Caged in Darkness Jul 23 2023 ISAAC Getting kicked out of the army was the worst day of my life. I never thought I'd find direction again, until my brother suggested I prospect for the Black Death Riders Motorcycle Club. I wanted brotherhood, loyalty, and respect. I didn't expect to find him. Thanatos. He's the devil on a steel horse and I'm falling for him. He has demons, a darkness caging him that I can't break through. If I'm not careful, he might drag us both into the abyss. THANATOS Ever since my sister was killed, I've been on a path of self-destruction. They don't call me after Death for no reason. I've slain more men than I can count, and I did it with a smile. I'm broken, destroyed, living in torment and I don't deserve one moment of happiness--until Isaac walks into my life, and I find I want all of that and more. But my path of destruction has put my club on the radar of people who will kill us all without a second thought. I never considered the consequences of my war with them, until Isaac got in their path. Now, the only good thing I've ever had in my life might be taken from me, and there's nothing I can do about it. *Warning : Contains adult content, reading age 18 +. Good and Cheap May 01 2024 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Sacred Men Aug 24 2023 Between 1944 and 1949 the United States Navy held a war crimes tribunal that tried Japanese nationals and members of Guam's indigenous Chamorro population who had worked for Japan's military government. In *Sacred Men* Keith L. Camacho traces the tribunal's legacy and its role in shaping contemporary domestic and international laws regarding combatants, jurisdiction, and property. Drawing on Giorgio Agamben's notions of bare life and Chamorro concepts of retribution, Camacho demonstrates how the U.S. tribunal used and justified the imprisonment, torture, murder, and exiling of accused Japanese and Chamorro war criminals in order to institute a new American political order. This U.S. disciplinary logic in Guam, Camacho argues, continues to directly inform the ideology used to justify the Guantánamo Bay detention center, the torture and enhanced interrogation of enemy combatants, and the American carceral state.

Paolo Veneziano's Coronation of the Virgin Jun 02 2024 This magnificent panel--the most important work by the 14th-century Venetian outside Europe--presents the Virgin and Christ in sumptuous garments and a choir of angels playing portable organs, lutes, trumpets, tambourines, and other instruments. The Coronation of the Virgin is recounted not in the New Testament but in the apocryphal story of the Virgin's death. In many Coronation scenes painted by Paolo and other Venetian artists a sun and a moon accompany the principal figures, the sun from early times being associated with Christ and the moon with the Virgin. The angels singing and playing musical instruments in the Frick panel symbolize the harmony of the universe; their instruments are the authentic components of a medieval orchestra, accurately depicted and correctly held and played. The inscription along the base of the throne is drawn from the Eastertide antiphon *Regina coeli*. The decorative sparkle of the surface -- with its brilliant, expensive colors, patterned textiles, and lavish gold leaf -- reflects the Venetians' love of luxury, a taste that enriches as well much of fourteenth- and fifteenth-century architecture in Venice.
