Gulf Uniform Supply, Inc. (GUS), a merchandising business, is organized as a corporation. The business sells a complete line of uniforms for a variety of businesses and organizations, including schools, medical offices, and retail stores. GUS is located in an open-area shopping center and is open for business Monday through Saturday. A monthly rent is paid for its store space in the shopping center. GUS accepts credit sales for approved customers and credit cards from individual customers.

ATTENTION: The steps in this problem will vary from those in your text. Although the steps occur in a different order, the actions are the same. Therefore, the transactions will ultimately be journalized and posted to the ledgers properly.

Journalize the transactions completed during December of the current year. GUS offers sales terms of 2/10, n/30. The sales tax rate is 6%. In the list of transactions, source documents are abbreviated as follows: check, C; memorandum, M; purchase invoice, P; receipt, R; sales invoice, S; terminal summary, TS; debit memorandum, DM; credit memorandum, CM. When journalizing, no P is required in the Purch. No. column of the purchases journal, no S is required in the Sale No. column of the sales journal, and no C is required in the Cr. No. column of the cash payments journal.

F. Skinner,2016-04-26 On Parent s Day in 1952 B F Skinner visited his daughter s fourth grade math class As he watched the lesson he became increasingly uncomfortable Almost every principle of effective teaching that he had studied for more than 20 years was being violated in that classroom Yet it was a typical class The teacher showed how to solve the day s problems then gave the students a worksheet to do Some children began to work readily while others shifted uncomfortably in their chairs or raised their hands for help The teacher went from desk to desk giving help and feedback Skinner knew what was needed Each student should be given a problem tailored precisely to his or her skill level not to the class average and every answer needed to be assessed immediately to determine the next step The task was clearly impossible for one teacher That afternoon Skinner set to work on a teaching machine Today s computers have made the mechanical machine obsolete but the

principles of how to design instruction in steps that lead from a basic level to competent performance are as valid today as they were in the 20th century This book brings together Skinner s writings on education during the years he was most involved in improving education
