Deadbreak Jorge Sanchez,2018-12-28 It s been three long years since Deadbreak That s what everyone s calling it the day the dead rose Every day since then Jeremiah Reid has had one goal to make his way to his daughter It s a new world out there and no one is safe People are meaner cities are in ruin supplies are scarce If he s going to have a chance he ll need his wits a little bit of luck and lots of ammo      *Euphoria Z* Luke Ahearn,2014-04-24 WARNING *Euphoria Z* is NOT for the timid Crazy Can t wait for the next one while there is plenty of putrid zombiness here there is soooooo much more It s nice to find a new idea on how people came to be zombies Civilization shuts down as the world s population fills the streets in a deadly orgy They feel only pleasure and never pain even as they are injured maimed and mutilated The few who remain unaffected struggle to survive unaware that things are about to get unbelievably worse Cooper is among the few survivors of a conspiracy to depopulate the world One week ago college was his biggest concern Now he is on a perilous journey to find his sister But zombies aren t the only threat he faces In this nightmarish reality the living can be far more dangerous      Dead Cities Chris Philbrook,2021-01-29 Like a brick at a birthday cake Shoreham Port in Brighton England has been secured by Adrian Ring alongside his friends with the five Navy

ships that made the trans Atlantic voyage to find the European Trinity He must find the Soul the Scribe and the Warden and get them on their path as he walked his but there are obstacles The undead in Europe are faster and stronger than anything they ve encountered and the survivors here are hungry and desperate for help They can t fight every zombie but each one they pass could be a lethal threat to their own people or to the locals who ve fought hard to survive Luckily he encounters a small well armed group of car equipped survivors led by a friendly man calling himself Chief who dwarfs even the burly Adrian They decide to work together to procure ground vehicles for the march north But Chief isn t the savior he s pretended to be and there are far more monsters roaming in the dark of the old world than Adrian is prepared to face Dead Cities contains Adrian s Journal entries from September 9th 2014 through November 27th 2014 It also contains the side fictions The Ghost in the Boiler Room Rachel and Mara Fetters Sanctuary and Ernest Goes for a Walk *A Shrouded World - Whistlers* Mark Tufo,John O'Brien,2014-08-12 When two worlds collide Jack Walker and Michael Talbot come from two worlds the same yet different They both find themselves transported into an alien one where things aren t as they seem While it appears similar to the ones they come from there are some terrifying differences Is it a dream Or has reality been somehow warped Jack comes from a world filled with nocturnal creatures that were once human but now seek to destroy the last vestiges of humanity Mike living under a constant threat from hordes of the undead arrives with a companion John the Tripper Ripped away from their family members and thrown into the unknown they find that the nightmares from their worlds have preceded them Survival becomes moment to moment as they encounter old dangers and new Each wants nothing more than to be reunited with their loved ones With dangers lurking around every corner they seek to unravel the mystery that brought them It may be a long road ahead but they begin by taking the first step hoping the next one will be the one that takes them home [Zombie Fallout 13](#) Mark Tufo,2019-12-02 Mike and his squad launch a rescue for Trip but nefarious forces have aligned against them He marshals his team together but will it be enough Etna Station and everything Mike cares about is on the brink of collapse All will be lost unless Mike can convince his team to heed the crazed warnings of an old friend Against all odds they must make a dangerous journey leaving all at the mercy of a familiar foe who won t rest until the world is brought to its knees Will the universe regain balance Or will fate finally be sealed against our heroes Find out in the pages of what may be the most action packed chapter of the *Zombie Fallout* saga thus far *United States of Apocalypse* Mark Tufo,Armand Rosamilia,2016-05-11 When World War 3 erupts on American soil it is up to some less than likely heroes to band together and stand tall against any and all comers as a once proud nation is brought to her knees Cowardly terrorist attacks and indifferent Global communities have isolated America as she spirals into a desperate bid for survival Follow Darlene Bobich and her group on the west coast along with Michael Talbot on the east coast as they do everything in their power to thwart those that would take everything that they and all of us are away *Zombie Lake* Javan Bonds,2017-02-21 Mo Collins had been sailing around America s rivers in a replica pirate ship but now he s the reluctant

Hero of a growing cast of survivors in a zombie apocalypse There s The Expert The Tech The Oracle The Sacrifice and the list keeps growing and growing Reality mimics fiction as Mo and his crazy band of followers play their roles gather more characters and begin to carve out an island sanctuary in this plague ridden world Only here the monsters are blue naked yellow eyed and roam the night seeking untainted flesh not to mention leaving a disgusting mess in their wake it s like a horror show Welcome aboard friend to Zombie Lake where the fish bite the Zombies bite sometimes life bites [Zombie Fallout 6 'Til Death Do Us Part](#) Mark Tufo,2012-09-30 BT Gary and Mrs Deneaux race to the Talbot compound in a desperate bid to turn the tides of a lost war Is Michael dead Is the question plaguing the Talbots as they prepare for the final showdown with a merciless enemy hell bent on their absolute destruction
