Wish You Were Here May 25 2023 **Wish You Were Here: Travels Through Loss and Hope** is the story of Amy Welborn's trip to the island of Sicily with three of her children five months after her husband's sudden death from a heart attack. Her journey through city and countryside, small town and ancient ruins, opens unexpected doors of memory and reflection, a pilgrimage of the heart and an exploration of the soul. It is an observant and wry memoir and travelogue, intensely personal yet speaking to universal experiences of love and loss. Along the narrow roads and hairpin turns, the narrative reveals the beauty of the ordinary and the commonplace and asks stark questions about how we fill the empty

places that a loved one leaves behind. It is a meditation on the possibility of faith, one that is unflinching, uncompromising, and altogether unsentimental when confronted by the ultimate test of belief. This book is not only a well-told memoir, but a testimony to the truth that love is stronger than death.

Intent on protecting their human friend, Mrs. Murphy and Tucker begin to scent out clues. Meanwhile, Harry is conducting her own investigation, unaware her pets are one step ahead of her. On March 3, 2017, Amy Krouse Rosenthal penned an op-ed piece for the New York Times' "Modern Love" column—"You May Want to Marry My Husband." It appeared ten days before her death from ovarian cancer. A heartbreaking, wry, brutally honest, and creative play on a personal ad—in which a dying wife encouraged her husband to go on and find happiness after her demise—the column quickly went viral, reaching more than five million people worldwide. In *My Wife Said You May Want to Marry Me*, Jason describes what came next: his commitment to respecting Amy's wish, even as he struggled with her loss. Surveying his life before, with, and after Amy, Jason ruminates on love, the pain of watching a loved one suffer, and what it means to heal—how he and their three children, despite their profound sorrow, went on. Jason's emotional journey offers insights on dying and death and the excruciating pain of losing a soulmate, and illuminates the lessons he learned. As he reflects on Amy's gift to him—a fresh start to fill his empty space with a new story—Jason describes how he continues to honor Amy's life and her last wish, and how he seeks to appreciate every day and live in the moment while trying to help others coping with loss. *My Wife Said You May Want to Marry Me* is

the poignant, unreserved, and inspiring story of a great love, the aftermath of a marriage ended too soon, and how a surviving partner eventually found a new perspective on life's joys in the wake of tremendous loss.

Wish You Happy Forever Sep 28 2023 *Wish You Happy Forever* chronicles Half the Sky founder Jenny Bowen's personal and professional journey to transform Chinese orphanages—and the lives of the neglected girls who live in them—from a state of quiet despair to one of vibrant promise. After reading an article about the thousands of baby girls languishing in Chinese orphanages, Bowen and her husband adopted a little girl from China and brought her home to Los Angeles, not out of a need to build a family but rather a commitment to save one child. A year later, as she watched her new daughter play in the grass with her friends, thriving in an environment where she knew she was loved, Bowen was overcome with a desire to help the children that she could not bring home. That very day she created Half the Sky Foundation, an organization conceived to bring love into the life of every orphan in China and one that has actually managed to fulfill its promise. In *Wish You Happy Forever*, a fish out of water tale like no other, Bowen relates her struggle to bring the concept of "child nurture and responsive care" to bemused Chinese bureaucrats and how she's actually succeeding. Five years after Half the Sky's first orphanage program opened, government officials began to mention child welfare and nurturing care in public speeches. And, in 2011, at China's Great Hall of the People, Half the Sky and its government partners celebrated the launch of The Rainbow Program, a groundbreaking

initiative to change the face of orphan care by training every child welfare worker in the country. Thanks to Bowen's relentless perseverance through heartbreak and a dose of humor, Half the Sky's goal to bring love to the lives of forgotten children comes ever closer.
