Strange Glory A Life Of Dietrich Bonhoeffer Charles Marsh

Strange Glory Charles Marsh, 2015-04-28 Winner Christianity Today 2015 Book Award in History Biography Shortlisted for the PEN Jacqueline Bograd Weld Award for Biography In the decades since his execution by the Nazis in 1945 Dietrich Bonhoeffer the German pastor theologian and anti Hitler conspirator has become one of the most widely read and inspiring Christian thinkers of our time With unprecedented archival access and definitive scope Charles Marsh captures the life of this remarkable man who searched for the goodness in his religion against the backdrop of a steadily darkening Europe From his brilliant student days in Berlin to his transformative sojourn in America across Harlem to the Jim Crow South and finally once again to Germany where he was called to a ministry for the downtrodden we follow Bonhoeffer on his search for true fellowship and observe the development of his teachings on the shared life in Christ We witness his growing convictions and theological beliefs culminating in his vocal denunciation of Germany's treatment of the Jews that would put him on a crash course with Hitler Bringing to life for the first time this complex human being his substantial flaws inner torment the friendships and the faith that sustained and finally redeemed him *Strange Glory* is a momentous achievement

Strange Glory Charles Marsh, 2014-08-21 This elegantly written biography offers the most intimate detailed rounded and supremely human portrait yet painted of the great Christian thinker and martyr Draws on writings only recently made accessible including the correspondence between Bonhoeffer and his teen age fianc Maria von Wedemeyer Fresh insights into the duplicity into which Bonhoeffer was drawn with intriguing quotes from the bogus diary and letters he composed to distract the Gestapo from his real activities Packed with fascinating extracts from Bonhoeffer's own letters and papers creating a vivid sense of the momentous times in which he lived and of his innermost thoughts and feelings at any given moment A good biography takes a reader beyond the life of its subject into the times and places in which they lived A great biography can leave us with the impression we know a stranger better than we know our friends Charles Marsh's biography of Dietrich Bonhoeffer does all these things No recent biographer of Bonhoeffer knows his theology or his historical and intellectual context better than Charles Marsh who has for the past two decades been the finest Bonhoeffer scholar of his generation Yet none of this would matter if one did not want to turn the pages *Strange Glory* tells Bonhoeffer's story with accuracy and insight but more than that it is a joy to read Stephen J Plant Dean of Trinity Hall Cambridge

Strange Glory Charles Marsh, 2014-04-29 In the decades since his execution by the Nazis in 1945 Dietrich Bonhoeffer the German pastor theologian and anti Hitler conspirator has become one of the most widely read and inspiring Christian thinkers of our time Now drawing on extensive new research *Strange Glory* offers a definitive account by turns majestic and intimate of this modern icon The scion of a grand family that rarely went to church Dietrich decided as a thirteen year old to become a theologian By twenty one the rather snobbish and awkward young man had already written a dissertation hailed by Karl Barth as a theological

miracle But it was only the first step in a lifelong effort to recover an authentic and orthodox Christianity from the dilutions of liberal Protestantism and the modern idolatries of blood and nation which forces had left the German church completely helpless against the onslaught of Nazism From the start Bonhoeffer insisted that the essence of Christianity was not its abstract precepts but the concrete reality of the shared life in Christ In 1930 his search for that true fellowship led Bonhoeffer to America for ten fateful months in the company of social reformers Harlem churchmen and public intellectuals Energized by the lived faith he had seen he would now begin to make what he later saw as his definitive turn from the phraseological to the real He went home with renewed vocation and took up ministry among Berlin's downtrodden while trying to find his place in the hoary academic establishment increasingly captive to nationalist fervor With the rise of Hitler however Bonhoeffer's journey took yet another turn The German church was Nazified along with every other state sponsored institution But it was the Nuremberg laws that set Bonhoeffer's earthly life on an ineluctable path toward destruction His denunciation of the race statutes as heresy and his insistence on the church's moral obligation to defend all victims of state violence regardless of race or religion alienated him from what would become the Reich church and even some fellow resistors Soon the twenty seven year old pastor was one of the most conspicuous dissidents in Germany He would carry on subverting the regime and bearing Christian witness whether in the pastorate he assumed in London the Pomeranian monastery he established to train dissenting ministers or in the worldwide ecumenical movement Increasingly though Bonhoeffer would find himself a voice crying in the wilderness until finally he understood that true moral responsibility obliged him to commit treason for which he would pay with his life Charles Marsh brings Bonhoeffer to life in his full complexity for the first time With a keen understanding of the multifaceted writings often misunderstood as well as the imperfect man behind the saintly image here is a nuanced exhilarating and often heartrending portrait that lays bare Bonhoeffer's flaws and inner torment as well as the friendships and the faith that sustained and finally redeemed him Strange Glory is a momentous achievement Lived Theology Charles Marsh, Peter Slade, Sarah Azaransky, 2017 The lived theology movement is built on the work of an emerging generation of theologians and scholars who pursue research teaching and writing as a form of public discipleship motivated by the conviction that theology can enhance lived experience This volume based on a two year collaboration with the Project on Lived Theology at the University of Virginia offers a series of illustrations and styles of lived theology in conversation with other major approaches to the religious interpretation of embodied life Reclaiming Dietrich Bonhoeffer Charles Marsh, 1996-09-05 In this book Marsh offers a new way of reading the theology of Dietrich Bonhoeffer a Christian theologian who was executed for his role in the resistance against Hitler and the Nazis Focusing on Bonhoeffer's substantial philosophical interests Marsh examines his work in the context of the German philosophical tradition from Kant through Hegel to Heidegger Marsh argues that Bonhoeffer's description of human identity offers a compelling alternative to post Kantian conceptions of selfhood In addition he shows that Bonhoeffer while working

within the boundaries of Barth's theology provides both a critique and redescription of the tradition of transcendental subjectivity. This fresh look at Bonhoeffer's thought will provoke much discussion in the theological academy and the church as well as in broader forums of intellectual life. **Dietrich Bonhoeffer 1906-1945** Ferdinand Schlingensiepen, 2010-06-01

A new comprehensive biography of this hugely important Christian martyr 60 years after his execution at the hands of the Nazis. Bonhoeffer has gained a position as one of the most prominent Christian martyrs of the last century. His influence is so widespread that even 60 years after his execution by the Nazis, Bonhoeffer's life and work are still the subject of fresh and lively discussion. As a pastor and theologian, Bonhoeffer decided to resist the Nazis in Germany, but his resistance was not solely theological. He played a key leadership role in the Confessing Church, a major source of Christian opposition to Hitler and his anti-Semitism, and was principal of the secret seminary at Finkenwalde in Pomerania. It was here that he developed his theological visions of radical discipleship and communal life. In 1938, he joined the Wehrmacht's Abwehr, the German Military Intelligence Office, in order to seek international support for the plot against Hitler. Following his inner calling and conscience, he was continually forced to make decisions that separated him from his family, friends, and colleagues, which ultimately led to his martyrdom in Flossenbürg concentration camp less than a month before the Second World War came to an end. His letters and papers from prison movingly express the development of some of the most provocative and fascinating ideas of 20th-century theology. Sixty years after Bonhoeffer's death and forty years after the publication of Eberhard Bethge's ground-breaking biography, Ferdinand Schlingensiepen offers a definitive new book on Bonhoeffer for a new generation of readers. Schlingensiepen takes into account documents that have only been made accessible during the last few years, such as the letters between Bonhoeffer and his fiancée, Maria von Wedemeyer. Schlingensiepen's careful narrative brings to life the historical events as well as displaying the theological development of one of the most creative thinkers of the 20th century who was to become one of its most tragic martyrs. **God's Long Summer** Charles Marsh, 2024-08-06

In the summer of 1964, the turmoil of the civil rights movement reached its peak in Mississippi, with activists across the political spectrum claiming that God was on their side in the struggle over racial justice. This was the summer when violence against blacks increased at an alarming rate and when the murder of three civil rights workers in Mississippi resulted in national media attention. Charles Marsh takes us back to this place and time when the lives of activists on all sides of the civil rights issue converged and their images of God clashed. He weaves their voices into a gripping narrative: a Ku Klux Klansman, for example, borrows fiery language from the Bible to link attacks on blacks to his priestly calling; a middle-aged woman describes how the Gospel inspired her to rally other African Americans to fight peacefully for their dignity; a SNCC worker tells of harrowing encounters with angry white mobs and his pilgrimage toward a new racial spirituality called Black Power. Through these emotionally charged stories, Marsh invites us to consider the civil rights movement anew in terms of religion as a powerful yet protean force driving social action. The book's central figures are

Fannie Lou Hamer who worked for Jesus in civil rights activism Sam Bowers the Imperial Wizard of the White Knights of the Ku Klux Klan of Mississippi William Douglas Hudgins an influential white Baptist pastor and unofficial theologian of the closed society Ed King a white Methodist minister and Mississippi native who campaigned to integrate Protestant congregations and Cleveland Sellers a SNCC staff member turned black militant Marsh focuses on the events and religious convictions that led each person into the political upheaval of 1964 He presents an unforgettable American social landscape one that is by turns shameful and inspiring In conclusion Marsh suggests that it may be possible to sift among these narratives and lay the groundwork for a new thinking about racial reconciliation and the beloved community He maintains that the person who embraces faith's life affirming energies will leave behind a most powerful legacy of social activism and compassion

The Beloved Community Charles Marsh, 2008-07-31 A noted theologian explains how the radical idea of Christian love animated the African American civil rights movement and how it can power today's social justice struggles Speaking to his supporters at the end of the Montgomery bus boycott in 1956 Martin Luther King Jr declared that their common goal was not simply the end of segregation as an institution Rather the end is reconciliation the end is redemption the end is the creation of the beloved community King's words reflect the strong religious convictions that motivated the African American civil rights movement As King and his allies saw it Jesus had founded the most revolutionary movement in human history a movement built on the unconditional love of God for the world and the mandate to live in that love Through a commitment to this idea of love and to the practice of nonviolence civil rights leaders sought to transform the social and political realities of twentieth century America In *The Beloved Community* theologian and award winning author Charles Marsh traces the history of the spiritual vision that animated the civil rights movement and shows how it remains a vital source of moral energy today *The Beloved Community* lays out an exuberant new vision for progressive Christianity and reclaims the centrality of faith in the quest for social justice and authentic community

Resisting the Bonhoeffer Brand Charles Marsh, 2023-02-16 Charles Marsh responds to criticisms of his book *Strange Glory: A Life of Dietrich Bonhoeffer* by exploring the largely unexamined relationship between theology and biography In *Resisting the Bonhoeffer Brand* he argues that Bonhoeffer scholarship desperately needs the revitalizing energies of the theologian's life story revisited and uncensored by the guild

Welcoming Justice Charles Marsh, John M. Perkins, 2018-11-20 Historian and theologian Charles Marsh partners with veteran activist John Perkins to chronicle God's vision for a more equitable and just world Now updated to reflect on current social realities this book shows how abandoned places are being restored divisions are being reconciled and what individuals and communities are now doing to welcome peace and justice

[Mobilizing for the Common Good](#) Peter Slade, Charles Marsh, Peter Goodwin Heltzel, 2013-07-11 Born into a sharecropping family in New Hebron Mississippi in 1930 and only receiving a third grade education John M Perkins has been a pioneering prophetic African American voice for reconciliation and social justice to America's white evangelical churches Often an unwelcome voice and always a passionate

provocative clarion Perkins persisted for forty years in bringing about the formation of the Christian Community Development Association a large network of evangelical churches and community organizations working in America's poorest communities and inspired the emerging generation of young evangelicals concerned with releasing the Church from its cultural captivity and oppressive materialism John M Perkins has received surprisingly little attention from historians of modern American religious history and theologians *Mobilizing for the Common Good* is an exploration of his theological significance With contributions from theologians historians and activists this book contends that Perkins ushered in a paradigm shift in twentieth century evangelical theology that continues to influence Christian community development projects and social justice activists today *Spiritual Friendship* Wesley Hill, 2015-04-14 Christianity Today Book Award Winner Friendship is a relationship like no other Unlike the relationships we are born into we choose our friends It is also tenuous we can end a friendship at any time But should friendship be so free and unconstrained Although our culture tends to pay more attention to romantic love marriage family and other forms of community friendship is a genuine love in its own right This eloquent book reminds us that Scripture and tradition have a high view of friendship Single Christians particularly those who are gay and celibate may find it is a form of love to which they are especially called Writing with deep empathy and with fidelity to historic Christian teaching Wesley Hill retrieves a rich understanding of friendship as a spiritual vocation and explains how the church can foster friendship as a basic component of Christian discipleship He helps us reimagine friendship as a robust form of love that is worthy of honor and attention in communities of faith This book sets forth a positive calling for celibate gay Christians and suggests practical ways for all Christians to cultivate stronger friendships

Theologian of Resistance Christiane Tietz, 2016-09-01 Since Dietrich Bonhoeffer's death in 1945 he has continued to fascinate and compel readers as a theologian witness and martyr In this new biography Christiane Tietz masterfully portrays the interconnectedness of Bonhoeffer's life and thought theology and politics discipleship witness and resistance tracing the path from his childhood to his imprisonment and execution Brief lucid and accessible Tietz's new account brings Bonhoeffer's story and work to life in a vivid retelling unfolding his important and widely read texts in the process The volume also includes previously unseen pictures **Kingdom Politics** Kristopher Norris, Sam Speers, 2015-04-16 American Christians weary of decades of entrenched partisan feuding are increasingly distancing themselves from politics Some however continue to turn toward the state and public policy to find solutions to the world's problems The problem is that both responses allow a narrow vision of politics to determine the church's mission and ministries which often ends up separating its commitment to personal faith from the pursuit of social justice the King from the kingdom Christians too easily forget that the church is inherently political a community defined by its allegiance to a King its citizenship in a new world and its call to work alongside others in pursuit of a new way of life The church needs a political vision that is more than blind acceptance or mere rejection of past models It needs a positive vision that takes its cues about politics not from the nation state but from

another political reality the kingdom of God This book tells the stories of the visits of two researchers to five diverse congregations across the United States From the megachurch energy of Rick Warren s Saddleback Church in California to a young Emergent community in Minneapolis to the politically active home of Martin Luther King in Atlanta these stories illuminate the vastly different ways congregations understand and approach politics and offer a glimpse of a new political imagination for today s church

The Doubled Life of Dietrich Bonhoeffer Diane Reynolds,2016-03-11 Few twentieth century theologians have had a bigger impact on theology than Dietrich Bonhoeffer a man who lived his faith and died at the hands of the Nazis For Bonhoeffer the theological was the personal life and faith deeply intertwined and to this day the world is inspired by that witness Yet the true story of the women in this remarkable man s life has until now been obscured by a conventional narrative that has distorted their role Using primary source material by the women and even including the first ever photo of alleged first fiancée Elisabeth Zinn this book sees these women fully for the first time A highly readable but scholarly work of narrative nonfiction The Doubled Life places Bonhoeffer s theology of love and sexuality within the context of his struggles with women friendship and the evils of Nazi Germany
