Anne Sexton A Biography Diane Wood Middlebrook

Anne Sexton Diane Middlebrook,1992-10-27 Anne Sexton began writing poetry at the age of twenty nine to keep from killing herself She held on to language for dear life and somehow in spite of alcoholism and the mental illness that ultimately led her to suicide managed to create a body of work that won a Pulitzer Prize and that still sings to thousands of readers This exemplary biography which was nominated for the National Book Award provoked controversy for its revelations of infidelity and incest and its use of tapes from Sexton s psychiatric sessions It reconciles the many Anne Sextons the 1950s housewife the abused child who became an abusive mother the seductress the suicide who carried kill me pills in her handbag the way other women carry lipstick and the poet who transmuted confession into lasting art *Suits Me* Diane Wood

Middlebrook,1998 The jazz pianist Billy Tipton was born in Oklahoma City as Dorothy Tipton but almost nobody knew the truth until the day he died This jazz era biography evokes the rich popular music history of the Great Depression and reads like a detective story 60 photos **Her Husband** Diane Wood Middlebrook,2006-05-01 Ted Hughes married Sylvia Plath in 1956 at the outset of their brilliant careers Plath s suicide six and a half years later for which many held Hughes accountable changed his life his closest relationships his standing in the literary world and brought new significance to his poetry In this stunning new biography of their marriage Diane Middlebrook renders a portrait of Hughes as a man as a poet and as a husband haunted and nourished his entire life by the aftermath of his first marriage Middlebrook presents Hughes as a complicated conflicted figure sexually magnetic fiercely ambitious immensely caring and shrewd in business She argues that Plath s suicide though it devastated Hughes and made him vulnerable to the savage attacks of Plath s growing readership ultimately gave him his true subject recreating himself for posterity through his marriage to Sylvia Plath and his struggles within his own historical circumstances [Selected Poems of Anne Sexton](#) Anne Sexton,2000 A selection of poems by

contemporary American author Anne Sexton drawn primarily from eight previously published collections **An Accident of Hope** Dawn M. Skorczewski,2012-04-27 In 1956 Anne Sexton was admitted into a mental hospital for post partum depression where she met Dr Martin Orne a young psychiatrist who treated her for the next eight years In that time Sexton would blossom into a world famous poet best known for her confessional poems dealing with personal subjects not often represented in poetry at that time mental illness depression suicide sex abortion women s bodies and the ordinary lives of mothers and housewives Orne audiotaped the last three years of her therapy to facilitate her ability to remember their sessions The final six months of these tapes are the focus of this book In *An Accident of Hope* Dawn Skorczewski links the content of the therapy with poetry excerpts offering a rare perspective on the artist s experience and creative process We can see Sexton attempting to make sense of her life and therapy and to sustain her confidence as a major poet while struggling with the impending loss of Orne who was moving elsewhere Skorczewski s study provides an intimate in depth

view of the therapy of a psychologically tortured yet immensely creative woman during a period of emerging feminism and cultural change Tracing the mutual development of the poet and the therapist during their years together the author explores the tension between the classical therapeutic setting as practiced in the early 1960s and contemporary relational and developmental concepts in psychoanalysis just then beginning to emerge An Accident of Hope also raises broader questions about the nature of healing in psychotherapy The poet and therapist we encounter in these sessions present complex and conflicted images of the therapeutic and creative process Orne equal parts honesty and hesitancy works to bolster Sexton's self image and maintain that she is more than the sum of her poetry Sexton working against a tendency to hide from her most painful feelings valiantly pushes to tell the truth in therapy while her poems invite the readers to see another side of the story Just as Orne kept the audiotapes so that one day they might help others who suffer An Accident of Hope tells the story of a therapy but moves beyond it By offering a glimpse into the past the present is open for reappraisal both of Sexton herself and the legacy of psychoanalytic treatment

Young Ovid Diane Wood Middlebrook, 2014 Searching for Mercy Street

Linda Gray Sexton, 2011-04-10 New York Times Notable Book A beautifully written memoir by the daughter of the brilliant troubled poet Detroit Free Press This is an honest unsparing account of the anguish and fierce love that bound a difficult mother and the daughter she left behind Linda Sexton was twenty one when her mother killed herself and now she looks back remembers and tries to come to terms with her mother s life Growing up with Anne Sexton was a wild mixture of suicidal depression and manic happiness inappropriate behavior and midnight trips to the psychiatric ward Anne taught Linda how to write how to see how to imagine and only Linda could have written a book that captures so vividly the intimate details and lingering emotions of their life together Searching for Mercy Street speaks to everyone who admires Anne Sexton and to every daughter or son who knows the pain of an imperfect childhood Sexton forcefully communicates the fear repulsion neediness and sorrow that filled her childhood as well as the agony of her own mental breakdown and her terror of becoming like her mother in lucid and vivid prose The Boston Globe A candid often painful depiction of a daughter s struggles to come to terms with her powerful and emotionally troubled mother The New York Times Becoming a Poet David Kalstone, 2001 A celebrated study of Elizabeth Bishop s genius as revealed through her literary friendships

American Scream Jonah Raskin, 2004-04-07 Written as a cultural weapon and a call to arms Howl touched a raw nerve in Cold War America and has been controversial from the day it was first read aloud nearly fifty years ago This first full critical and historical study of Howl brilliantly elucidates the nexus of politics and literature in which it was written and gives striking new portraits of Allen Ginsberg Jack Kerouac and William Burroughs Drawing from newly released psychiatric reports on Ginsberg from interviews with his psychiatrist Dr Philip Hicks and from the poet s journals American Scream shows how Howl brought Ginsberg and the world out of the closet of a repressive society It also gives the first full accounting of the literary figures Eliot Rimbaud and Whitman who influenced Howl definitively placing it in the tradition of twentieth century American poetry for the first time As he follows the genesis and the evolution of Howl Jonah Raskin constructs a vivid picture of a poet and an era He illuminates the development of Beat poetry in New York and San Francisco in the 1950s focusing on historic occasions such as the first reading of Howl at Six Gallery in San Francisco in 1955 and the obscenity trial over the poem s publication He looks closely at Ginsberg s life including his relationships with his parents friends and mentors while he was writing the poem and uses this material to illuminate the themes of madness nakedness and secrecy that pervade Howl A captivating look at the cultural climate of the Cold War and at a great American poet American Scream finally tells the full story of Howl a rousing manifesto for a generation and a classic of twentieth century literature **Home Before Dark** Susan Cheever, 1999 Susan Cheever uses previously unpublished letters journals and her own precious memories to create an insightful and candid tribute to her father John Cheever **To Bedlam and Part Way Back** Anne Sexton, 1960 In part three of Alice s adventure through the stacks she has learned much on her journey She takes a moment to ponder the meaning of words **Talking to Strangers** Malcolm Gladwell, 2019-09-10 Malcolm Gladwell host of the
