PIRLS 2011 International Results in Reading Ina V. S. Mullis,2012-12 Long Walk to Freedom Nelson

Mandela,2008-03-11 Essential reading for anyone who wants to understand history and then go out and change it President Barack Obama Nelson Mandela was one of the great moral and political leaders of his time an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country After his triumphant release in 1990 from more than a quarter century of imprisonment Mandela was at the center of the most compelling and inspiring political drama in the world As president of the African National Congress and head of South Africa s antiapartheid movement he was instrumental in moving the nation toward multiracial government and majority rule He is still revered everywhere as a vital force in the fight for human rights and racial equality Long Walk to Freedom is his moving and exhilarating autobiography destined to take its place among the finest memoirs of history s greatest figures Here for the first time Nelson Rolihlahla Mandela told the extraordinary story of his life an epic of struggle setback renewed hope and ultimate triumph The book that inspired the major motion picture Mandela Long Walk to Freedom

**Translating for Children** Ritta Oittinen,2002-06 Translating for Children is not a book on translations of children s literature but a book on translating for children It concentrates on human action in translation and focuses on the translator the translation process and translating for children in particular Translators bring to the translation their cultural heritage their reading experience and in the case of children s books their image of childhood and their own child image In so doing they enter into a dialogic relationship that ultimately involves readers the author the illustrator the translator and the publisher What makes Translating for Children unique is the special attention it pays to issues like the illustrations of stories the performance like reading aloud of the books in translation and the problem of adaptation It demonstrates how translation and its context takes precedence can take over efforts to discover and reproduce the original author s intentions Rather than the authority of the author the book concentrates on the intentions of the readers of a book in translation both the translator and the target language readers **Textbooks and Quality Learning for All** Unesco,2006 Focused on the dual aspects of

access and quality this publication discusses the role of textbooks in facilitating quality education for all The book consists of reviews of the international perspectives as well as case studies on Brazil Russian Federation and Rwanda It also documents strategies that could help to optimise procedures of textbook development production and evaluation enhance textbooks pedagogical impact improve teachers selection of textbooks and raise textbook supply efficiently *Fairy Tale: A Very Short Introduction* Marina Warner,2018-02-13 From wicked queens beautiful princesses elves monsters and goblins to giants glass slippers poisoned apples magic keys and mirrors the characters and images of fairy tales have cast a spell over readers and audiences both adults and children for centuries These fantastic stories have travelled across cultural borders and been passed on from generation to generation ever changing renewed with each re telling Few forms of literature have greater

power to enchant us and rekindle our imagination than a fairy tale But what is a fairy tale Where do they come from and what do they mean What do they try and communicate to us about morality sexuality and society The range of fairy tales stretches across great distances and time their history is entangled with folklore and myth and their inspiration draws on ideas about nature and the supernatural imagination and fantasy psychoanalysis and feminism In this Very Short Introduction Marina Warner digs into a rich hoard of fairy tales in all their brilliant and fantastical variations in order to define a genre and evaluate a literary form that keeps shifting through time and history Drawing on a glittering array of examples from classics such as Red Riding Hood Cinderella and The Sleeping Beauty the Grimm Brothers Hansel and Gretel and Hans Andersen s The Little Mermaid to modern day realizations including Walt Disney s Snow White Warner forms a persuasive case for fairy tale as a crucial repository of human understanding and culture ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Learning for Success : Skills and Strategies for Canadian Students* Joan Fleet, Fiona Goodchild, Richard Zajchowski, 1990 This book presents a comprehensive systematic approach to the development of learning strategies

**How and Why to Read and Create Children's Digital Books** Natalia Kucirkova, 2018-12-03 How and Why to Read and Create Children s Digital Books outlines effective ways of using digital books in early years and primary classrooms and specifies the educational potential of using digital books and apps in physical spaces and virtual communities With a particular focus on apps and personalised reading Natalia Kucirkova combines theory and practice to argue that personalised reading is only truly personalised when it is created or co created by reading communities Divided into two parts Part I suggests criteria to evaluate the educational quality of digital books and practical strategies for their use in the classroom Specific attention is paid to the ways in which digital books can support individual children s strengths and difficulties digital literacies language and communication skills Part II explores digital books created by children their caregivers teachers and librarians and Kucirkova also offers insights into how smart toys tangibles and augmented virtual reality tools can enrich children s reading for pleasure How and Why to Read and Create Children s Digital Books is of interest to an international readership ranging from trainee or established teachers to MA level students and researchers as well as designers librarians and publishers All are inspired to approach children s reading on and with screens with an agentic perspective of creating and sharing Praise for How and Why to Read and Create Children s Digital Books This is an exciting and innovative book not least because it is freely available to read online but because its origins are in primary practice The author is an accomplished storyteller and whether you know as yet little about the value of digital literacy in the storymaking process or you are an accomplished digital player this book is full of evidence informed ideas explanations and inspiration Liz Chamberlain Open University At a time when children s reading is increasingly on

screen many teachers parents and carers are seeking practical straightforward guidance on how to support children s engagement with digital books This volume written by the leading expert on personalised e books is packed with app reviews suggestions and insights from recent international research all underpinned by careful analysis of digital book features and recognition of reading as a social and cultural practice Providing accessible guidance on finding choosing sharing and creating digital books it will be welcomed by those excited by the possibilities of enthusing children about reading in the digital age Cathy Burnett Professor of Literacy and Education Sheffield Hallam University [Die Suid-Afrikaanse wiskunde-olimpiade Suid-Afrikaanse Akademie vir Wetenskap en Kuns,1976](#) [Love Stories That Touched My Heart](#) Ravinder Singh,2012-12-15 Love only a four letter word yet it s so powerful that it can conquer anything in this world We ve all experienced the first flush of love and remember the lingering fragrance of it For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once Humanity time and again has coined many definitions to describe this beautiful emotion but this small word is a feeling that can t simply be defined It has to be narrated in the form of stories love stories Love Stories That Touched My Heart is a collection of such stories from readers who have a tale to tell shortlisted from over 2000 entries that were submitted in a competition conducted by Penguin India Selected and edited by Ravinder Singh this anthology made up of the stories that touched Ravin s heart the most will make you believe that someone somewhere is made for you [THE EARLY GRADE READING ASSESSMENT](#) Amber K. Gove,Anna Wetterberg,2011-09-28 The Early Grade Reading Assessment EGRA measures students progress towards reading EGRA gauges early literacy skills through a 15 minute individual oral assessment of five fundamental reading skills RTI worked with education experts to develop the EGRA in 2006 and it has been piloted and implemented in more than 40 countries This volume aims to take stock of the substantial amount of information and experience generated through the use of EGRA and to share this knowledge with practitioners policymakers and international donors Chapters cover not only particular applications of the instrument but also put EGRA in the context of broader issues and developments in literacy and education
