Seven Regents exams, answers are explained--wrong answers are analyzed. Reference tables and diagrams are included. Includes test-taking tips. This regent review book differs from other regents review book in the following manner. For each multiple choice or fillin question a background information section keys the student into the information needed to solve the problem. This section has proved helpful to students doing homework. If the student doesn't understand the subject of the homework, it is helpful to find a similar problem in the regents review book where in a one or two sentence explanation in the regents review book will clarify the subject in question. Answers are checked by

seeing that the answer satisfies the requirements in the problem. Designed for students to use in the classroom or at home to study and prepare for the New York State Regents exam on global studies.
