They have perfectly respectable bags, so off you trot.

Colour Warm yellow.

Nose Initially superglue - but be patient, it gets better.

Taste Honey, fresh fruits, apple pie. Surprisingly smooth. See comments above.

Finish Malted fruit loaf. Disperses quickly (but at the price who's worried?)
