There are many misconceptions today concerning generational curses. Some teach that a person's guilt is genetically passed down to the third and fourth generation resulting in all types of difficulties. The truth is that we are not responsible for the sins of our forefathers, and we are not doomed to see them repeated! The sacrifice of Jesus Christ on the cross is sufficient to break the power of any curse. This book shows us how to go beyond every curse to enter into the joy, freedom, and power of the blessing! We allow the stigma of talking with a therapist or counselor stop us from seeking help. This book/journal is the first step to healing. It will allow you to be open and freely express yourself. This book/journal will help you focus on the different Generational Curses that affected you and your family. It will allow you to confront your past in the privacy of your home. This book/journal will help you forgive. Forgiveness is not for the individuals who caused your hurt, but for YOU! Who among us wants our children to be free from the struggles we have had to bear? Who among us wants the hard-earned lessons from our lives given freely to our children? You can be one of those who share the excitement and joy of seeing your children step into the destiny that God has for them. Torn from an idyllic life with a loving, extended family in 1960's Alabama, young Johnny Turnipseed found himself in Minneapolis, Minnesota with a father he no longer recognized and empty cupboards. A.C. Turnipseed's alcoholism and womanizing started a chain reaction of poverty, violence, addiction and despair that nearly destroyed three generations. From lost and frightened little boy to gang leader, drug dealer and pimp to one of the nation's most respected pioneers of community restoration, John Turnipseed's story of transformation and restoration is told with unflinching honesty and contagious hope. Author Lester Nuby Jr. began life in a dilapidated house in Bell Springs Mountain, Alabama, but now he is a successful businessman who doesn't have to worry about money. It wasn't easy for Nuby to scrounge his way out of poverty, a task made more difficult by the fact that his father was murdered just five months before he was born. Nuby understood early on the difference between the "haves" and the "have nots." He made it his mission to break free of the bondage of poverty. By the age of seven, he had already started taking notes that would become the ingredients for a personalized formula for success. By following this formula, Nuby went from being a low-level employee at a company with hundreds of workers to its front office in eight years. When he became president, CEO, and chairman of the board, the company had annual sales of \$70 million; he was just thirty-four years old. Join Nuby as he recalls how he broke the chains of poverty to lead companies throughout the world, and take a new view of economic disparity and how to seek justice in First: Breaking Generational Poverty. An insatiable need for sex and love. Periods of overeating or starving. A pattern of unstable and painful relationships. Does this sound painfully familiar? Trauma counselor Kelly McDaniel has seen these traits over and over in clients who feel trapped in cycles of harmful behaviors-and are unable to stop. Many of us find ourselves stuck in unhealthy habits simply because we don't see a better way. With Mother Hunger, McDaniel helps women break the cycle of destructive behavior by taking a fresh look at childhood trauma and its lasting impact. In doing so, she destigmatizes the shame that comes with being under-mothered and misdiagnosed. McDaniel offers a healing path with powerful tools that include therapeutic interventions and lifestyle changes in service to healthy relationships. The constant search for mother love can be a lifelong emotional burden, but healing begins with knowing and naming what we are missing. McDaniel is the first clinician to identify Mother Hunger, which demystifies the search for love and provides the compass that each woman needs to end the struggle with achy, lonely emptiness, and come home to herself. This book is written simply to serve as a tool to destroy generational curses. My intention is to educate and bring awareness that generational curses can be broken through the power of God's word. In this book you will encounter life experiences that caused me to take authority over death, destruction and disaster. Many of us are ignorant to the device and diabolical strongholds of the enemy. Curses are real and their main intent is to annihilate the purpose of the ultimate sacrifice of the cross, redemption and eternal life. By the grace of God Jesus Christ has died to redeem us from the curse of the law, so we can regain the authority, to speak those things that are not as though they were. As you walk through the epistle of my life story you will be enlighten and strengthen to take authority and dominion to speak God's word and become liberated. Break the Curse is a word for the Eschatology Church. This book will serve as an instructional guide to impart, restore deliver and heal the wounds of anyone that has suffered from the strong bondage of Generational Curses. This is a must read manuscript it will teach you how to apply biblical principal to destroy the generational curses that have inundated your life for years. Curses are a malediction that must be fought and cast away with aggressive prayers. This book will give you the tools to fight and eradicate all curses spoken over your life. This book offers strategies to identify, root out and pull down any curse or stronghold. Do you need twenty one days fasting and prayers, in order to break curses in your life? Do you need to go to the mountain, camps to pray in order to break curses in your life? Do you need to pay money to a prophet/prophets in order to break curses in your life? The answer to these questions is what this book is all about. Your freedom has been paid for but ignorance kept many where they are, but the right knowledge has come. Now! Curses are terrible. I wallowed in it, so I knew what it meant for someone to wallow under a curse. I am not writing out of a Theological knowledge, but from a prophetic revelation coupled with my experience of wallowing under a curse, and how I got my freedom. "Near success syndrom," that was my case then. It is said, "Nearly cannot kill a bird," and infact that was exactly my story then. Always getting to the edge of breakthroughs but never having them. Something must always go wrong at the edge of every breakthrough. I dreamt, dreamt, but never saw my dreams come to manifestation. Curses, ah! They are terrible. There is a way out, and infact, the only true way out of all manners of curses, whether generational, parental or, self imposed curses, there is a permanent way out. You may have been doing the trial and error thing, just as I did in the past. I even consulted a witch doctor (Babalawo) to assist me in breaking the curse operating in my life then. He asked me to bring money to get the materials he will use for my freedom, and I gave him, still to no avail. I even encountered fake pastors who used me to learn Taekwondo, Karat, Judo in the name of deliverance. Imagine, they will twist your neck, turn you round and round until you will fall down out of dizziness, and they will say that you have fallen under the anointing. Which anointing? Mechanical anointing. The Native Doctor and the neck twisting of the pastors could not help me, until I discovered THE WAY, the authentic way out of all manners of curses and that is what I am sharing in this book. Do you want to be free permanently? Then come with me and see the way. Let's go. This book Breaking Generational Curses makes no pretense about preaching the gospel of Christ. It showed no shame. It is an unabashed demonstration of the power of the finished work at Calvary. Curses can be ugly. They can be far-reaching and limiting. But an uglier experience of hanging the Son of God on the rugged and dirty tree at Golgotha has reduced curses to a treated issue. It is a done deal with Christ. What Christ said has finished is finished. This book has further advertised the futility of running helter-skelter. Own it, read it, and practice the tenets. Greg Von Tobel, President and Founder of Prisoners for Christ Outreach Ministries All of us have pain.....most of us waste it As he sat in the back of the police car, hands cuffed and heading to jail, Damon was abandoning his young family like he'd been abandoned so many times as a child. Could what happened on this night finally help him overcome 30+ years of hell and heartache, or would the generational curses he so desperately wanted to stop continue through his children? Damon grew up with alcoholism, divorce, homelessness, life in foster homes, sexual abuse, and deep rooted anger towards his parents. As an adult he struggled with bipolar, domestic violence, time in jail, depression, addiction, failed relationships, divorce, homelessness, and a teenage daughter struggling with addiction. In Pain Drives Change Damon shares how embracing this pain in his life transformed him. His story offers a path and practical tools for personal change in our times of pain. Endorsements: "A riveting story of God's redemptive power. I have used Damon's story to help hundreds of my clients." Dr. Jim A. Talley, drtalley.com, author Reconcilable Differences, Too Close Too Soon, and multiple other books "I'm honored to endorse Pain Drives Change because I was an eyewitness to much of it. What makes this book unique-it's not just a riveting story but the author actually takes you on the journey with him and

in so doing encompasses your own journey. All of us have pain in our lives, but this book shows us how pain can propel us into our greatest victories in life." Dr. Don Ross, author "Turnaround Pastor" and Leader of Northwest Ministry Network "I have always loved Damon's transparency, his passion for Jesus, and his ability to see things in life-changing ways other people just plain miss. All of us have pain. Most of us waste it. In Pain Drives Change, Damon will show you, from his life experience, how to maximize it for God's great purpose in your life." Boyd Pelley, Co-founder & President Churchteams.com, member of Damon's online men's group "A brilliant book! Damon opens up and tells the story of the difficult experiences he had growing up lost, damaged, and poor; he digs down to the pain and looks it in the eye. In so doing, he creates a clear path for the reader to do the same. What follows is a template for breaking the damaging cycles that often get passed on to the next generation. As a father, he essentially earns the right to be heard with his children because he is filled with love, courage, self-control, wisdom, and forgiveness. Children, preteens, and adolescents watch their parents to see if they can respect them. Because of his courageous choices, he has a chance with his kids. Read on If you want to learn how to build a stable marriage relationship, blend a family, and lead your preteen out of drugs while being held in the faithful embrace of a loving God." Sharon Hartnett, Ph.D. Emerita Faculty in the School of Education at Seattle Pacific University "An incredibly motivating story. There are few people one meet's in their life who have the gift to listen more than they talk. With Damon, this trait is profound, genuine and authentic. He has been a 'difference maker' in my life and has provided me with constant and consistent motivation though his wisdom, his passion for life, his love of the Lord, and now his incredible story as told in his book Pain Drives Change! This book will certainly make you look both spiritually and conceptually at the relationships that are placed in your life's journey, and how reflection can lead to redemption and ultimately internal and eternal peace. " Bill Marsh, Head Football Coach Cedar Park Christian Schools "Amazing - courageous and moving. It will inspire many to action and to dare hope." Dr. Pam Bryan "I was in tears while reading it. This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library. It would also serve as a powerful guide and source for teaching on this subject. Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken. This is a correct statement, but let's look at Joshua the successor of Moses. He was promised the land but he still had to go in and fight for it. This holds true for us today because the word in Matthew 11: 12 states that, the Kingdom of Heaven suffers violence and the violent take it by force. As we will find out from this study, there are actions that have been done by some people who have brought a curse against their bloodline. This must be dealt with before they can be completely free to fulfil the call of God on their life. Rev. Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth. Most people shun this subject of generational curses and would rather not be exposed to it. We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or organisation to speak on this subject. Again, this book will compel you to live a holy life; totally dedicated to God. It deals with all areas of life.

A groundbreaking approach to transforming traumatic legacies passed down in

families over generations, by an acclaimed expert in the field Depression. Anxiety. Chronic Pain. Phobias. Obsessive thoughts. The evidence is compelling: the roots of these difficulties may not reside in our immediate life experience or in chemical imbalances in our brains—but in the lives of our parents, grandparents, and even great-grandparents. The latest scientific research, now making headlines, supports what many have long intuited—that traumatic experience can be passed down through generations. *It Didn't Start with You* builds on the work of leading experts in post-traumatic stress, including Mount Sinai School of Medicine neuroscientist Rachel Yehuda and psychiatrist Bessel van der Kolk, author of *The Body Keeps the Score*. Even if the person who suffered the original trauma has died, or the story has been forgotten or silenced, memory and feelings can live on. These emotional legacies are often hidden, encoded in everything from gene expression to everyday language, and they play a far greater role in our emotional and physical health than has ever before been understood. As a pioneer in the field of inherited family trauma, Mark Wolynn has worked with individuals and groups on a therapeutic level for over twenty years. *It Didn't Start with You* offers a pragmatic and prescriptive guide to his method, the Core Language Approach. Diagnostic self-inventories provide a way to uncover the fears and anxieties conveyed through everyday words, behaviors, and physical symptoms. Techniques for developing a genogram or extended family tree create a map of experiences going back through the generations. And visualization, active imagination, and direct dialogue create pathways to reconnection, integration, and reclaiming life and health. *It Didn't Start With You* is a transformative approach to resolving longstanding difficulties that in many cases, traditional therapy, drugs, or other interventions have not had the capacity to touch. *The Armor of God*, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory. A passionate, magnetic memoir that explores writer and podcast host Nichole Perkins's obsession with pop culture and the challenges of navigating relationships as a Black woman through feminism and Southern mores. Pop culture is the Pandora's Box of our lives. Racism, wealth, poverty, beauty, inclusion, exclusion, and hope -- all of these intractable and unavoidable features course through the media we consume. Examining pop culture's impact on her life, Nichole Perkins takes readers on a rollicking trip through the last twenty years of music, media and the internet from the perspective of one southern Black woman. She explores her experience with mental illness and how the TV series *Frasier* served as a crutch, how her role as mistress led her to certain internet message boards that prepared her for current day social media, and what it means to figure out desire and sexuality and Prince in a world where marriage is the only acceptable goal for women. Combining her sharp wit, stellar pop culture sensibility, and trademark spirited storytelling, Nichole boldly tackles the damage done to women, especially Black women, by society's failure to confront the myths and misogyny at its heart, and her efforts to stop the various cycles that limit confidence within herself. By using her own life and loves as a unique vantage point, Nichole humorously and powerfully illuminates how to take the best pop culture has to offer and discard the harmful bits, offering a mirror into our own lives. We live in a world filled with sexual imagery and seduction. These influences seek to assault us at every turn. The enemy has created this battlefield in order to corrupt our minds. This book will unlock the keys to how you can have "a mind set free" from the temptation that surrounds us every day. This book is a must have for every believer! The Bible teaches that there are three kinds of sin: Sin = to miss the mark; Transgression = to willingly disobey God; and Iniquity - which is generational sin that's been passed down. The Bible says that the iniquity of the fathers would be passed down to the third and fourth generations. When you become a Christian your spirit is baptized into a new family, but your flesh can still operate under the generational curses of your bloodline. In this book, Bishop Foreman lays the groundwork to understanding what a generational curse is and how they can affect believers that are unaware of them. 90% of the issues that most people deal with are related to their father or absence thereof. The enemy has strategically removed the fathers out of many homes because children receive their identity from their father. Why has the enemy devoted so much time trying to hinder your family? It's not because you all are so messed up, it's because there's so much destiny and purpose in them that he wants to stop. If you don't interrupt the generational curses that have been operating in your life, you could end up rejecting your destiny. We'll identify the familiar spirits or certain patterns of behavior that are common to certain families. Bishop deals with discerning and destroying those destructive spirits that have been operating in your family and when you finish this book you will be fully equipped to identify, battle, and overcome every generational curse in your bloodline. It's time to stop blocking the blessing! God made up His mind about you. He's blessed you and He won't take it back! Find out what the blessing is and how to see it manifest in your life now! There's a generational blessing stored up in your bloodline and learn how to access it with this riveting, groundbreaking, and intentionally shocking book, *Sins of the Fathers!* In this book, Pastor Brian Gallardo, peels back the covers and reveals raw truth about breaking Generational curses. This book will empower, inspire, but most importantly set you free. IN THIS "TRANSFORMATIVE" BOOK, Dr. Francis Myles wants to take this opportunity to introduce you to one of the most powerful "Spiritual technologies" for "Breaking Generational Curses and Healing all types of Genetic Anomalies" that God instituted to service the spiritual needs of "Kingdom citizens" who operate under the "Order of Melchizedek." Long-standing violations of God's principles for living have contributed to a psychological, social, mental, emotional and spiritual phenomenon best described as generational chains or curses, which have profound negative effects on families and individuals for years beyond the life of the offending person. This book will help you get free. Did you know that both blessings and curses can be passed down from one generation to the next?
