;Guaranteed your kids will love
this book. From the bestselling
co-author of Chicken Soup for
the Soul comes a revolutionary
programme to help you cut
back or quit drinking entirely -
on your own and in the privacy
of your own home. Existing
established published
resources have utterly failed to
help most alcoholics. Only a
tiny percentage of those with
alcohol abuse issues ever
receive any sort of treatment,
including Alcoholics
Anonymous, which provides a
dated programme of recovery

that many find difficult to
accept or practical to
implement. There has also
been no dramatic decline in
alcoholism over time,
suggesting that we are
desperately in need of a fresh
approach. The 30-Day Sobriety
Solution offers the answer to
anyone who feels their drinking
has become unmanageable.
Inspired by Canfield's work in
self-esteem and success
training and developed into a
programme by Dave Andrews,
it integrates positive
psychology, neurolinguistic
programming, cognitive
therapy, meditation, positive
self-talk and the correction of
negative self-perceptions,
amongst numerous other
techniques. At the core of this
programme are the two
concepts of a no alcohol '30-
Day Reboot', with the option of
a non-abstinence track after
the first 30 days. This is a
model of sobriety that you can
achieve in the privacy of your
own home in only a few
minutes a day. Basics of the

(runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95).
