Everything You Need to Know But Have Never Been Told David Icke,2017-11-18 I want to make it clear before we start what the title represents Everything You Need To Know But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge How could you put that between two covers Religious books claim to do this but they are works of self delusion and perceptual imprisonment Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality both in the seen and unseen from which everything else will come This book is a start not a finish It is written in layers with information placed upon information that together reveals the picture by connecting the parts The parts are fascinating but the picture is devastating Prepare for a perception reboot

Phantom Self David Icke,2016 The vast majority of us unknowingly suffer from a slave mentality We constantly experience the psychological phenomena of cognitive dissonance where our beliefs and behaviour are in conflict and Stockholm syndrome the traumatic bonding with a captor Our ability to decode reality is linked to what we are able to perceive Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control Our health is being systematically weakened if you are sick you are easier to control Ickes dystopian view of the future assumes that the masses will stay glued to their TVs locked forever into the hive mind of the Matrix which says I have no power Can humanity break free Through truth and love we can become who and what we really are
