Fierce, the Complete Trilogy Ginger Voight, 2013-11-18 All three books of Ginger Voight's highly rated new adult saga Fierce Book 1 Fierce Book 2 Unstoppable Book 3 Epic Eighteen year old Jordi Hemphill had a dream It was much bigger than she was encouraged to have and much bigger than those around her thought she deserved These perceived limitations were all directly tied to her double digit figure With nothing else to lose Jordi makes a break for Los Angeles and that's where the fun begins Her audition tape lands in front of media mogul Graham Baxter and Jordi is cast on a new reality show called Fierce As a show billed to find talent outside of the picture perfect pop idol machine Jordi joins a cast of irregulars and nonconformists to vie for her opportunity to win over America for a chance to be a star It is the first of many instances where Jordi gets exactly what she thinks she wants but finds herself on a two year saga to find love to find success and ultimately self fulfillment Fierce The Complete Trilogy is a spin off of the best selling GROUPIE trilogy by Ginger Voight Many characters come back to help Jordi tell her story against the backdrop of fame celebrity and a life that dares to be bigger than anyone could ever dream *Epic*, 2013 Plus sized singing sensation Jordi Hemphill is on the quest of a lifetime Set adrift in the previous book Unstoppable she must fill new gaping holes in her family tree It begins as an escape but it ends up the ultimate confrontation of the demons that continue to haunt her from her abusive past Worse she still struggles through current scandals splashed on every tabloid for the world to see As a result her career stagnates while Jace Riga is on a rocket to super stardom tearing the star crossed lovers even further apart Though she has filed for divorce she is still regrettably tied to Eddie her weaselly husband in name only He gleefully proceeds with his plan to woo and ultimately con Jordi's estranged friend Shelby Goddard to tap into her family's wealth He moves to Tennessee to cozy up to her domineering father Coy who has just announced his run for the Senate Together he and Eddie get closer and closer to a seat of power while Shelby continues to languish in ill health and depression Jordi debates on whether she can make the sacrifice needed to save her friend but it could pound the final hammer into her career and end her own dreams of super stardom for good It doesn't help that a fellow musician Griffin Slade drives her insecurities even further down the tubes This unapologetic ladies man feeds into all of Jordi's insecurities as they are thrust together in project after project His aloof demeanor only underscores all the rest of her esteem issues all of which threaten to drive her back to her one true comfort food Jace remains stubbornly steadfast trying to save Jordi from her self destructive behavior But this final lesson Jordi has to learn alone She can no longer depend on Jace her family or the world giving her the validation she has been denied for so long She must dig deep work hard and let go or else she'll lose everything she's fought so hard to achieve In the end only Jordi can save Jordi This is her journey of self discovery and at long last self acceptance *Unstoppable*, 2013 His eyes were rimmed red when they met mine I die inside every time he touches you and there's nothing I can do about it You've made it clear that you're going

to go on with this sham of a marriage no matter who it hurts in the process You lie to everyone Jordi including the people you re supposed to love the most And I just can t take it anymore This is not the way I want to live my life I thought I was worth it I mumbled You have no idea what you re worth he said softly That s the problem In book 2 of the Fierce saga Jordi Hemphill has joined her true love Jace Riga on cross country tour with Giovanni Carnevale and Dreaming in Blue The star crossed lovers anticipate the freedom to explore their burgeoning relationship despite the continued complications of her ties to her tormentor Eddie Nix and Jace s new standing as a rock icon Nothing is as it seems which make the pair fodder for the rumor mill Forces from all directions threaten to tear them apart but it is Jordi s own insecurities that drive a wedge between the aspiring diva and her hero Author Ginger Voight further delves into the key issues that keep Jordi from defeating her demons once and for all This sweeping saga unearths revelations that will rock Jordi s world forever and set her on the path to the path to her story s epic conclusion *Heartbreak Warfare* Kate Stewart, Heather M. Moss,1987 Once enthroned as a major international filmmaker Carol Reed has long since been banished to a musty corner of movie history To dust off his work however is to discover a dazzling body of films a canon as remarkable for its diversity as its quality Building his case film by film Robert Moss argues persuasively for a reassessment of this gifted artist claiming a place for him in the ranks of the world's greatest directors Crime Films Thomas Leitch,2002-08-15 This book surveys the entire range of crime films including important subgenres such as the gangster film the private eye film film noir as well as the victim film the erotic thriller and the crime comedy Focusing on ten films that span the range of the twentieth century Thomas Leitch traces the transformation of the three leading figures that are common to all crime films the criminal the victim and the avenger Analyzing how each of the subgenres establishes oppositions among its ritual antagonists he shows how the distinctions among them become blurred throughout the course of

the century This blurring Leitch maintains reflects and fosters a deep social ambivalence towards crime and criminals while the criminal victim and avenger characters effectively map the shifting relations between subgenres such as the erotic thriller and the police film within the larger genre of crime film that informs them all

Voight, 2012-03-22 The Double A Ranch was established in the Texas Panhandle in 1886 and run by an Austin for more than a hundred years Jessica Austin had accepted this mantle with pride when her beloved parents died just after her 21st birthday and worked hard to ensure that her ancestral home was secure It was the only thing she had left and the only thing that she trusted As a young woman she faced an uphill battle establishing authority over a crew of men By the time she was almost 30 she thought she had things pretty much in control including her steadfast single status She packed dozens of extra pounds on top of her bad attitude toward cocky cowboys to ensure that she d neither tempt or be tempted Everything was going along as planned until one stormy afternoon when strange and arrogant man happened upon her innocently skinny dipping in a secluded creek Dalton McBride was the most infuriating and cocky cowboy she d met yet especially when he finagled his way onto the payroll It soon became all too apparent to Jessica that he was the most dangerous kind of man there was She wanted him as much as he wanted her When her lawyer confided that she might lose her beloved homestead if she doesn t come up with a groom pronto Dalton let her know he was all too eager to offer his temporary services as a husband for hire Jessica accepted the business proposal but gave away much more than that For the first time in her life she had fallen in love She only had twelve months to call Dalton her man and all she could hope was that by the year s end he d love her far too much to leave Heartache joy heat and desire all await Jessica under unpredictable Texas skies
