**Too Late, Mate?** Rebeca Covers,Alex Forrest,2019-12-21 Are you a man who has had enough of bars clubs and late nights Are you fed up with online dating This is a memoir of a lonely singleton who turned his love life around and upside down after he stumbled on DAYGAME the art of meeting and attracting women during the daytime Too Late Mate tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind whilst simultaneously failing to sleep with any one of them When all else had failed relationship counseling psychotherapy the self help book industry secret cults salsa dancing tree hugging he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime So began an 18 month journey in which he met literally hundreds of girls in the street went on dozens of dates and even managed to persuade one or two of them back into his bedroom Reviews of the 1st Edition By ZV Oct 10 2019I purchased Too Late Mate about a year and a half ago I enjoyed it very much as there are similarities to how I grew up and my experiences in with girls and school as in the book Great Read By Leigh Sep 27 2019An entertaining honest account of a middle aged man who after a lifetime of being inept at meeting and dating women stumbles across Daygame Think Crazy Stupid Love meets Dostoevsky i e a fascinating funny and sometimes painful story where the processes of learning how to overcome deep rooted beliefs about women masculinity and relationships through practical field training is described together with an introspective analysis I enjoyed this book as I think it reflects the experience of a lot of men particularly older men trying to address this area of their life I can say that the account of his journey is authentic as I m of a similar age and got into Daygame about the same time The book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece By W A Feb 28 2018I loved this book One of the few books on pickup I ve ever read cover to cover Regardless of whether you re into pickup or not PUA this is an engaging come from behind hero tale told autobiographically Mr Forrest s humanity comes through in a very self effacing way as he struggles with the ups and downs of learning game later in his life His maturity and self doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject It s a bit interesting that Mr Forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic Hero s Journey outlined by Joseph Campbell Christopher Vogler would make an interesting movie imo One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists not men of action as notions delude us into thinking that knowledge somehow supplants or equates to experience The reason that I strongly gravitate to the work of authors YT ers like Alex Forrest and his impish gamesome compadre Tom Torero is that they have a way of inspiring me to confront my fears and approach women in my daily life And for those gents in their 40 s or maybe more with natural fears about aging and the what if s of it all this book addresses this older niche that has heretofore been all but ignored Bravo Mr Forrest bravo By Dean Craddock Nov 7 2017This is a great high quality read detailing Alex s journey into the world of pick up through daygame
