Smith,2007-04-10 Filled with the bestselling award winning author s trademark wordplay and inventive storytelling here is the dizzyingly entertaining wickedly humorous story of a mysterious stranger whose sudden appearance during a family s summer holiday transforms four variously unhappy people Each of the Smarts parents Eve and Michael son Magnus and the youngest daughter Astrid encounter Amber in his or her own solipsistic way but somehow her presence allows them to see their lives and their life together in a new light Smith s narrative freedom and exhilarating facility with language propel the novel to its startling wonderfully enigmatic conclusion *These Broken Stars* Amie Kaufman,Meagan Spooner,2013-12-10

One of the most intense thrilling and achingly beautiful stories I ve ever read Marie Lu New York Times best selling author of the Legend trilogy The first in the New York Times bestselling author duo Amie Kaufman and Meagan Spooner s sweeping science fiction trilogy *These Broken Stars* is a timeless love story about hope and survival in the face of unthinkable odds It s a night like any other on board the Icarus Then catastrophe strikes the massive luxury spaceliner is yanked out of hyperspace and plummets into the nearest planet Lilac LaRoux and Tarver Merendsen are the only survivors Lilac is the daughter of the richest man in the universe Tarver comes from nothing a young war hero who learned long ago that girls like Lilac are more trouble than they re worth But with only each other to rely on Lilac and Tarver must work together making a tortuous journey across the eerie deserted terrain to seek help Then against all odds Lilac and Tarver find a strange blessing in the tragedy that has thrown them into each other s arms Everything changes when they uncover the truth behind the chilling whispers that haunt their every step Lilac and Tarver may find a way off this planet But they won t be the same people who landed on it *King Leopold's Ghost* Adam Hochschild,2019-05-14

With an introduction by award winning novelist Barbara Kingsolver In the late nineteenth century when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River In his devastatingly barbarous colonization of this area Leopold stole its rubber and ivory pummelled its people and set up a ruthless regime that would reduce the population by half While he did all this he carefully constructed an image of himself as a deeply feeling humanitarian Winner of the Duff Cooper Prize in 1999 *King Leopold s Ghost* is the true and haunting account of this man s brutal regime and its lasting effect on a ruined nation It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust Instead of turning away these brave few chose to stand up against Leopold Adam Hochschild brings life to this largely untold story and crucially casts blame on those responsible for this atrocity

Merchant Kings Stephen R. Bown,2010-12-07 Commerce meets conquest in this swashbuckling story of the six merchant adventurers who built the modern world It was an era when monopoly trading companies were the unofficial agents of European expansion controlling vast numbers of people and huge tracts of land and taking on governmental and military functions They managed their territories as business interests treating their subjects as employees customers or competitors

The leaders of these trading enterprises exercised virtually unaccountable dictatorial political power over millions of people. The merchant kings of the Age of Heroic Commerce were a rogues gallery of larger than life men who for a couple hundred years expanded their far flung commercial enterprises over a sizable portion of the world. They include Jan Pieterszoon Coen, the violent and autocratic pioneer of the Dutch East India Company; Peter Stuyvesant, the one legged governor of the Dutch West India Company whose narrow minded approach lost Manhattan to the British; Robert Clive who rose from company clerk to become head of the British East India Company and one of the wealthiest men in Britain; Alexandr Baranov of the Russian American Company; Cecil Rhodes founder of De Beers and Rhodesia; and George Simpson the Little Emperor of the Hudson's Bay Company who was chauffeured about his vast fur domain in a giant canoe exhorting his voyageurs to paddle harder so he could set speed records.

Merchant Kings looks at the rise and fall of company rule in the centuries before colonialism when nations belatedly assumed responsibility for their commercial enterprises. A blend of biography, corporate history and colonial history, this book offers a panoramic new perspective on the enormous cultural, political and social legacies, good and bad, of this first period of unfettered globalization.

In boyhood Louis Zamperini was an incorrigible delinquent. As a teenager he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean against all odds, Zamperini survived adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and beyond a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity, suffering with hope, resolve and humor, brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will.

Appearing in paperback for the first time with twenty arresting new photos and an extensive Q&A, this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times. *The Dallas Morning News*: An astonishing testament to the superhuman power of tenacity. *Entertainment Weekly*: A tale of triumph and redemption, astonishingly detailed. *O, The Oprah Magazine*: A masterfully told true story, nothing less than a marvel. *Washingtonian*: Hillenbrand tells this story with cool elegance, but at a thrilling sprinter's pace. *Time*: Hillenbrand is one of our best writers of narrative history. You don't have to be a sports fan or a war history buff to devour this book; you just have to love great storytelling.

Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*. [Musical Worlds in Yogyakarta](#) Max Richter, 2012-01-01. *Musical Worlds in Yogyakarta* addresses themes of social identity and power, counterpoising Pierre Bourdieu's theories on class, gender and nation with the author's alternative perspectives of inter group social capital, physicality and grounded cosmopolitanism. The author argues that Yogyakarta is exemplary of how everyday people make use

of music to negotiate issues of power and at the same time promote peace and intergroup appreciation in culturally diverse inner city settings
