From the award-winning author of All the Broken Pieces and Serafina's Promise comes a breathtaking new novel that is her most transcendent and widely accessible work to date. The day Grace is called from the slave cabins to work in the Big House, Mama makes her promise to keep her eyes down. Uncle Jim warns her to keep her thoughts tucked private in her mind or they could bring a whole lot of trouble and pain. But the more Grace sees of the heartless Master and hateful Missus, the more a rightness voice clamors in her head-asking how come white folks can own other people, sell them on the auction block, and separate families forever. When that voice escapes without warning, it sets off a terrible chain of events that prove Uncle Jim's words true. Suddenly, Grace and her family must flee deep into the woods, where they brave deadly animals, slave patrollers, and the uncertainty of ever finding freedom. With candor and compassion, Ann E. Burg sheds light on a startling chapter of American history--the remarkable story of runaways who sought sanctuary in the Great Dismal Swamp--and creates a powerful testament to the right of every human to be free. Paisley Smith's "The Night Crow" finds two lovers, divided by centuries and a terrible sacrifice, reunited in London. In Christine d'Abo's, "Scorched Retribution", a human woman has come home after a ten year absence, hoping to make amends with the one person whose heart she'd broken. But the heart of a dragon isn't easily won and the woman must offer herself up for retribution or risk losing her lover forever. In Angela Caperton's "Sweetwater Pass," the eldest daughter in a family of shape shifters heading to California in the era of the great wagon trains, meets a Native American "sister" and finds the promise of the West fulfilled. Delilah Devlin's one-of-a-kind She Shifters unleashes the wild creature inside us all! She always knew Fate was cruel... The last person Olivia expected to turn up at her club was her one true love. It would normally be great to see him, except he's been dead for centuries. Olivia really thought she had moved on with her immortal life, but as soon as she sees Doug Paxton, she knows she'd rather die than lose him again. And that's a real problem... But this is beyond the pale... Doug is a no-nonsense cop by day, but his nights are tormented by dreams of a gorgeous redhead who's so much a part of him, she seems to be in his blood. When he meets Olivia face-to-face, long-buried memories begin to surface. She might be the answer to his prayers...or she might be the dead of him. Praise for Untamed: "Humphreys's spectacular talent is on full display. She writes scenes with such clarity that you will feel as if you are...witnessing all the action and romance firsthand. This series is getting better with each book."—RT Book Reviews, 4 1/2 stars "The characters are well-developed, the twist and turns of the plot are well-crafted, and the situations are alternately funny, action-packed, and sensual."—Fresh Fiction "An excellent paranormal romance with awesome world building and strong leads."—The Romance Reviews
