How To Build The Dental Practice Of Your Dreams Feb 07 2022 Dr. David Moffet is an international expert in dental practice management. With over 32 years of dental experience, he has developed a simple, practical, and incredibly effective way of increasing the number of patients you see... the amount of money you charge... and the percentage of large case revenues your patients will happily accept. In some cases, Moffet's strategy has resulted in over \$100,000 in additional cash flow in just weeks. All you need is a decent team and his secret weapon, "The Ultimate Patient Experience™." The UPE is a unique, low-cost system of unique patient engagement that is incredibly easy to put in place. In fact, one of Moffet's strategies costs less than \$40 to implement, and you can have it up and running by the end of business, today. The Ultimate Patient Experience has allowed Dr. Moffet to: • Sell his dental practice for a cool \$2.75 million - for which he collected 80% in cash, 20% in stock... • Consistently increase his prices (10.55% per year, on average) while retaining over 90% of his patients... • And DOUBLE his cold phone conversion rates, using a strategy that will take you less than 10 minutes to set up... Inside these pages, you'll discover exactly how Dr. Moffet accomplished each of these things, and how you can, too. "For decades now, I have recommended Michael Gerber's E-Myth Revisited as the go-to entrepreneurial guide. After reading David Moffet's How To Build The Dental Practice of Your Dreams (Without Killing Yourself!) in Less Than 60 Days, I now say that same thing to any and all dentists. David Moffet walks his talk and has not only built a thriving and successful dental practice but a life of wonder and enrichment as well. Anyone aspiring to build both a thriving dental practice and life, READ this book. It has all the secrets to such success!" ?Jack Daly CEO, JackDaly.net "Don't just read this book. Use this book. Dr. Moffet provides you the playbook, revealing how to build a successful seven-figure practice while working four days a week for 37 weeks." ?Shep Hyken Customer Service Expert and New York Times bestselling Author of The Amazement Revolution "David has a natural passion for patient awareness and service. This book outlines the understanding of why you need to focus on world-class service to fast track the success of your profession. The book will inspire you, motivate you, and keep you loving the world of dentistry, not dreading it." ?Kathy Metaxas Director, Consultant, International Speaker, and Professional Motivator "This book not only teaches how to create the ultimate patient experience, it is a game plan on how to become a business customers cannot live without. Moffet did exactly that and now shares how you can too. Everyone in your organization needs to read this book." ?John R. DiJulius III Author of The Customer Service Revolution "David Moffet encourages his readers to let no one ever come to you without leaving better and happier. His premise is simple: the secret to success is not a secret...work hard, shift your thinking, and add real value to people's lives." ?Dr. Ronald F. Arndt, DDS, MBA, MAGD Master & Board Certified Coach THE DENTAL COACH "The best dentists and practices always want to be better. David Moffet can give you the tools to continue building your dream practice year after year while enjoying more freedom to enjoy your other life." ?Linda Miles Founder, Linda Miles & Associates; Founder, Speaking Consulting Network; Cofounder, Oral Cancer Cause (a 5013c) "A practical guide based on decades of experience. Dr. Moffet's advice is clear, accessible, and applicable, and the book is fun to read. Whether you're just starting your practice or you're looking for that next stage of growth, this book will help." ?Dr. Howard Farran, DDS, MBA International Lecturer and Publisher/Founder of Dentaltown Magazine

Practice Management for the Dental Team Jan 01 2024 PRACTICE MANAGEMENT FOR THE DENTAL TEAM is a complete procedures manual designed to provide step-by-step instructions on how to perform most office procedures in the dental office. Each chapter includes teaching tools that allow the student to participate in the learning experience. Because of the authors' separate experiences, one in dental assisting and dental assisting education, the other in office systems and business management education, this book is not only a thorough training manual for dental assistants, but an excellent reference for dental students and new practicing dentists. It is an excellent teaching manual for the dental assistant being trained on the job

Case Acceptance in the Modern Dental Practice: Break Down Barriers, Increase Referrals and Boost Patient Satisfaction Oct 30 2023 Case Acceptance in the Modern Dental Practice focuses on that very issue and clearly outlines a number of scenarios to help you break down barriers through effectively communicating the value of dentistry with each patient. Each individual that sits in your chair will require a unique style of communication, and this is predicated on far more than the patient's personality. You have to know your patient and the many factors involved that may make a successful interaction harder to achieve. The findings and insights in this book - based on Dr. Frank Spear's real-world experience and Adam McWethy's extensive patient-focused research - will become your key to better understanding your patients in your mission to unlock greater case acceptance, improve practice growth and increase profitability.

How to Buy a Dental Practice Mar 11 2022 If you're thinking about buying a dental practice, you must read this book. Thousands of dentists go through the process of buying a dental practice every year. Did they choose a good practice? Did they buy at the right price? Did they buy at the right time? The stakes are high to get the RIGHT answers to those questions. Buy the wrong practice and you're looking at stress, money worries, angry staff and patients, and a frustrated family that doesn't see you as much as they'd like. Buy the right practice, like many do, and you have the foundation upon which to thrive - happy, relaxed, wealthy and positively impacting the lives of patients and living the life of your dreams. Unfortunately, the process of how to buy a dental practice remains a black box for the majority of buyers. Advice, tips and information are spread across magazines, blogs, online forums and podcasts with no easy way to tell the good advice from the bad. Until now. How to Buy a Dental Practice walks buyers step-by-step through the process of finding, analyzing, and purchasing a great dental practice. In this book you'll find answers to questions like: - How do I find a good practice? - How do I choose a good accountant and attorney? - How can I tell a good practice from a bad one? - When is the right time to sign a letter of intent? - What can I negotiate besides price? - How do I get a bank loan? - What do I do after I find a practice to buy? After reading this book, you will be armed with the specific knowledge and checklists to find, analyze and purchase the right practice for you.
