The Designated Mourner Jul 04 2023 “The play nicely combines Pinterian menace with caustic political commentary.” -Time “Acerbic, elusive, poetic and chilling, the writing is demanding in a rarefied manner. Its implications are both affecting and disturbing.” -Los Angeles Times “In his exquisitely written dramatic lament for the decline of high culture. . . . [Shawn] offers a definition of the self that should rattle the defenses of intellectual snobs everywhere.” -The New York Times Writer and performer Wallace Shawn’s landmark 1996 play features three characters—a respected poet, his daughter, and her English-professor husband—suspected of subversion in a world where culture has come under the control of the ruling oligarchy. Told through three interwoven monologues, the Orwellian political story is recounted alongside the visceral dissolution of a marriage. The play debuted at the Royal National Theatre in London, in a production directed by David Hare, who also directed the film version, starring Mike Nichols and Miranda Richardson. The play’s subsequent New York premiere was staged in a long-abandoned men’s club in lower Manhattan, directed by Shawn’s longtime collaborator

André Gregory. Wallace Shawn is the author of *Our Late Night* (OBIE Award for Best Play), *Marie and Bruce*, *Aunt Dan and Lemon*, *The Fever*, and the screenplay for *My Dinner with André*. His most recent play, *Grasses of a Thousand Colors*, premiered last year in London.

The Mourner Jan 10 2024 While out walking with his fiancé Juliet in Virginia Waters, a young Neville stumbles across the unmarked grave of his childhood friend, Ellen. Juliet demands to know the truth and Neville is forced to reveal a long held secret and face up to his heart-breaking past. 'The Mourner (1829) is a classic, short story by the English writer Mary Shelley, famous for her best-selling novel 'Frankenstein'. This tale is a reflection of the grief and guilt experienced by Shelley after her husband, Percy Bysshe Shelley drowned at sea. Mary Shelley (1797-1851) was an English author and travel writer best known for her ground-breaking Gothic novel 'Frankenstein' (1818). Considered one of the first true

works of science-fiction, the book became an instant bestseller. It has been adapted for TV, stage and film on many occasions, with Boris Karloff famously playing Frankenstein's monster on screen in 1933. Other adaptations include 'Mary Shelley's Frankenstein' (1994) starring Kenneth Branagh and Robert De Niro and 'Viktor Frankenstein' (2015) starring Daniel Radcliffe and James McAvoy. Shelley's other novels include Valperga (1823), The Last Man (1826), Perkin Warbeck (1830), Lodore (1835), Falkner (1837) and the posthumously published Mathilde (1959). However, she will always be remembered as the creator of Frankenstein. The book continues to influence filmmakers, writers and popular culture to this day, inspiring and terrifying new audiences the world over.

The Mourner's Dance Feb 11 2024 There is no doubt that the death of a loved one has a profound - and unpredictable - effect on the lives of those left behind. Mourning is the price we pay for love. But how does anyone survive those first weeks, months, and even years after a death, and then eventually return to normal life? When her daughter's fiancé died suddenly, Katherine Ashenburg found herself drawn into the world of mourning customs. Finding little comfort in the stripped-down North American approach, she sought solace, and shaped the core of this much-praised book, by exploring the rich traditions that have sustained mourners in cultures

around the world and across centuries. Intertwining anecdotes from past and present with her own story, Ashenburg uncovers the wisdom and creativity embedded in mourning rituals and their value in rebuilding those unravelled by loss. Somehow, as Ashenburg so deftly reveals, we find strength and go on living. With a new afterword by the author.

Saying Kaddish May 10 2021 From beloved New York Times bestselling author and award-winning journalist—the definitive guide to Judaism’s end-of-life rituals, revised and updated for Jews of all backgrounds and beliefs. From caring for the dying to honoring the dead, Anita Diamant explains the Jewish practices that make mourning a loved one an opportunity to experience the full range of emotions—grief, anger, fear, guilt, relief—and take comfort in the idea that the memory of the deceased is bound up in our lives and actions. In *Saying Kaddish* you will find suggestions for conducting a funeral and for observing the shiva week, the shloshim month, the year of Kaddish, the annual yahrzeit, and the Yizkor service. There are also chapters on coping with particular losses—such as the death of a child and suicide—and on children as mourners, mourning non-Jewish loved ones, and the bereavement that accompanies miscarriage. Diamant also offers advice on how to apply traditional views of the sacredness of life to hospice and palliative care. Reflecting the ways

that ancient rituals and customs have been adapted in light of contemporary wisdom and needs, she includes updated sections on taharah (preparation of the body for burial) and on using ritual immersion in a mikveh to mark the stages of bereavement. And, celebrating a Judaism that has become inclusive and welcoming. Diamant highlights rituals, prayers, and customs that will be meaningful to Jews-by-choice, Jews of color, and LGBTQ Jews. Concluding chapters discuss Jewish perspectives on writing a will, creating healthcare directives, making final arrangements, and composing an ethical will.

The Journey Through Grief Dec 09 2023 This spiritual companion for mourners affirms their need to mourn and invites them to journey through their very unique and personal grief. Detailed are the six needs that all mourners must yield to and eventually embrace if they are to go on to find continued meaning in life and living, including the need to remember the deceased loved one and the need for support from others. Short explanations of each mourning need are followed by brief, spiritual passages that, when read slowly and reflectively, help mourners work through their unique thoughts and feelings. Also included in this revised edition are journaling sections for mourners to write out their personal responses to each of the six needs. This replaces 1879651114.

When a Jew Dies Jan 18 2022 "Samuel Heilman has walked the mourner's path both as an anthropologist observing the socio-cultural death practices of the

Jewish community, and as a bereaved son grieving the loss of a beloved father. In the wake of his successful navigation through these two worlds—academic and personal—he presents an acute understanding of the detailed intricacies of the cycle of Jewish rituals from deathbed to burial, from mourning to memorialization. Heilman emerges from his journey through grief with a wise and seasoned appreciation of the symbols and practices which are at the foundation of Jewish life and culture. When a Jew Dies provides an insightful roadmap to the subtle and profound vicissitudes of grief in the Jewish tradition. For mourner and scholar alike, this is a book to be savored, a friend to walk with, a companion with which to explore the reality of the walk through the valley of the shadow of death."—Simcha Raphael, author of Jewish Views of the Afterlife "Heilman has an unusually keen sense of perception and ability to put everything into an almost universal, social scientific perspective while, at the same time, retaining his personal ties, thought and feelings. As in his previous work, he here examines something that almost every traditional Jew is familiar with, and gives it new perspectives and new meaning. When a Jew Dies includes significant discussion of prevalent customs and the Jewish bases for them. The author's particularistic-universalistic synthesis as well as his deeply-rooted, personal-scholarly synthesis set this book apart from all others."—Chaim I. Waxman, Professor of Sociology at Rutgers University and author of America's Jews in Transition "Heilman offers

a unique synthesis of historical scholarship and ethnographic description in this rich account of the complex processes by which Judaism brings the dying to the end of life and the mourning to the end of grief and a return to life. This is, as far as I know, the only study combining the legal-historical, social-historical, and ethnographic perspectives in a single volume. It offers a remarkable glimpse of how one sector of contemporary Jewry confronts the reality of death and transfigures it."—Martin S. Jaffee, author of *Torah in the Mouth*

[The Mourner's Book](#) Sep 25 2022 *The Mourners Book* is a touching collection of poetry that speaks to the universal experience of grief. Penned by an anonymous author known only as 'Lady', these poems express the pain and sorrow of losing a loved one, while also offering words of comfort and solace. This beautiful volume is a must-read for anyone who has experienced loss. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Mourner's Bench May 14 2024 At the First Baptist Church of Maebay, Arkansas, the sins of the child belonged to the parents until the child turned thirteen. Sarah Jones was only eight years old in the summer of 1964, but with her mother Esther Mae on eight prayer lists and flipping around town with the generally mistrusted civil rights organizers, Sarah believed it was time to get baptized and take responsibility for her own sins. That would mean sitting on the mourner's bench come revival, waiting for her sign, and then testifying in front of the whole church. But first, Sarah would need to navigate the growing tensions of small-town Arkansas in the 1960s. Both smarter and more serious than her years (a "fifty-year-old mind in an eight-year-old body," according to Esther), Sarah was torn between the traditions, religion, and work ethic of her community and the progressive civil rights and feminist politics of her mother, who had recently returned from art school in Chicago. When organizers from the Student Non-Violent Coordinating Committee (SNCC) came to town just as the revival was beginning, Sarah couldn't help but be caught up in the turmoil. Most folks just wanted to keep the peace, and Reverend Jefferson called the SNCC organizers "the evil among us." But her mother, along with local civil rights activist Carrie Dilworth, the SNCC organizers, Daisy Bates, attorney John Walker, and indeed most of the country, seemed

determined to push Maeby toward integration. With characters as vibrant and evocative as their setting, Mourner's Bench is the story of a young girl coming to terms with religion, racism, and feminism while also navigating the terrain of early adolescence and trying to settle into her place in her family and community.

Grief in Our Seasons Apr 01 2023 Jewish tradition encourages study as a way of honoring the memory of those who are no longer among us. *Grief in Our Seasons* offers a comforting link between study and the tradition of saying Kaddish, helping those who are mourning to heal at their own pace and to cherish the memory of their loved ones each and every day. Each section of *Grief in Our Seasons* is devoted to a stage of mourning, providing daily readings from sacred Jewish texts and words of inspiration, comfort, and understanding. "Meditations Before Saying Kaddish" share the insights of others who have faced the challenges of mourning, and tell how they found solace during the process.

The Jewish Book of Grief and Healing Oct 27 2022 Wisdom, solace and inspiration from Jewish tradition to bring you hope and healing after loss. "Mourning can open doors you may not have imagined before your life was shaken by loss. This book provides keys to those doors and a way into the rooms beyond them. Whether you stand at grief's threshold or give counsel to someone who does, this book can offer guidance.... With words of wisdom, ranging from comforting to

provocative, each author stands at the entrance to one of mourning's doors, extending a hand to offer the key you will need, inviting you into one of these deep conversations." —from the Preface by Rabbi Anne Brener, LCSW

Beloved and respected spiritual leaders from across the Jewish denominational spectrum share insights from their experience, Jewish tradition and their personal encounters with grief and healing. This wide range of perspectives, offered with grace and compassion, will be a treasured resource in your time of grief. Whether mourning a recent loss or experiencing pain from old scars, you will be encouraged and challenged to be fully, vulnerably present to your emotions; forgive your own shortcomings and those of others; and remain open to love despite pain and uncertainty. The Jewish encyclopedia: a descriptive record of the history, religion, literature, and customs of

the Jewish people from the earliest times to the present day Sep 13 2021

Mourning and Mitzvah (25th Anniversary Edition) May 02 2023 Fully revised with a new author's preface, epilogue, and over a dozen new guided exercises, Anne Brener brings us an innovative integration of Jewish tradition and modern professional resources in this 25th anniversary edition of a modern classic. Mourning & Mitzvah gives spiritual insight and healing wisdom to those who mourn a death, to those who would help them, and to those who face a loss of any kind Mourning & Mitzvah teaches you the power and strength available to you in the fully experienced mourning process. When the temple stood in the ancient city of Jerusalem, mourners walked through the gates and into the courtyard along a specifically designated mourner's path. As they walked, they came face to face with all the other members of the community, who greeted them with the ancestor of the blessing, "May God comfort you among the mourners of Zion and Jerusalem." In this way, the community embraced those suffering bereavement, yet allowed for unique experiences of grief.

Kaddish Feb 28 2023 A National Jewish Book Award-winning autobiography that's "an astonishing fusion of learning and psychic intensity; its poignance and lucidity should be an authentic benefit to readers, Jewish and gentile" (The New York Times Book Review). Children have obligations to their parents:

the Talmud says "one must honor him in life and one must honor him in death." Beside his father's grave, a diligent but doubting son begins the mourner's kaddish and realizes he needs to know more about the prayer issuing from his lips. So begins Leon Wieseltier's National Jewish Book Award-winning autobiography, *Kaddish*, the spiritual journal of a man commanded by Jewish law to recite a prayer three times daily for a year and driven, by ardor of inquiry, to explore its origins. Here is one man's urgent exploration of Jewish liturgy and law, from the 10th-century legend of a wayward ghost to the speculations of medieval scholars on the grief of God to the perplexities of a modern rabbi in the Kovno ghetto. Here too is a mourner's unmannered response to the questions of fate, freedom, and faith stirred in death's wake. Lyric, learned, and deeply moving, Wieseltier's *Kaddish* is a narrative suffused with love: a son's embracing the tradition bequeathed to him by his father, a scholar's savoring their beauty he was taught to uncover, and a writer's revealing it, proudly, unadorned, to the reader.

[The Mourner](#) Aug 05 2023 *The Mourner* is a story of convergence—of cultures and of guys with guns. Hot on the trail of a statue stolen from a fifteenth-century French tomb, Parker enters a world of eccentric art collectors, greedy foreign officials, and shady KGB agents. Hired by a shifty dame who has something he needs, Parker will find out just who intends to bury whom—and who he needs to kill to finish the job.

Life and Death. A sermon [on Phil. i. 21], etc Jun 10 2021

Hope Mar 12 2024 Addressing the inevitable grief that accompanies the loss of a loved one, this encouraging and supportive reference provides comfort in the midst of overwhelming sadness. Preventing mourners from becoming tangled in a web of despair, this guide shows how the smallest amount of hope can be nurtured into a confident sense of being, lighting the path towards a future of love, joy, and meaning. Featuring a series of reflective passages and quotations, this handbook makes it possible to roll up one's sleeves and make healing a reality.

The Fighting Rabbis Aug 13 2021 Slomovitz refutes the common belief that the U.S. military itself has been a hostile place for Jews, in the process providing a unique perspective on American religious history.

The Mourner's Song Jul 24 2022 No matter when or where they are fought, all wars have one thing in common: a relentless progression to monuments and memorials for the dead. Likewise all art made from war begins and ends in mourning and remembrance. In *The Mourner's Song*, James Tatum offers incisive discussions of physical and literary memorials

constructed in the wake of war, from the Vietnam Veterans Memorial to the writings of Stephen Crane, Edmund Wilson, Tim O'Brien, and Robert Lowell. Tatum's touchstone throughout is the Iliad, not just one of the earliest war poems, but also one of the most powerful examples of the way poetry can be a tribute to and consolation for what is lost in war. Reading the Iliad alongside later works inspired by war, Tatum reveals how the forms and processes of art convert mourning to memorial. He examines the role of remembrance and the distance from war it requires; the significance of landscape in memorialization; the artifacts of war that fire the imagination; the intimate relationship between war and love and its effects on the ferocity with which soldiers wage battle; and finally, the idea of memorialization itself. Because all survivors suffer the losses of war, Tatum's is a story of both victims and victors, commanders and soldiers, women and men. Photographs of war memorials in Vietnam, France, and the United States beautifully augment his testimonials. Eloquent and deeply moving, *The Mourner's Song* will speak to anyone interested in the literature of war and the relevance of the classics to our most pressing contemporary needs.
