The magical unicorn offers wisdom and guidance in this enchanting tarot deck. The Lal Kitab, a rare book in urdu, was popular in north-west India, Pakistan, Iran and many other countries. This English version has added new dimensions to make it more lucid and easier to understand. Everyone needs to relate to something else that they own or possess. This book is a mix of experience and study where matter is presented to you in a simplified form. The reader will be able to connect the cards with their experiences, which will help them to understand not only the cards but also their own life situation. The major arcana comes with images that can be focused on for meditation purpose to gain a better perspective about the card or for your own personal healing. These images also come with practical, easy-to-follow solutions presented as something else to make significant efforts for healing your lives and improvise the reading. This book is a great guide for anyone who wants clarity about cards and their meanings. Rendered in the rich style of traditional Chinese artwork, the vibrant colors and clear messages of The Chinese Tarot Deck offer an aesthetic and accessible tarot experience. Jui Guoliang has created elegant ink and watercolor designs that skillfully blend archetypal symbols of Ancient Chinese literature, legend, philosophy, and culture. The Major Arcana draws upon the benevolent wisdom and insight of inspirational figures such as Confucius, Kuan Yin, and Chang Tao Ling, the Heavenly Master. The fully pictorial Minor Arcana are equally endowed with the lessons of Chinese history. The booklet by Stuart R Kaplan offers a description of each card's symbolism, with both upright and reversed meanings. The Fountain Tarot: Illustrated Deck and Guidebook includes: - 79 silver-gilded cards with original oil paintings and die-cut rounded corners - 112-page guidebook - Holographic shimmer box with magnetic-closure and lifting ribbon The Fountain Tarot is a bold re-envisioning of the classic tarot deck, bringing the traditional archetypes and symbology of tarot into a contemporary context. This boxed set features lush, ethereal paintings by artist Jonathan Saiz, rainbow holographic packaging by designer Andi Todaro, and an intimate guidebook by writer Jason Gruhl that teaches you how to read the cards and how to use them as a tool for introspection, empowerment, and connection. The Fountain is the unchanging, unnamable force of which everything and nothing are a part. Whether you're selecting a card to set the tone for your day, invigorate creative energy, or navigate a specific question, The Fountain Tarot helps you to unlock your deepest longings and greatest potential. The practice of divination can be traced back more than 30,000 years—and it is still practiced today. A feng shui book specifically for teens. • Shows how to create balanced teen environments that promote personal development and positive self expression. • Tailors solutions to teen spaces: bedrooms, dormitories, desks, drawers, and lockers. • Shows how, when, and where to use music, incense, and posters. • Addresses real teen issues such as body image, tattoos and piercings, and cigarettes and other drugs. Teen Feng Shui demonstrates how the universal principles behind the design practice of feng shui can be applied to the contemporary environments of teenagers--from school lockers to dorm rooms--in order to maximize personal power, develop harmonious relationships, and define personal space. Noting that all books on feng shui are created for adults, Susan Levitt has provided a resource geared specifically toward the needs and realities of the teenage experience, addressing how young adults can design their living spaces to transform their lives. She describes how music, posters, and incense can influence space and includes before-and-after illustrations of feng shui "fixes." Teen Feng Shui also incorporates Chinese astrology, financial management and shopping tips for teens, insights on love and sex, personal stories, and case studies to provide a fun and comprehensive guide to this ancient art of placement. Delve deeper into the wisdom of the Tarot with this one-of-a-kind, hands-on guide The perfect companion to any Tarot deck, The Mythic Tarot Workbook offers a variety of card spreads and creative exercises to help readers learn more about

the imagery and symbolism of each card in the deck. Understanding the nature of each card brings a deeper sense of knowledge and insight to every Tarot reading, and with this workbook as a guide, every Tarot enthusiast -- whether beginning or advanced -- can become a more proficient reader. Here You Will Find: Guided imagery exercises and meditations to help you concentrate Suggestions for coloring and drawing so you can become more familiar with the card images Seven different card spreads offering you new ways to conduct and interpret readings Blank lines and pages interspersed throughout, so you can note your reactions to the cards and record the insights revealed in readings For the first time in English, Benbell Wen reveals the rich history and theoretical principles underlying the ancient practice of crafting Fu talismans, or magical sigils, in the Chinese Taoist tradition and gives detailed instructions for modern practitioners who would like to craft their own Fu. Fu talismans are ideograms and writings typically rendered on paper and empowered by means of invocations, ritual, and transferences of energy, or Qi. Talismans can be used for many purposes, such as strengthening or weakening personality characteristics, finding love, earning more money, or easing emotional tensions in the home. The Tao of Craft shows how metaphysical energy can be harnessed to amplify, strengthen, weaken, dispel, or block other metaphysical energy and to rectify perceived imbalances in the material plane. Supported by an abundance of detailed charts and images, this book serves as a step-by-step handbook that gives readers the knowledge and confidence to craft their own Fu talismans for personal empowerment. Wen, author of Holistic Tarot, delves into historic and cultural contexts of the Fu, from the neolithic period of Chinese history to contemporary practices of esoteric Taoism. Providing a solid foundation in the principles of Eastern spellcrafting, she highlights the blending of Taoist metaphysical practices with Western approaches to magic by pointing out eclectic, integrating, and harmonizing facets from other cultures and religions. Historically, Fu talismans were used by medieval Chinese for alleviating illness; averting misfortune, magical attacks, and curses; defending against assaults; and avoiding poverty. This book shows Western practitioners that the skill and knowledge to develop an interactive relationship with spirit realms are still available to them today, and serves as a practical handbook for accumulating Qi energy from sources in the environment and channeling it in concentrated form into their own Fu talismans. /U.S. Games Systems, Inc. This guide brings Chinese astrology back to its ancient roots, providing all the information you need for understanding one of the world's oldest systems of divination. The ancient Chinese people developed a sophisticated science of astrology that continues to have profound influence in China today. Rooted in the fundamentals of Taoism, it evolved into a system vastly different from Western astrology. Rather than determining personality by the time of the year in which you are born, in Taoist astrology it is the year itself that determines your character. The years form a twelve-year cycle of signs, each named after an animal. Additionally, your personality depends on which of the five traditional Taoist elements you are born under--water, wood, fire, earth, or metal. This makes for a cycle of sixty unique signs. Taoist Astrology includes information for each sign's personality, compatibility, child-parent relations, and rising and falling fortunes during the twelve-year cycle. Discussions of yin and yang, Confucianism and Buddhism, Taoist alchemy, and the connection between Taoist astrology and Western astrology give you all the background you need for understanding one of the oldest systems of divination known to humanity. Taoist Astrology differs from other books on the subject by grounding its concepts in the ancient traditions from which it originated. All the properly adjusted Feng Shui in the world is worthless if your personal vibration isn't ready for what your improved environment can do for you.
