International Law Antonio Cassese

International Law Antonio Cassese, 2005 Professor Cassese is a leading figure in the field and this new edition takes full advantage of his extensive experience to provide a more personal approach to the subject than is typically found in the standard textbook acting as good intellectual exercise for the stronger student This new edition of Cassese's *International Law* provides a stimulating and authoritative account for all students of international law It has been fully revised and updated to include all recent developments in the subject and contains a new chapter on terrorism as well as extensive revision of the section on state responsibility Providing a comprehensive commentary on international law as a whole it compares the traditional legal position with the developing and evolving law in a way that is sensitive to political and economic considerations as well as including detailed yet accessible examinations of state responsibility and international criminal law Features Fully revised and updated to include all recent developments in international law contains a new chapter on Terrorism and extensive revision of the section on State Responsibility Written by a world leading practitioner and highly respected academic in the field of international law providing a more personal approach to the study of international law good intellectual exercise for stronger students A comprehensive commentary on international law as a whole comparing the traditional legal position with the developing and evolving law in a way that is sensitive to political and economic considerations Includes detailed yet accessible examinations of state responsibility and international criminal law Updated companion web site containing a wealth of material traditionally found in cases and materials books includes all key documents cases materials principal agreements and treaties needed by students as well as useful web links to related web sites

Cassese's International Law Paola Gaeta, Jorge E. Viñuales, Salvatore Zappalá, 2020-08 Cassese's *International Law* is a new edition of an established classic Authors Gaeta Viñuales and Zappalá have built on the legacy of international law luminary Antonio Cassese to offer a thought provoking and lucid account for today's undergraduates and postgraduates The authors have refreshed Cassese's original approach ensuring the book continues to compare the traditional legal position with the developing and evolving law Advancing areas such as the law of the sea territorial matters and international environmental law have been expanded to give proper place to their evolving development while brand new chapters on international trade and foreign investment have been written to reflect the advancements of these areas In maintaining the broad structure and approach but providing new material the authors bring fresh context to Cassese's thinking and provide students with an up to date compelling account of the landscape of international legal thinking

Five Masters of International Law Antonio Cassese, 2011-03-15 This book consists of interviews with five distinguished international lawyers from the UK USA Uruguay and France conducted by the editor Antonio Cassese between 1993 and 1995 Each interview is preceded by a brief intellectual portrait of the interviewee In his general introduction Cassese stresses that the

interviews all based on the same questionnaire were intended to bring out not only the main ideas associated with each scholar in the fields of international law and international relations but also his intellectual and philosophical background his general outlook and his views of the prospects for the evolution of the international community In his final essay Cassese brings together the main threads of the interviews and points to the parallels and divergences appearing from them This book offers a unique and important insight into the legal minds and outlook of a select group of prominent scholars of international law and legal institutions during the last years of the twentieth century *Cassese's International Criminal Law* Antonio Cassese,2013-01-31 Revised edition of International criminal law second edition 2008 Realizing Utopia Antonio Cassese,2012-03-08 Realizing Utopia is a collection of essays by a group of innovative international jurists Its contributors reflect on some of the major legal problems facing the international community and analyse the inconsistencies or inadequacies of current law They highlight the elements even if minor hidden or emerging that are likely to lead to future changes or improvements Finally they suggest how these elements can be developed enhanced and brought to fruition in the next two or three decades with a view to achieving an improved architecture of world society or at a minimum to reshaping some major aspects of international dealings Contributions to the book thus try to discern the potential in the present legal construct of world society that might one day be brought to light in a better world As the impact of international law on national legal orders continues to increase this volume takes stock of how far international law has come and how it should continue to develop The work features an impressive list of contributors including many of the leading authorities on international law and several judges of the International Court of Justice International Criminal Law: Cases and Commentary Antonio Cassese,2011-02-24 The decisions presented in the book are helpfully accompanied by short introductions setting out the circumstances of each case and brief commentaries on the importance of the decision and principles illustrated Book Jacket **Change and Stability in International Law-Making** Antonio Cassese,Joseph H. H. Weiler,2010-10-13 Change and Stability in International Law Making *The Oxford Companion to International Criminal Justice* ,2009-01-22 The move to end impunity for human rights atrocities has seen the creation of international and hybrid tribunals and increased prosecutions in domestic courts The Oxford Companion to International Criminal Justice is the first major reference work to provide a complete overview of this emerging field Its nearly 1100 pages are divided into three sections In the first part 21 essays by leading thinkers offer a comprehensive survey of issues and debates surrounding international humanitarian law international criminal law and their enforcement The second part is arranged alphabetically containing 320 entries on doctrines procedures institutions and personalities The final part contains over 400 case summaries on different trials from international and domestic courts dealing with war crimes crimes against humanity genocide torture and terrorism With analysis and commentary on every aspect of international criminal justice this Companion is designed to be the first port of call for scholars and practitioners interested in current developments in

international justice **International Law in a Divided World** Antonio Cassese,1989-01-01 This general introduction to international law considers the topic in a political and historical perspective Throughout an effort is made to identify the ideological and political motivation underlying international legal rules and institutions which are examined through the prism of the principal actors in the international community Western socialist and developing countries This book differs from standard textbooks in an important respect it covers some topics neglected by traditional works such as the historical evolution of the international community or the law of economic relations and of development while some traditional topics are dealt with only tangentially such as international arbitration The book will thus appeal to lawyers who wish to explore the background and context to this subject and to political scientists who want to know more about the policy pursued by each of the three major groupings of States in international law making This replaces the hardback published in 1986

Self-Determination of Peoples Antonio Cassese,1995 The definitive study of the doctrine of self determination of peoples The Human Dimension of International Law Antonio Cassese,2008-06-19 This volume collects the most important papers of Antonio Cassese one of the pre eminent figures in international criminal justice The papers offer the definitive statement of Cassese s thought and a unique insight into some of the key developments in modern international law

International Criminal Law Antonio Cassese,Florian Jessberger,Robert Cryer,2015 Critical Concepts in Law addresses the acute need for an authoritative reference work that traces the evolution of the emerging discipline of international criminal law The editors aver that now is the time to take stock and make some sense of the subject s dauntingly vast literature to identify a canon and to engage with its key concepts This four volume collection assembles the best scholarship from the time of Nuremberg and Tokyo to the present day **The Oxford Handbook of the History of International Law** Bardo Fassbender,Anne Peters,Simone Peter,Daniel Högger,2012-11-01 The Oxford Handbook of the History of International Law provides an authoritative and original overview of the origins concepts and core issues of international law The first comprehensive Handbook on the history of international law it is a truly unique contribution to the literature of international law and relations Pursuing both a global and an interdisciplinary approach the Handbook brings together some sixty eminent scholars of international law legal history and global history from all parts of the world Covering international legal developments from the 15th century until the end of World War II the Handbook consists of over sixty individual chapters which are arranged in six parts The book opens with an analysis of the principal actors in the history of international law namely states peoples and nations international organisations and courts and civil society actors Part Two is devoted to a number of key themes of the history of international law such as peace and war the sovereignty of states hegemony religion and the protection of the individual person Part Three addresses the history of international law in the different regions of the world Africa and Arabia Asia the Americas and the Caribbean Europe as well as encounters between non European legal cultures like those of China Japan and India and Europe which had a lasting impact on the body of international law Part

Four examines certain forms of interaction or imposition in international law such as diplomacy as an example of interaction or colonization and domination as an example of imposition of law The classical juxtaposition of the civilized and the uncivilized is also critically studied Part Five is concerned with problems of the method and theory of history writing in international law for instance the periodisation of international law or Eurocentrism in the traditional historiography of international law The Handbook concludes with a Part Six entitled People in Portrait which explores the life and work of twenty prominent scholars and thinkers of international law ranging from Muhammad al Shaybani to Sir Hersch Lauterpacht The Handbook will be an invaluable resource for students and scholars of international law It provides historians with new perspectives on international law and increases the historical and cultural awareness of scholars of international law It is the standard reference work for the global history of international law

Man's Inhumanity to Man Lal Chand Vohrah, Fausto Pocar, Yvonne Featherstone, Olivier Fourmy, Michael F. Graham, John Hocking, Nicholas Robson, 2021-10-18 This volume contains a unique collection of essays on various aspects of current interest within the field of public international law international criminal law human rights and humanitarian law The wide range and topicality of the issues covered bears witness to the vast professional experience of Antonio Cassese the first President of the ICTY in whose honour this collection has been compiled and to the many fields of scholarship in which he has left a permanent mark Written by a selection of renowned academics and practitioners Man's Inhumanity to Man offers the reader thought provoking discussion on the International Criminal Court the ICTY and International Criminal Tribunal for Rwanda and other aspects of international criminal justice on truth commissions and amnesties in the aftermath of armed conflicts on military humanitarian intervention and the development of human rights protection

The Prosecutor and the Judge Heikelina Verrijn Stuart, Marlise Simons, 2009 Earlier this year the Praemium Erasmianum Foundation bestowed its annual award the Erasmus Prize on Benjamin Ferencz and Antonio Cassese two pioneers in the field of international law Ferencz a leading American prosecutor author and lecturer was present at the American war crimes trials in Dachau and was the chief prosecutor in the Einsatzgruppen trials in Nuremberg Like Ferencz Cassese was a key figure in the development of international criminal law serving as the first president of the International Criminal Tribunal for the former Yugoslavia and president of the European Committee for the Prevention of Torture and chairman of the UN Commission of Inquiry into Violation of Human Rights and Humanitarian Law in Darfur Cassese is currently the president of the Special Court for Lebanon In *The Prosecutor and the Judge* Heikelina Verrijn Stuart and Marlise Simons provide in depth revealing interviews with these two advocates of international law Supplementing the interviews are several key articles written by Ferencz and Cassese that highlight the two men's achievements and set the development of international law in context

Principles of International Criminal Law Gerhard Werle, Florian Jessberger, 2014 *Principles of International Criminal Law* is one of the leading textbooks in the field This third edition builds on the highly successful work of the previous editions setting out the general principles governing

international crimes as well as the fundamentals of both substantive and procedural international criminal law **Realizing Utopia** Antonio Cassese, 2012-03-08 Bringing together 47 essays by prominent international lawyers this book reflects on major challenges facing international law and focuses on potential changes and improvements Its aim is helping to construct a better architecture of world society As international law s importance continues to grow this book analyses where it is heading The Current Legal Regulation of the Use of Force A Cassese, 1986-12 Foundations of International Law and Politics Oona Anne Hathaway, Harold Hongju Koh, 2005 This title is a compilation of materials designed to bridge the gap between the disciplines of international law and international relations It could be used as a companion to case books for a course in international law as a reader in an advanced seminar in international law or in a political science class on international relations of globalization *Looking to the Future* Mahnoush H. Arsanjani, Jacob Cogan, 2010-10-25 Throughout his career Michael Reisman emphasized law s function in shaping the future In this wide ranging collection of essays major thinkers in the international legal field address the goals of the twenty first century and how international law can address the needs of the world community
