door in every one of us that leads to our imagination a world where anything is possible Dou you dare to embark on the most wonderful journey to our inner self One day when I was reading my story I breathed in one of the words and something magical happened I entered my imagination We have always been told about the power of imagination but what is imagination How does it work There is a magical place where you can always be yourself In there you can turn on your light and illuminate your life with it That place is your imagination Your imagination has a life and a voice of its own It is like a voice that speaks inside of you and paints everything around you with vivid colors Within your imagination you are the king or queen of your creation Open the door and discover how that place where we can always be ourselves is like and how does it work And within your imagination what is there Read the first pages of Inside my imagination here below **The Schwa was Here** Neal Shusterman,2006-03-02 They say his clothes blend into the background no matter where he stands They say a lot of things about the Schwa but one thing s for sure no one ever noticed him Except me My name is Antsy Bonano and I was the one who realized the Schwa was functionally invisible and used him to make some big bucks But I was also the one who caused him more grief than a friend should So if you all just shut up and listen I ll tell you everything there is to know about the Schwa from how he got his name to what really happened with his mom I ll spill everything Unless of course the Schwa Effect wipes him out of my brain before I m done *Breaking glass* Blandine D'angelo,2022
