Event Safety Guide

Aims to help those who organise music events so that the events run safely. Provides information needed by event organisers, their contractors and employees to help them satisfy the requirements of the Health and Safety at Work etc Act 1974 and associated regulations. It will also enable organisers to understand the needs of others concerned with events, such as the local authority and emergency services, with whom they will need to co-operate. Contains 33 chapters covering different types of venue, site provisions and facilities needed, management issues, relevant legislation. The respected industry standard for technicians working in live entertainment. Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. The next best thing to a personal genealogist, this guide gives you all the knowledge to trace your heritage, and sort through the vast amount of information online, in family scrapbooks, in libraries, and at courthouses.
