Basics *The Power of Adrienne Rich* Commercial-Industrial Cleaning, by Pressure-Washing, Hydro-Blasting and UHP-Jetting Don't Get Scammed

Provides a variety of approaches to transit bus service line and cleaning functions so transit agencies can evaluate the effectiveness of their own operations. Briggs & Stratton's Outdoor Cleaning with Pressure Washers is the first and only book available on the new tool that is quietly revolutionizing the way homeowners care for their homes and property. Using simple, high-speed water spray, a pressure washer can be used to strip paint from metal and wood, renovate a faded deck, remove grease and oil from concrete slabs or metal engines, and keep tools and lawn equipment clean and shiny. With affordable models now widely available, pressure-washer sales are growing faster than any other power tool, and this is the one book every owner will need. Detailed step-by-step directions for every possible use of the tool. Complete maintenance and storage information. Tips for buying the right pressure washer. Commercial-Industrial Cleaning, by Pressure-Washing, Hydro-Blasting and UHP-Jetting is the first proprietary manual for cleaning and rehabilitation through pressure-washing, hydro-blasting and ultra high pressure water jetting (UHP). It examines the cleaning, restoration and rehabilitation of statuary and historical structures; manufacturing hardware; and application technologies for residential, commercial and industrial areas, structures and buildings. Commercial-Industrial Cleaning, by Pressure-Washing, Hydro-Blasting

and UHP-Jetting contains over 450 applications from agricultural, marine, municipal, food processing, paper-pulp, pharmaceutical and cosmetic, industrial and power generating maintenance areas. It includes gear lists to help readers easily identify the appropriate tooling and equipment for each specific application and industry. Commercial-Industrial Cleaning, by Pressure-Washing, Hydro-Blasting and UHP-Jetting supplies readers with the tools to create a successful business model for retaining and safeguarding corporate application itineraries. It is a valuable guide for maintenance superintendents, buyers of maintenance services, contractors, field technicians, engineers and architects involved in commercial-industrial cleaning. In a futuristic military adventure a recruit goes through the roughest boot camp in the universe and into battle with the Terran Mobile Infantry in what historians would come to call the First Interstellar War

The Gold Standard for Authentic Thai Cuisine In this showstopping collection of must-try Thai dishes, culinary mastermind and bestselling author Jet Tila opens up the world of his Thai heritage for today's home cooks with recipes that are authentic, accessible and ultra-craveable. Jet partners up with Tad Weyland Fukumoto, longtime friend and fellow chef, to channel their years of Southeast Asian culinary prowess into mouthwatering recipes, such as Street-Style Basil Pork, Glass Noodle Stir-Fry, Hung Lay Northern Pork Curry, New Thai BBQ Chicken, Fried Tilapia with Three-Flavor Sauce and so many more. They've tirelessly perfected these recipes to ensure that their flavors, techniques and quality rank number one

across the board—the true gold standard. With dishes ranging from tantalizing classics and popular street foods to unsung heroes spanning the regions, this cookbook is your one-stop guide to the rich culinary traditions of Thailand. Jet also presents an exciting collection of plant-based takes on popular dishes to welcome everyone to the table and show the range of possibilities in the modern Thai kitchen. Fire up your wok and get hungry for 101 of the best damn Thai dishes you'll ever have. This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more. The first comprehensive biography of Adrienne Rich, feminist and queer icon and internationally revered National Book Award winning poet. Adrienne Rich was the female face of American poetry for decades. Her forceful, uncompromising writing has more than stood the test of time, and the life of the woman behind the words is equally impressive. Motivated by personal

revelations, Rich transformed herself from a traditional, Radcliffe-educated lyric poet and married mother of three sons into a path-breaking lesbian-feminist author of prose as well as poetry. In doing so, she emerged as both architect and exemplar of the modern feminist movement, breaking ranks to denounce the male-dominated literary establishment and paving the way for the many queer women of letters to take their places in the cultural mainstream. Drawing on a wealth of unpublished materials, including Rich's correspondence and in-depth interviews with numerous people who knew her, Hilary Holladay digs deep into never-before-accessed sources to portray Rich in full dimension and vivid, human detail.

How To Start A Pressure Washing Business 101 Q&A - Volume 1: Tough Love From Aaron's Lean & Mean Academy Youtube Channel This book is for serious starters only! This book is a compilation of 101 pressure washing questions from my youtube channel. (Aaron's Lean & Mean Academy) I answered all of them the best I could to fit them in this book. Heres a few samples: Can you use a pressure washer as a soft washer? Is bleach actually Biodegradable?...the deep-state ongoing controversy that surrounds this topic. The most efficient way to measure properties for quoting purposes. How to "Break The News" of a price increase to your current customers. The pitfall of Google Ads that only veteran pressure washing contractors know. The BEST Pressure Washer you can get for \$2500..(Question #11) The BIG LIE of Wix Websites and cheap template website builders. (Question #14) How the pros work with the EPA Gestapo to stay in regulatory

compliance. (Question #15) A little tip on "how to use the customers water." and not your own. (should you charge less?...inside) How creating a partnership will sabotage your business from the inside out. The best way to charge? (Square Footage or by the hour?) and much much more....inside. Warning To The Woke Masses! This book is not for everyone, and if you're a complainer, entitled child or self-righteous communist, (ironically reading this through their iphone) - pressure washing and my channel (Aarons Lean & Mean Academy) isn't for you. If you're one of the few and proud men and women who love to dictate their schedule, be at all your kids football games, sign your own checks, and is willing to work their butt off for it...grab your copy now. I am so immensely grateful because Pressure Washing was my "restart" at life. It gave me the freedom I had always wanted and allowed me to be with my son more often. It also opened up so many opportunities for me and partnerships I never could have dreamed of. I know it can do the same for you...if you want it badly enough. Can it, pickle it, and store it with confidence. If you can boil water, you can make your own delectable jams and jellies, try your hand at fresh-pack pickling, and jar savory sauces. Ball Canning Back to Basics focuses on the building-block techniques and easy, classic recipes every canner should know. The book begins with in-depth information on water bath canning, the equipment you need, and food safety guidance. Transform your vision into reality. If you want to climb a mountain or stand at the North Pole, you'll find answers

inside. Learn step-by-step how to bring yourself to breathtaking locations. You will avoid rookie mistakes and have an extraordinary experience. Buy this book and become the adventure explorer you've always dreamed about. Who made the first snowman? Who first came up with the idea of placing snowballs on top of each other, and who decided they would use a carrot for a nose? Most puzzling of all: How can this mystery ever be solved, with all the evidence long since melted? The snowman appears everywhere on practically everything -- from knickknacks to greeting cards to seasonal sweaters we plan to return. Whenever we see big snowballs our first impulse is to deck them out with a top hat. Humorist and writer Bob Eckstein has long been fascinated by this ubiquitous symbol of wintertime fun -- and finally, for the first time, one of the world's most popular icons gets his due. A thoroughly entertaining exploration, *The History of the Snowman* travels back in time to shed light on the snowman's enigmatic past -- from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars. The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable "white-trash years" (1975-2000). The snowman is not just part of our childhood memories, but is an integral

part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With more than two hundred illustrations and a special section of the best snowman cartoons, *The History of the Snowman* is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever. In this consumer-oriented handbook, Dale shares his seven-step strategy to becoming a savvy consumer. Learn how to identify a scam before you get swindled--this time, experience won't be your teacher. His investigative standard, vetted across numerous businesses, lays down both offensive and defensive tactics for getting the jump on con artists and saving your hard-earned money. Don't get scammed, get smart! Jill Winger, creator of the award-winning blog *The Prairie Homestead*, introduces her debut *The Prairie Homestead Cookbook*, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin *The Pioneer Woman Cooks* meets *100 Days of Real Food*, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional

American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, *The Prairie Homestead Cookbook* shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle. The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —*Publisher's Weekly* "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes

turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores “what it means to be seen, to find someone with whom you can be your best and most complete self.” When Patchett chose an early galley of actor and producer Tom Hanks’ short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most

celebrated writers of our time. Do you have a full time job, but would like to earn some extra money? Are you looking for a career change but feel like you don't have the qualifications? Maybe you're a parent with a high school graduate struggling to find their way. Whatever your motivation, everyone could use a side hustle, so why not pick one that has the potential to bring six figures. This book is laid out in an easy to understand way, with specific check lists on what to do so that you aren't left guessing. Pressure washing has changed my families financial health, and I hope that it does the same for you. The wildly popular YouTube star behind CLEAN MY SPACE presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!), her lightning fast 5–10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and

spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple, groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time. Joy is an internal condition given to us by the Holy Spirit, unlike happiness, which comes when someone or something fills a much, desired need in your life. God is Joy; the final treasure we hope to spend eternity with. Living a joy filled life begins by loving who we are. And loving who we are, starts by applying the trinity of joy God gives us because He loves us unconditionally. God made us in His image; His image of joy. He asks that our daily quest be to seek out Joy, choose Joy, and make Joy in our lives and the lives of others. A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former US Ambassador to the UN Samantha Power. Named one of the best books of the year: The New York Times • National Public Radio • Time • The Economist • The Washington Post • Vanity Fair • Christian Science Monitor • Publishers Weekly • Audible "Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world."—President Barack Obama Includes an updated afterword Tracing her distinctly American journey from immigrant to war correspondent to presidential Cabinet official, Samantha Power's acclaimed memoir is a unique blend of suspenseful storytelling, vivid

character portraits, and shrewd political insight. After her critiques of US foreign policy caught the eye of Senator Barack Obama, he invited her to work with him on Capitol Hill and then on his presidential campaign. When Obama won the presidency, Power went from being an activist outsider to serving as his human rights adviser and, in 2013, becoming the youngest-ever US Ambassador to the United Nations. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy, offering a compelling and deeply honest look at navigating the halls of power while trying to put one's ideals into practice. Along the way, she lays bare the searing battles and defining moments of her life, shows how she juggled the demands of a 24/7 national security job with raising two young children, and makes the case for how we each can advance the cause of human dignity. This is an unforgettable account of the power of idealism—and of one person's fierce determination to make a difference. “This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed seamlessly and with unblinking honesty.”—THOMAS L. FRIEDMAN, *The New York Times Book Review* “Truly engrossing...A pleasure to read.”—RACHEL MADDOW “A beautiful memoir about the times we're living in and the questions we must ask ourselves...I honestly couldn't put it down.” —CHERYL STRAYED, author of *Wild* “Power's compelling memoir provides critically important insights we should all understand as we face some of the most vexing

issues of our time.” —BRYAN STEVENSON, author of *Just Mercy*

The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little . As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right . Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

Dana K. White started *ASlobComesClean.com* in 2009 in a desperate attempt to get her home under control. She had no idea where her deslobification journey would lead, both in her home and in her spiritual life. This is the story of how God worked in her life to show her that He was more concerned with her heart than her home. A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

A 2016 Michael L. Printz Honoree "This is East Texas, and there's lines. Lines you cross, lines you don't cross. That clear?" New London, Texas. 1937. Naomi Vargas and Wash Fuller know about the lines in East Texas as well as anyone. They know the signs that mark them. They know the people who enforce them.

But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Ashley Hope Pérez takes the facts of the 1937 New London school explosion—the worst school disaster in American history—as a backdrop for a riveting novel about segregation, love, family, and the forces that destroy people. **NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE**

• An outsider who can travel between worlds discovers a secret that threatens the very fabric of the multiverse in this stunning debut, a powerful examination of identity, privilege, and belonging. **WINNER OF THE COMPTON CROOK AWARD • FINALIST FOR THE LOCUS AWARD •**

“Gorgeous writing, mind-bending world-building, razor-sharp social commentary, and a main character who demands your attention—and your allegiance.”—Rob Hart, author of *The Warehouse* **ONE OF THE BEST BOOKS OF THE YEAR**—NPR, Library Journal, Book Riot Multiverse travel is finally possible, but there’s just one catch: No one can visit a world where their counterpart is still alive. Enter Cara, whose parallel selves happen to be exceptionally good at dying—from disease, turf wars, or vendettas they couldn’t outrun. Cara’s life has been cut short on 372 worlds in total. On this dystopian Earth, however, Cara has survived. Identified as an outlier and therefore a perfect candidate for multiverse travel, Cara is plucked from the dirt of the wastelands. Now what once made her marginalized has finally become an unexpected source of power. She has a nice apartment on the lower levels of the wealthy and walled-

off Wiley City. She works—and shamelessly flirts—with her enticing yet aloof handler, Dell, as the two women collect off-world data for the Eldridge Institute. She even occasionally leaves the city to visit her family in the wastes, though she struggles to feel at home in either place. So long as she can keep her head down and avoid trouble, Cara is on a sure path to citizenship and security. But trouble finds Cara when one of her eight remaining doppelgängers dies under mysterious circumstances, plunging her into a new world with an old secret. What she discovers will connect her past and her future in ways she could have never imagined—and reveal her own role in a plot that endangers not just her world but the entire multiverse. “Clever characters, surprise twists, plenty of action, and a plot that highlights social and racial inequities in astute prose.”—Library Journal (starred review)

Whether you're just starting a pressure cleaning business or ready for unprecedented growth, *The Pressure Cleaning Bible: Marketing* provides proven methods for building a successful business. Inside you'll find:

- * A New Alternative from Guesswork
- * Guaranteed Results for Marketing Your Pressure Cleaning Business
- * Proven Strategies that Will Make You Money

Author Steve Stephens, owner of HydroTech Pressure Cleaning Technologies and founder of the HydroTech Pressure Cleaning Training Facility, has been a leader in the pressure cleaning business for over 30 years. He is joined by co-author Allison Hester, award-winning writer

and former Managing Editor of *Cleaner Times Magazine*. Together they share the proven, industry-specific marketing strategies for growing your pressure cleaning business. The bestselling author of *Pledged* returns with a groundbreaking look at the pressure to achieve faced by America's teens. In *Pledged*, Alexandra Robbins followed four college girls to produce a riveting narrative that read like fiction. Now, in *The Overachievers*, Robbins uses the same captivating style to explore how our high-stakes educational culture has spiraled out of control. During the year of her ten-year reunion, Robbins goes back to her high school, where she follows heart-tuggingly likeable students including "AP" Frank, who grapples with horrifying parental pressure to succeed; Audrey, whose panicked perfectionism overshadows her life; Sam, who worries his years of overachieving will be wasted if he doesn't attend a name-brand college; Taylor, whose ambition threatens her popular girl status; and The Stealth Overachiever, a mystery junior who flies under the radar. Robbins tackles teen issues such as intense stress, the student and teacher cheating epidemic, sports rage, parental guilt, the black market for study drugs, and a college admissions process so cutthroat that students are driven to suicide and depression because of a B. With a compelling mix of fast-paced narrative and fascinating investigative journalism, *The Overachievers* aims both to calm the admissions frenzy and to expose its escalating dangers. Lost near lethal crevasses and cliffs in a blinding whiteout blizzard is the last place anyone would want to be. Polar explorer Aaron Linsdau attempts to climb Denali solo

and shares valuable lessons on managing risk trying to achieve a goal. Pressure washing is an extremely effective method of getting rid of dirt. It's much easier and produces better results than hours of scrubbing, and without the back-breaking work! This is a service that customers love. Pressure washing can avoid the need for repainting and can make a building look like new again. It is a great service for residential and business customers alike. Here's a tip on how to start a pressure washing business - it's actually pretty easy! It doesn't need a lot of start-up capital and the necessary skill-set is easy to learn. You'll have the added benefits of being your own boss and working outside. No more sitting in an office 40 hours a week. Once you've got the skills, it can be very satisfying to make things look fresh and clean again for your customers. The ideal pressure washing business owners are those with an eye for detail and good customer service skills. Read on for some advice on starting your pressure washing business in this guide Get your copy today by scrolling up and clicking Buy Now to get your copy today

NATIONAL BESTSELLER • From Martin Dugard, the #1 New York Times bestselling coauthor of the Killing series with Bill O'Reilly, comes the spellbinding story of the Allied liberation of Paris from the grip of the Nazis during World War II “Taking Paris does for Paris during World War II what The Splendid and the Vile did for London.”—James Patterson • “Heroes and villains abound. You’ll enjoy this fast-paced book immensely.”—Bill O’Reilly • “Succeeds triumphantly.”—The Washington Post May 1940: The world is stunned as Hitler's forces invade France with a devastating

blitzkrieg aimed at Paris. Within weeks, the French government has collapsed, and the City of Lights, revered for its carefree lifestyle, intellectual freedom, and love of liberty, has fallen under Nazi control—perhaps forever. As the Germans ruthlessly crush all opposition, a patriotic band of Parisians known as the Resistance secretly rise up to fight back. But these young men and women cannot do it alone. Over 120,000 Parisians die under German occupation. Countless more are tortured in the city's Gestapo prisons and sent to death camps. The longer the Nazis hold the city, the greater the danger its citizens face. As the armies of America and Great Britain prepare to launch the greatest invasion in history, the spies of the Resistance risk all to ensure the Germans are defeated and Paris is once again free. The players holding the fate of Paris in their hands are some of the biggest historical figures of the era: Winston Churchill, Franklin Roosevelt, General George S. Patton, and the exiled French general Charles de Gaulle, headquartered in London's Connaught Hotel. From the fall of Paris in 1940 to the race for Paris in 1944, this riveting, page-turning drama unfolds through their decisions—for better and worse. Taking Paris is history told at a breathtaking pace, a sprawling yet intimate saga of heroism, desire, and personal sacrifice for all that is right.

SILLY MAGICAL POWERS, KIDS ON THE RUN.

In a whimsical debut novel from the popular technology writer. One day, Abby Carnelia, ordinary sixth grader, realizes she has a magical power. Okay, it's not a fancy one (she can make a hard-boiled egg spin by tugging on her ears). But it's the only one she has, and it's enough to launch her

into an adventure where she meets a host of kids with similarly silly powers, becomes a potential guinea pig for a drug company, and hatches a daring plan for escape. Kids will be dying to unearth their own magical powers after reading this whimsical debut by tech personality David Pogue. "I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis

A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place. John Burbidge has aimed his brush, roller, and spray gun at everything from ritzy mansions to trashy trailers. He's gone underground to paint sewage-treatment plants and risked death to paint factory ceilings. He has no doubt inhaled enough noxious dust and paint fumes to shorten his life. But he's not dead yet. And the captivating characters he has encountered along the way have more than offset the toils of

painting for a living. Ex-cons, addicts, drifting college grads, even a guy with a hole in his head-that's your typical paint crew, bonded only by the fact that they're caught in a job society thinks is for simpletons. In *Watching Paint Dry*, John Burbidge scrapes beneath the surface of painting's reputation for monotony while intimately portraying the men and women who craft the backdrop to our civilization.

"Informative, funny, and sometimes heartbreaking . . . this is a book you will want to recommend to everyone you know."
--Sharon Barrett, Chicago Sun-Times book critic for 28 years

Cleanlots has been described as "America's Simplest Business" and "almost as simple as a walk in the park."

Entrepreneur magazine said parking lot litter cleanup is "a simple, inexpensive and potentially lucrative business to get into, and the market is growing." The *Cleanlots* book is an operations manual on how to start and operate a parking lot litter cleanup business. Each book purchase includes FREE email and telephone support from the author. Since 1981, author Brian Winch has made a six-figure annual income cleaning up litter from parking lots, and he'll teach you to do the same. It's an excellent way to take control over your life and income; you can start this business with very little money, without a college education or advanced computer skills. It's an ideal business for anyone who likes to work outside, who's responsible and can pay attention to detail. You can also operate this business part-time, as a side hustle until you're ready to go full-time. Learn techniques on keeping feet warm in the cold while enjoying outdoor activities. From one of the most popular project channels on

YouTube comes a how-to book on building things that go boom. Grant Thompson, "The King of Random," has created one of the most popular project channels on YouTube, featuring awesome videos such as How to Make a Laser Assisted Blowgun and Assassin's Micro Crossbow. He currently has almost 10 million subscribers, posts 5 times a week, and averages over 40 million views a month.

Partnering with Grant is Ted Slampyak, the artist behind the #1 New York Times bestseller 100 Deadly Skills. 52

Random Weekend Projects: For Budding Inventors and Backyard Builders is a guide that enables ordinary folks to build an impressive arsenal of projects. These crafts combine some of Grant's most popular projects—Matchbox Rockets, Pocket Slingshot Super Shooters, Proto-Putty, Ninja Balls, Mini Matchstick Guns, The Clothespin Pocket Pistol—with many new ones, providing clear instructions on how to build them step-by-step. Broken down into Beginner, Intermediate, and Advanced sections, 52 Random Weekend Projects is loaded with truly amazing projects, including: - Mousetrap Handgun - Mini Solar Scorcher - Air Vortex Canon - Air Mounted Skewer Shooter - Paracord Bullwhip - Bottle Cap Party Whistle - Ninja Stress Balls - Tablecloth Parachute - Skyblaster Slingshot And many more! From the Man Booker Prize Finalist comes the third novel in her Seasonal Quartet—a New York Times Notable Book and longlisted for the Orwell Prize for Political Fiction 2020 What unites Katherine Mansfield, Charlie Chaplin, Shakespeare, Rilke, Beethoven, Brexit, the present, the past, the north, the south, the east, the west, a man mourning lost times, a woman

trapped in modern times? Spring. The great connective. With an eye to the migrancy of story over time and riffing on Pericles, one of Shakespeare's most resistant and rollicking works, Ali Smith tell the impossible tale of an impossible time. In a time of walls and lockdown, Smith opens the door. The time we're living in is changing nature. Will it change the nature of story? Hope springs eternal.
