*Crystal Healing* May 05 2024 A Fact-Based Introduction to Crystal Healing Whether you're new to the practice of crystal healing or have a level of experience with it, chances are you have questions: What works? What doesn't? How and when should I spend my money? And so on. Forget the magic, the mysticism, and the mythology. You've come to the right place for answers. Dan R. Lynch is the author of

many books about rocks and minerals. Julie A. Kirsch is a trained psychologist. Together, they delve into the fascinating study of crystal healing, and they share their answers with you. The book begins with an explanation of what crystal healing is, as well as a simple introduction to the basics of geology/mineralogy. From there, the book takes a closer look at several of the most popular methods of crystal healing, such as wearing the crystals or using a healing crystal grid. That's followed by an examination of the science and the psychology behind what the crystals are said to do versus what they have been proven to do. A "field guide" section spotlights some of the most important minerals to know, including amethyst and fluorite, presenting the most commonly used crystals by healing practitioners. The book is rounded out with safety warnings, recommended resources, and more. It's everything you need to take an objective look at crystal healing and to make informed decisions about this controversial practice.

Crystals for Energy Healing Oct 30 2023 This comprehensive sourcebook of 100 essential crystals for spiritual healing and all-round protection is packed with practical advice and fascinating information. Not only will you find out about the crystal's attributes, legendary power, and holistic benefits, but also about each crystal's specific energy to enhance, heal, or protect you. Crystals are the most natural, empowering force we can work with to promote spiritual balance and protect us from exposure to physical or psychic negativity. For thousands of years, crystals have been used for their powerful healing energy and to protect the wearer from negative forces. The ancient Taoists believed sacred stones vibrated with 'chi' or universal energy; the Greeks and Romans believed they embodied the gods and the planets; indigenous peoples believed they were alive with spirit. Black stones like obsidian have been used for centuries to protect from evil, and amethyst is still considered the power stone of spirituality, creating a protective shield around the body and promoting deeper levels of awareness. Crystals for Energy Healing includes introductory chapters on what crystals are, both their scientific legacy and their magical one; caring for and choosing crystals; and the importance of chakras and color in spiritual healing. There is also a practical chapter about working with these stones specifically chosen for protection and spiritual healing. The alphabetical sourcebook section that follows provides information about the uses and benefits of each crystal listed.

*Crystal Healing* May 25 2023 If you have ever seen a person who was ailing and wanted to help, it's time for you to get Crystal Healing by Phyllis Galde. With the help of this book you will learn how to use crystals and common gemstones to heal the mind, body, and spirit of friends, family, and yourself. This book begins with a scientific introduction to crystals: how they're created, what they look like, and their different forms. The book looks at them from a historical viewpoint as well, including a survey of the use of crystal balls. Crystal Healing is really the next step in this process. It reveals the secrets of a special type of crystal

known as electronic quartz. In this form it is perfectly clear and without any flaws. There are no impurities to interrupt or alter the flow of energy through them. They are the ideal tools for healing. Here you will learn that crystals work to amplify what you are sending. The book reveals easy-to-follow techniques that will allow you to program the crystals for any purpose. You'll discover how to use them to heal yourself and others; how they can help to reprogram your subconscious, heal pets, make special spiritual tools, and create amulets; and even discover how to program them to create the dreams you desire. For a book that is both scientific and spiritual, for learning about the ancient traditions and the modern methods of working with crystal and gem healers, you must get Crystal Healing.
