The Hiram Key Revisited Christopher Knight, Alan Butler, 2014-04-08 THE MOST COMPREHENSIVE AND COMPELLING BOOK EVER WRITTEN ABOUT THE SECRET SOCIETY THAT SHAPED THE MODERN WORLD Freemasonry with its arcane rituals occult symbols and labyrinthine hierarchy has mystified the outside world for centuries But it has become apparent that even the most senior Freemasons do not understand its ancient origins or purpose So what is this powerful and arcane organization really for In this eye opening account two seasoned researchers show that today s Freemasons are the spiritual descendants of an ancient priesthood that was forced to act in secrecy They predicted the birth of the coming Messiah and Jesus Christ was part of their mission Soon after the Crucifixion they were nearly wiped out by a program of mass genocide conducted by the Romans later in feudal Europe they grew to a position of unparalleled power before being branded as heretics and forced underground But they could not be stopped and they continued to work in subtle sometimes subversive always anonymous ways to pursue their objective a new world order that put God above and yet out of human affairs

Who Built the Moon? Christopher Knight, Alan Butler, 2014-03-11 The authors of Civilization One return bringing new evidence about the Moon that will shake up our world Christopher Knight and Alan Butler realized that the ancient system of geometry they presented in their earlier breakthrough study works as perfectly for the Moon as it does the Earth On further investigation they found a consistent sequence of beautiful integer numbers when looking at every major aspect of the Moon no such pattern emerges for any other planet or moon in the solar system In addition Knight and Butler discovered that the Moon possesses few or no heavy metals and has no core something that should not be possible Their persuasive conclusion if higher life only developed on Earth because the Moon is exactly what it is and where it is it becomes unreasonable to cling to the idea that the Moon is a natural object The only question that remains is who built it

Uriel's Machine Christopher Knight, Robert Lomas, 2012-01-31 What is the standard view of history is completely wrong What if science and writing developed from an advanced prehistoric civilisation in the British Isles What is written evidence in the Dead Sea Scrolls records megalithic history and provides the plans for a machine that could rebuild civilisation following a global catastrophe And what if Jesus and his brother James were practitioners of megalithic astronomy In URIEL S MACHINE Knight Lomas offer powerful new evidence that our planet was hit by seven mountain sized lumps of comet creating a series of giant waves that ripped across the globe Putting together the latest findings of leading geologists with their own sensational new archaeological discoveries they show how a civilisation emerged and was able to build an international network of sophisticated astronomical observatories which provided accurate calendars could measure the diameter of the planet and accurately predict comet impact years in advance The revelation that this is the true purpose of the great megalithic sites in Western Europe built long before the Egyptian pyramids

Civilization One: The World is Not as You Thought it Was Christopher Knight, Alan Butler, 2014-01-30 one of the biggest breakthroughs of all times this is the definitive proof that civilisation is thousands of years older than historians believe Colin Wilson A breakthrough book The last four thousand years are never going to be the same again Graham Hancock This is the amazing story of how a quest to try to crack the mystery of the Megalithic Yard an ancient unit of linear measurement led to the discovery of compelling evidence pointing to the existence of an unknown highly advanced culture which was the precursor to the earliest known civilizations such as the Sumerians and the Egyptians There must have been a Civilization One Knight and Butler reveal the secrets of an extraordinary integrated measuring system which might have been lost to the world for ever It was a system far more advanced than anything used today which forms the basis of both the Imperial and Metric measure systems These ancient scientists understood the dimensions motions and relationships of the Earth Moon and Sun they measured the solar system and even understood how the speed of light was integrated into the movements of our planet Their conclusions fly in the face of everything that we thought we knew about the origins of the modern world but the evidence is incontrovertible And the implications of these revelations go far beyond the fascination of the discovery of a super science of prehistory they indicate a grand plan which will have far reaching theological ramifications

Before the Pyramids Christopher Knight, Alan Butler, 2014-03-04 This page turning study of the Giza pyramids British henges and the megalithic measuring system could completely change the way we view our remote past and origins Robert G Bauval author of The Orion Mystery The suggestion that the Giza pyramids were laid out to represent the stars of Orion s belt with the position of the River Nile reflecting the Milky Way was first put forward by the renowned author Robert Bauval in his bestselling book The Orion Mystery In Before the Pyramids Christopher Knight and Alan Butler reveal that the British henges were arranged in the same formation but much earlier They also present irrefutable evidence that the astronomical calculations determining the layout of the pyramids could only have been made from the site of the henges in North Yorkshire From this they can conclude that the pyramids of the pharaohs were conceived and planned in Britain Their next stunning discovery takes us to modern times They have found evidence that the whole Megalithic measuring system has survived into the 20th century There are examples in Washington DC even in the positioning and construction of the Pentagon which was only commenced in 1942 and is an exact copy of the dimensions of Stonehenge dating to 3 000 BC
