The book presents the main theoretical perspectives and encourages the development of a searching and critical approach to sociology. Written in a lively and accessible style, this textbook is also an introduction to the subject for undergraduates and for people on vocational courses in nursing, social work, education and management

training. This new edition, written by the best-selling team of Moore, Chapman and Aiken, has been fully revised and updated to match the new AQA(A) specification and includes many new features tailored to the needs of A2-level students. This revised set of resources for Cambridge International AS and A Level Sociology syllabus (9699) is thoroughly updated for the latest syllabus. Written by a highly experienced author, the Coursebook provides comprehensive support for the syllabus. Accessible language combined with the clear, visually-engaging layout makes this an ideal resource for the course. Discussion of significant sociological research, case studies, explanation of key terms and questions within the text reinforce knowledge. Stimulating activities build interpretation and application as well as analytical and evaluation skills. Revision checklists help in consolidating understanding. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter dedicated to revision, and examination skills and practice. A Teacher's CD-ROM is also available. Exam Board: AQA Level & Subject: AS Sociology First teaching: September 2015 First exams: June 2016 AQA approved This volume is designed as a basic text for upper level and graduate courses in contemporary sociological theory. Most sociology programs require their majors to take at least one course in sociological theory, sometimes two. A typical breakdown is between classical and

contemporary theory. Theory is perhaps one of the broadest areas of sociological inquiry and serves as a foundation or framework for more specialized study in specific substantive areas of the field. In addition, the study of sociological theory can readily be related to various aspects of other social science disciplines as well. From the very beginning sociology has been characterized by alternative theoretical perspectives. Classical theory includes the European founding figures of the discipline whose works were produced during the later half of the nineteenth century and the first couple of decades of the twentieth century plus early American theorists. For most of the second half of the twentieth century, a fairly high consensus has developed among American sociologists regarding these major founders, particularly with regard to the works of Durkheim and Weber in analyzing the overall society and of Simmel in analyzing social interaction processes. Since the late 1960s and early 1970s the influence of Marx has also been recognized. Recent decades have also witnessed an increased emphasis on the important contributions of several pioneering feminist perspectives in the early years of sociology. Thoroughly revised and fully updated, *An Introduction to Sociology* gives concise yet comprehensive coverage of all the topics specified by the GCSE examining boards. The second edition was described by the AQA's Chief Examiner for GCSE Sociology as establishing 'the standard for textbooks at this level' -

this new edition builds on the book's existing achievements. New material is found throughout the book, including substantive new sections on gender, identity, citizenship, education, new social movements, poverty and the welfare state, religion, the mass media, work and leisure, and population. The book has been carefully designed to support and extend students' learning. Each chapter begins with a summary of the key issues to be covered, and goes on to highlight important terms, which are then explained in a clear glossary. Summaries at the end of each chapter, a lively range of new activities and discussion points, the use of websites, as well as helpful suggestions for coursework, all add to the book's value as a learning and teaching resource. Student-friendly cartoons, tables, diagrams, and photographs - and the re-designed internal lay-out - also enliven the text, making sociology seem exciting and relevant to students of all interests and abilities. The new edition of this highly successful textbook will prove invaluable to anyone taking an introductory sociology course, especially at GCSE and related levels. Students taking AS and A-level - as well as Access, nursing, and health and social care courses - will also find the book provides an easy and fun introduction to studying sociology. Exam Board: AQA Level & Subject: A level Sociology First teaching: September 2015 First exams: June 2016 AQA approved Exam Board: AQA Level: AS/A-level Subject: Sociology First Teaching:

September 2016 First Exam: June 2017 Build students' understanding with this concept-driven approach to the 2015 AQA A-level Sociology specification, written by a team of leading subject authors and approved by AQA. - Develop the knowledge required to master Year 2 topics with clear and accessible content coverage - Build confidence in the evaluative skills needed to assess sociological theories and research - Strengthen learning and revision with a wealth of practice and extension questions and activities A new and accessible textbook designed to meet the specific requirements of AS Level Social Students, written by practising teachers and examiners. The book is divided into eight units: The individual and society Families and households Education Wealth, welfare and poverty The mass media Health Research methods Preparing for the AS exam Each unit is divided into a number of topics, organised in a consistent and easy-to-follow format. Each topic contains text to develop knowledge, but also equal amounts of activities and suggestions for research to develop the subject-specific and 'key' skills needed. Target success in sociology with this proven formula for effective, structured revision; key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge. With My Revision Notes, every student can: - Plan and manage a successful revision programme using the topic-by-

topic planner - Consolidate subject knowledge by working through clear and focused content coverage - Test understanding and identify areas for improvement with regular 'Now Test Yourself' tasks and answers - Improve exam technique through practice questions, expert tips and examples of typical mistakes to avoid - Get exam ready with extra quick quizzes and answers to the practice questions available online My Revision Notes AQA A-level Sociology includes all compulsory topics as well as the optional topics Families and households and Beliefs in society. Updated for the 2015 AQA sociology specifications, this book covers AS and Year 1 of A-level. It will help students master the knowledge and skills they need to excel in their study and engage with contemporary society. The meso-level realm of social reality is structured by corporate and categoric units, along with their respective cultures. Unlike the macro and micro realms of social reality, the meso-level does not reveal its own unique forces. Rather, the dynamics of meso-structures and cultures are driven by macro- and micro-level forces pushing on individual and collective actors as they build corporate units and develop parameters defining membership in particular social categories. Reinforce understanding of the two most popular options for A-level Paper 2: Topics in Sociology, including Families and Households, and Beliefs in Society. Packed full of clear topic summaries, knowledge check questions and sample

exam-style questions and answers with commentaries, this guide will help students aim for and achieve the highest grades. This Student Guide will help to:

- Identify key content for the exams with our concise coverage of topics**
- Avoid common pitfalls with clear definitions and exam tips throughout**
- Reinforce learning with bullet-list summaries at the end of each section**
- Test knowledge with rapid-fire knowledge check questions and answers**
- Find out what examiners are looking for with our Questions & Answers section**

The second edition of Ken Browne's highly successful Introducing Sociology for AS-level provides in-depth and up-to-date coverage of the complete specification for AQA AS-level sociology. The first edition of this book was

widely praised for its comprehensive coverage, and student-friendly style. In this second edition, all of the chapters have been revised to include new studies, reports and statistics. Key sociological terms are now systematically highlighted all the way through the book, and included in a comprehensive glossary, with fresh questions and activities added to develop and test students' understanding further. Fuller consideration of issues of identity has been given throughout the text. More detailed advice has been provided on coursework, including a top-mark example to show students exactly what they have to do to achieve the highest grades. What's more, two authentic exam questions are now included on every topic. Pitched at exactly the right level for AS sociology, the book provides all the tools necessary to help students achieve top grades, and a sound basis for progression to A2. A host of cartoons, photographs, graphs, tables, and spider diagrams help to enliven the text, as well as reinforcing key issues. Web sites and web-based activities are included throughout, encouraging students to engage with the most recent social changes, and developments in sociology. Although it assumes no previous knowledge of sociology, its dedicated and in-depth coverage of all the AQA's AS topics provides a useful reference tool for the synoptic elements at A2. The second edition of *Introducing Sociology for AS Level* combines sociological rigour and accessibility in a way unrivalled

by any other book at this level. It will be an invaluable resource to anyone following the AQA specifications. The essential revision guide for A-level Sociology from trusted and best-selling author Ken Browne. Together with Sociology for AQA Revision Guide 1, this indispensable book provides everything you need to revise for the exams, with a clear topic-by-topic layout to recap key theories and central ideas. The revision guide maps perfectly onto Ken Browne, Jonathan Blundell and Pamela Law's Sociology for AQA Volume 2 with each topic cross-referenced to the main textbook so you can revisit any sections you need to. The book includes a guide to exam questions – and how to answer them – with sample worked answers showing how to achieve top marks. All specification options are covered, with exam tips throughout the book. With this revision guide to take you through the exam and Sociology for AQA Volume 2 to develop your sociological imagination, Ken Browne provides the complete resource for success in sociology. Written by experienced author Joan Garrod, this Student Guide for Sociology:

- Identifies the key content you need to know with a concise summary of topics examined in the A-level specifications**
- Enables you to measure your understanding with exam tips and knowledge check questions, with answers at the end of the guide**
- Helps you to improve your exam technique with sample answers to exam-style questions**
- Develops your independent learning skills with content you can**
