**Introduction to Teaching** Gene E. Hall, Linda F. Quinn, Donna M. Gollnick, 2015-12-09 Introduction to Teaching Making a Difference in Student Learning Second Edition is the ideal text for aspiring teachers. Acclaimed authors Gene Hall, Linda Quinn, and Donna Gollnick thoroughly prepare teacher education candidates to make a difference as teachers presenting first-hand stories and evidence-based practices while offering a student-centered approach to learning. The authors target one of the biggest challenges facing many of today's schools: making sure that all students are learning and help teachers make student learning the primary focus in all that they do. From true-to-life challenges that teachers will face (high-stakes testing, student learning assessments, low teacher retention, Common Core Standards) to the inspiration and joy they will discover throughout their teaching careers, this text paints a realistic picture of the real life of a teacher.

**School and Society** Walter Feinberg, Jonas F. Soltis, 1992-01-01 In the revised and expanded second edition of Schools and Society, authors Walter Feinberg and Jonas F. Soltis invite teachers and administrators to develop their ability to question basic aspects of the relation between school and society and to understand different approaches to educational research. They suggest that unless educators understand how social, economic, and political forces influence what happens in schools and what researchers investigate, they will not be empowered to assume responsibility for educational reform.

**Teachers, School and Society** Zittleman Sadker, 2015

**Multicultural Education in a Pluralistic Society** Donna M. Gollnick, Philip C. Chinn, 2017 For courses in Multicultural/Multiethnic Education. This package includes the Enhanced Pearson eText and loose-leaf version. An up-to-date, balanced examination of the issues of race, diversity, and equity in society, how they are reflected in schools, and their impact on students. This widely popular book provides an up-to-date, unbiased look at today's many different cultural groups and the importance of building on the cultures and experiences of students to help them achieve optimal learning. It explores the most current issues related to race, diversity, and equity in society and shows how those issues are reflected in schools and how they impact students. Future teachers get a sound foundation for understanding diversity and using this knowledge effectively in classrooms and schools to help students learn. The authors' approach to multicultural education, using a broad perspective using culture as the basis for understanding multicultural education and emphasizing the importance of an equitable education for all students. The new edition helps readers learn to routinely use self-reflection to become more effective teachers in classrooms that provide equity for all students. Covers up-to-date new issues in the chapter, features updates to all chapters to reflect recent events and research that have impacted the topics addressed in the book, and updates all tables, figures, and references to reflect the latest data and thinking. Invigorate learning with the Enhanced Pearson eText. **Dumbing Us Down** John Taylor Gatto, 2002-02-01 With over 70,000 copies of the first edition in print, this radical treatise on public education has been a New Society Publishers bestseller for 10 years. Thirty years in New York City's public schools led John Gatto to the sad conclusion that compulsory schooling does little but teach young people to follow orders like cogs in an industrial machine. This second edition describes the wide-spread impact of the book and Gatto's guerrilla teaching. John Gatto has been a teacher for 30 years and is a recipient of the New York State Teacher of the Year award. His other titles include *A Different Kind of Teacher* (Berkeley Hills Books, 2001) and *The Underground History of American Education* (Oxford Village Press, 2000).

**School & Society** James McKeen Cattell, Raymond Walters, Will Carson Ryan, 1915

**Classroom Teaching Skills** James M. Cooper, 2013-01-01 Designed for beginning teachers CLASSROOM TEACHING SKILLS Tenth Edition conceptualizes the effective teacher as a reflective decision maker responsible for planning implementing evaluating and making management decisions in the classroom Each chapter considers a particular teaching skill first discussing the theory behind it and then presenting the reader with practice situations in which knowledge about the skill can be applied and evaluated The Tenth Edition continues to address the importance of core InTASC standards matched with learning objectives for each chapter while incorporating more extensive coverage on technology Common Core State Standards and working with English Language Learners In addition new Voices from the Classroom and Case Study features help readers better understand the issues they may encounter as teachers Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

**Small Schools** Michael Klonsky, Susan Klonsky, 2008-03-25 When education activists in New York Chicago and other urban school districts in the 1980s began the small schools movement they envisioned a new kind of public school system that was fair and equitable and that encouraged new relationships between teachers and students When that movement for school reform ran head on into the neo conservative takeover of the Department of Education and its No Child Left Behind strategy for school change a new model of federal power bent on the erosion of public space and the privatization of public schooling emerged Michael and Susan Klonsky educators who were among the early leaders of the small schools movement tell the story of how a once promising model of creating new small and charter schools has been used by the neocons to reproduce many of the old inequities Small Schools is the engaging story of what happens when the small schools movement meets the Ownership Society

**Society and the Education of Teachers** William Taylor, 2001

**Still Failing at Fairness** David Sadker, Karen R. Zittleman, 2009-04-28 Despite decades of effort to create fair classrooms and schools gender bias is alive and well and in some ways growing School practices continue to send boys and girls down different life paths too often treating them not as different genders but as different species Teachers and parents often miss the subtle signs of sexism in classrooms Through firsthand observations and up to the minute research Still Failing at Fairness brings the gender issue into focus The authors provide an in depth account of how girls and boys educations are compromised from elementary school through college and offer practical advice for teachers and parents who want to make a positive difference The authors examine today s pressing issues the lack of enforcement for Title IX the impact of the backlash against gender equity the much hyped boys crisis hardwired brain differences and the recent growth of singlesex public schools This book documents how teaching current testing practices and subtle cultural attitudes continue to short circuit both girls and boys of every race social class and ethnicity Hard hitting and remarkably informative Still Failing at Fairness is a fascinating look into America s classrooms National Association of School Psychologists

**Bilingualism in Schools and Society** Sarah J.
