Case study 1

Due to government funding cuts, many community care funds go unallocated and most care workers in some regions feel overwhelmed by their caseloads. Mary supervises a diverse team of community care workers. Her organisation has had a high turnover of staff recently and she wants to assist them to manage their stress.

1. Identify two (2) possible physical and two (2) behavioural indicators of significant issues relating to stress and emotional wellbeing that Mary should be alert for in individual team members.

Answer	Some indicators that Mary should consider are: • Physical: If it is observed that employee are getting constantly tired and gain or loss weight then it is a physical indicator and mary should focus on solving such problem. • Behaviours: we can notice this one if they are unable to concentrate and if they loss their confidence .
Outcome	☐ Satisfactory ☐ Not Satisfactory

2. What responsibility does Mary have in relation to communicating with staff about personal performance?

Answer	The responsibility that Mary has, it is as a primary duty of care of every staff member under her view. Its her responsibility to make sure that every team members have understand and accepted the guidelines of standards which are set by the company. She needs to be sure that are concrete, clearly explain and understood by every worker. This should be perform inorder to reduce stress for every staff and supervisor.
Outcome	☐ Satisfactory ☐ Not Satisfactory

3. Identify three (3) actions Mary can take to support individual staff members to manage stress.

Answer	Some actions that Mary can take to support her team to manage stress at work are: • Ensure appropriate and diverse workloads. • Build a workplace culture that normalises the risk of secondary trauma. • Making it easy for individuals to talk about it and get support for.
