Fueled in Fire (Ravage MC Rebellion Series Book Two) Jul 28 2022 ~This book and their journey were everything... sexy, intense, suspenseful, dangerous, twisted, gritty, raw, passionate, undeniable, and completely unforgettable in every single way there was. -Brianna I did it. I chose him. Pain is written all over Crow's strong face. When our eyes connect, I feel it just as he does. He was my solace once, now it's my turn to pay him back. The disappointment in my father's eyes is seared into my memory, burning deep in my soul, my family loyalty tested. We were given a second chance and I took it, the pull to him strong and demanding. But leaving the Sumner Ravage MC,

my home and going to Rebellion, comes at a very stiff price. The path chosen isn't paved with good intentions. The man I thought I'd fallen in love with is all a dream. Fake. A façade. When my eyes open, my world becomes clear. The lies are too big. The betrayals too harsh. The secrets one too many. His actions speak louder than his words ever have. And I'm a Hutton. Ravage. Fierce and strong. Crow did it. Now it's my turn ... ~Connected in Pain has angst, heartache, secrets, action, some really hot scenes, and enough suspense to keep you right on the edge of your seat wondering what will happen next. -Janna ~The story was filled with emotions, it had suspense, drama, action and twists. The

book will keep you on the edge of your seat. The connection and chemistry between the couple was strong and sexy. -Dani ~Ravage Rebellion had a real Kristen Ashley feel to me. -PGsky ~Oh how I wish I could give this book more than 5 stars! This book left my emotions raw and a book hangover that just won't quit! -Stephanie ~Loved this amazing heart wrenching emotional beautiful story of forbidden love. -Teresa --- Ravage MC Series reading order: Ravage Me (Cruz & Princess) Seduce Me (GT & Casey) Consume Me (Tug & Blaze) Inflamm Me (Rhys & Tanner) Captivate Me (Buzz & Bella - Breaker & Shania) Ride with Me (co-written with Chelsea Camaron) The Ravage MC Novella Collection (Satisfy Me, Rattle Me, Final Ravage MC Epilogue) Ravage MC Bound Series (Second Generation) reading order: Bound by Family (Cooper & Bristyl) Bound by Desire (Deke & Rylie) Bound by Vengeance (Ryker & Austyn) Bound by Affliction (Green & Leah) Bound by Destiny (Emery & Jacks & Micah) Bound by

Jimmy

Burns is an expatriate American living in Mexico who has an uncommonly astute eye for the absurd little details that comprise your average American. For a time, Jimmy spent his days unearthing pre-Colombian artifacts. Now he makes a living doing small trucking jobs and helping out with the occasional missing person situation—whatever it takes to remain “the very picture of an American idler in Mexico, right down to the grass-green golfing trousers.” But when Jimmy’s laid-back lifestyle is seriously imposed upon by a ninety-pound stalker called Louise, a sudden wave of “hippies” (led by a murderous ex-con guru) in search of psychic happenings, and a group of archaeologists who are unearthing (illegally) Mayan tombs, his simple South-of-the-Border existence faces a clear and present danger.

**The Burning God** May 06 2023 The exciting end to The Poppy War trilogy, R. F. Kuang’s acclaimed, award-winning epic fantasy that combines the history of twentieth-century China

with a gripping world of gods and monsters, to devastating, enthralling effect. After saving her nation of Nikan from foreign invaders and battling the evil Empress Su Daji in a brutal civil war, Fang Runin was betrayed by allies and left for dead. Despite her losses, Rin hasn’t given up on those for whom she has sacrificed so much—the people of the southern provinces and especially Tikany, the village that is her home. Returning to her roots, Rin meets difficult challenges—and unexpected opportunities. While her new allies in the Southern Coalition leadership are sly and untrustworthy, Rin quickly realizes that the real power in Nikan lies with the millions of common people who thirst for vengeance and revere her as a goddess of salvation. Backed by the masses and her Southern Army, Rin will use every weapon to defeat the Dragon Republic, the colonizing Hesperians, and all who threaten the shamanic arts and their practitioners. As her power and influence grows, though, will she be strong

\* HUGO AWARD WINNER: BEST NOVELLA \*  
NEBULA AND LOCUS AWARDS WINNER: BEST NOVELLA \* "[An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit, revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities."

—Publishers Weekly (starred review) From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading.

[offsite.creighton.edu](http://offsite.creighton.edu)

Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. There's still a war going on, after all. And someone has to win. That's how war works, right? Cowritten by two beloved and award-winning sci-fi writers, *This Is How You Lose the Time War* is an epic love story spanning time and space.

NPR Best Short Story Collections of 2012 A  
Boston Globe, San Francisco Chronicle, and  
Time Out New York Best Book of the year, and  
more . . . Like the work of Cormac McCarthy,  
Denis Johnson, Richard Ford, and Annie Proulx,  
Battleborn represents a near-perfect confluence  
of sensibility and setting, and the introduction of  
an exceptionally powerful and original literary  
voice. In each of these ten unforgettable stories,  
Claire Vaye Watkins writes her way fearlessly  
into the mythology of the American West, utterly  
reimagining it. Her characters orbit around the  
region's vast spaces, winning redemption  
despite - and often because of - the hardship and  
violence they endure. The arrival of a foreigner  
transforms the exchange of eroticism and  
emotion at a prostitution ranch. A prospecting  
hermit discovers the limits of his rugged  
individualism when he tries to rescue an abused  
teenager. Decades after she led her best friend

bravely of all, Watkins takes on - and reinvents -  
her own troubled legacy in a story that emerges  
from the mayhem and destruction of Helter

to the minute and personal, from Gold Rush to  
ghost town to desert to brothel, the collection  
echoes not only in its title but also in its fierce,  
undefeated spirit the motto of her home state.  
**Burns** Nov 12 2023 This book emphasizes the  
fundamental surgical, medical and related  
procedures involved in each stage of burn care,  
thus enabling the reader to focus on the  
essentials, and ensure the best outcome for  
patients. Chapters range from burn physiology,  
initial care and resuscitation, to wound  
evaluation and surgical management,  
respiratory and critical care, rehabilitation,  
reconstruction and aftercare. The book's concise  
visual approach will appeal to all professionals  
caring for burn patients in acute or recovery  
phases.

*Everything Ravaged, Everything Burned: Stories*  
Jun 19 2024 Viking marauders descend on a much-plundered island, hoping some mayhem will shake off the winter blahs. A man is booted out of his home after his wife discovers that the print of a bare foot on the inside of his windshield doesn't match her own. Teenage cousins, drugged by summer, meet with a reckoning in the woods. A boy runs off to the carnival after his stepfather bites him in a brawl. In the stories of Wells Tower, families fall apart and messily try to reassemble themselves. His version of America is touched with the seamy splendor of the dropout, the misfit: failed inventors, boozy dreamers, hapless fathers, wayward sons. Combining electric prose with savage wit, *Everything Ravaged, Everything Burned* is a major debut, announcing a voice we have not heard before.

**Burn Unit** Aug 09 2023 “A compelling blend of science, history and storytelling. Barbara Ravage has fashioned an enlightening, invaluable book.” —Stewart O’Nan, author of The Circus Fire: A True Story of an American Tragedy Though each of us is just a spark away from being a burn victim, the public knows little and understands less about the world that patients inhabit. Pulling the curtains back on this private and sterile environment, Burn Unit is a riveting account of the frontline efforts—both modern-day and historical—to save lives devastated by fire. With unflinching urgency, Barbara Ravage follows an extraordinary team of healers at Massachusetts

General Hospital, the cradle of modern burn treatment and the site of one of the best burn units in the world. From Boston's Coconut Grove fire of 1942 to the treatment of the victims of the Rhode Island nightclub fire in early 2003, we watch everyday heroes do their incredible but punishing work against the backdrop of history. Both a moving human drama and an engrossing scientific exploration of this little-known field of medicine, *Burn Unit* is an unforgettably powerful read.

Radically new, full of maniacal invention and page-turning momentum. . . . Yuknavitch has exhibited a rare gift for writing that concedes little in its quest to be authentic, meaningful and relevant. By adding speculative elements to *The Book of Joan*, she reaches new heights with even higher stakes: the death or life of our planet." — Jeff VanderMeer, New York Times Book Review (cover review) "Stunning. . . . Yuknavitch understands that our collective narrative can either destroy or redeem us, and the outcome depends not just on who's telling it, but also on who's listening." — O, The Oprah Magazine "[A] searing fusion of literary fiction and reimagined history and science-fiction thriller and eco-fantasy. . . . Yuknavitch is a bold

and ecstatic writer.” — NPR Books “[The Book of Joan] offers a wealth of pathos, with plenty of resonant excruciations and some disturbing meditations on humanity’s place in creation . . . [It] concludes in a bold and satisfying apotheosis like some legend out of The Golden Bough and reaffirms that even amid utter devastation and ruin, hope can still blossom.” — Washington Post

The bestselling author of *The Small Backs of Children* offers a vision of our near-extinction and a heroine—a reimagined Joan of Arc—poised to save a world ravaged by war, violence, and greed, and forever change history, in this provocative new novel. In the near future, world wars have transformed the earth into a battleground. Fleeing the unending violence and the planet’s now-radioactive surface, humans have regrouped to a mysterious platform known as CIEL, hovering over their erstwhile home. The changed world has turned evolution on its head: the surviving humans have become sexless, hairless, pale-white creatures floating in

[offsite.creighton.edu](http://offsite.creighton.edu)

isolation, inscribing stories upon their skin. Out of the ranks of the endless wars rises Jean de Men, a charismatic and bloodthirsty cult leader who turns CIEL into a quasi-corporate police state. A group of rebels unite to dismantle his iron rule—galvanized by the heroic song of Joan, a child-warrior who possesses a mysterious force that lives within her and communes with the earth. When de Men and his armies turn Joan into a martyr, the consequences are astonishing. And no one—not the rebels, Jean de Men, or even Joan herself—can foresee the way her story and unique gift will forge the destiny of an entire world for generations. A riveting tale of destruction and love found in the direst of places—even at the extreme end of post-human experience—Lidia Yuknavitch’s *The Book of Joan* raises questions about what it means to be human, the fluidity of sex and gender, and the role of art as a means for survival.

**The Uninhabitable Earth** Feb 03 2023 #1  
NEW YORK TIMES BESTSELLER • “The

Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon.”—Andrew Solomon, author of *The Noonday Demon* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • The New York Times Book Review • Time • NPR • The Economist • The Paris Review • Toronto Star • GQ • The Times Literary Supplement • The New York Public Library • Kirkus Reviews It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “epoch-defining book” (The Guardian) and “this generation’s *Silent Spring*” (The Washington Post), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of

technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today’s. LONGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD “*The Uninhabitable Earth* is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet.”—Farhad Manjoo, *The New York Times* “Riveting. . . . Some readers will find Mr. Wallace-Wells’s outline of possible futures alarmist. He is indeed alarmed. You should be, too.”—*The Economist* “Potent and evocative. . . . Wallace-Wells has resolved to offer something

other than the standard narrative of climate change. . . . He avoids the 'eerily banal language of climatology' in favor of lush, rolling prose."—Jennifer Szalai, *The New York Times* "The book has potential to be this generation's *Silent Spring*."—*The Washington Post* "The *Uninhabitable Earth*, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."—Alan Weisman, *The New York Review of Books*

**Veil and Burn** Aug 29 2022 Concerned with physical experience, pain, and disability, *Veil and Burn* illuminates an intense desire to feel through the Other, embrace it, become it, and in the transformation, to understand the suffering body. In poems about animals, artifacts, and monsters, Lambeth displays a fascination for all bodies while exploring their pain, common fate, alienation, and abilities. Hovering between poem and prose fragment, between the self and fellow creatures, Laurie Clements Lambeth celebrates

physical sensation, imbuing it with lyric shape, however broken, however imprisoned the shape may be.

*To Tell the Truth Freely* Aug 17 2021 Born to slaves in 1862, Ida B. Wells became a fearless antilynching crusader, women's rights advocate, and journalist. Wells's refusal to accept any compromise on racial inequality caused her to be labeled a "dangerous radical" in her day but made her a model for later civil rights activists as well as a powerful witness to the troubled racial politics of her era. Though she eventually helped found the NAACP in 1910, she would not remain a member for long, as she rejected not only Booker T. Washington's accommodationism but also the moderating influence of white reformers within the early NAACP. In the richly illustrated "To Tell the Truth Freely," the historian Mia Bay vividly captures Wells's legacy and life, from her childhood in Mississippi to her early career in late-nineteenth-century Memphis and her later life in Progressive-era Chicago.

**Burn Down the Sky** Jan 02 2023 After the destruction of nature and the death of the world . . . After the Wicca virus drove billions to madness and suicide, replacing order and reason with violence and terror . . . In the parched ruins of what once was civilization, one commodity is far more valuable than all others combined: female children. When well-armed marauders roll in at dusk to brutally attack a fiercely defended compound of survivors, Jessie is unable to halt the slaughter—and she can do nothing to prevent the ruthless abduction of innocents, including her youngest child. Now, along with her outraged teenage daughter, Bliss, Jessie must set out on a journey across a blasted landscape—joining up with the desperate, the broken, the half-mad, on an impossible mission: to storm the fortress of a dark and twisted religion and bring the children home.

**American Rust** Mar 16 2024 Set in a beautiful

but dying Pennsylvania steel town, *American Rust* is a novel of the lost American dream and the desperation that arises from its loss. It is the story of two young men bound to the town by family, responsibility, inertia and the beauty around them who dream of a future beyond the factories, abandoned homes, and the polluted river. Isaac is the smartest kid in town, left behind to care for his sick father after his mother commits suicide and his sister Lee moves away. Now Isaac wants out too. Not even his best friend, Billy Poe, can stand in his way: broad-shouldered Billy, always ready for a fight, still living in his mother's trailer. Then, on the very day of Isaac's leaving, something happens that changes the friends' fates and tests the loyalties of their friendship and those of their lovers, families, and the town itself. Evoking John Steinbeck's novels of restless lives during the Great Depression, *American Rust* is an extraordinarily moving novel about the bleak realities that battle our desire for

transcendence, and the power of love and friendship to redeem us.

Infinite Country May 26 2022 A REESE'S BOOK CLUB PICK and INSTANT NEW YORK TIMES BESTSELLER WINNER OF THE 2021 NEW AMERICAN VOICES AWARD, LONGLISTED FOR THE 2022 ANDREW CARNEGIE MEDAL, A 2022 DAYTON LITERARY PEACE PRIZE FINALIST, AND A NATIONAL ENDOWMENT OF THE ARTS "BIG READS" SELECTION "A profound, beautiful novel." —People \* "Poignant." —BuzzFeed \* "A breathtaking story of the unimaginable prices paid for a better life." —Esquire This "heartbreaking portrait of a family dealing with the realities of migration and separation" (Time) is "a sweeping love story and tragic drama [and] an authentic vision of what the American Dream looks like in a nationalistic country" (Elle). I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested mountains of

Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia's parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro's deportation and the family's splintering—the costs they've all been living with ever since. Award-winning, internationally acclaimed author Patricia Engel, herself a dual

citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their respective circumstances. Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, *Infinite Country* "is as much an all-American story as it is a global one" (Booklist, starred review).

**You Lost Me There** Oct 31 2022 "Beautiful, brainy, and offbeat" (Entertainment Weekly), a perfect sophisticated summer read. By turns funny, charming, and tragic, Rosecrans Baldwin's debut novel introduces leading Alzheimer's researcher Dr. Victor Aaron, who spends his days alternating between long hours in the lab and running through memories of his late wife, Sara. He's preserved their marriage as a perfect, if tumultuous, duet between two opposite but compatible souls. Until the day he discovers a series of index cards in Sara's handwriting that chronicle the major "changes in

direction of their marriage." Suddenly this eminent memory expert finds his faith in memory itself unraveling, and he must, along with his support network of strong women—from his lab assistant to Aunt Betsy, the doddering doyenne of the island where they all live—determine a way to move on. **Lost in Summerland** Mar 12 2021 Barrett Swanson embarks on a personal quest across the United States to uncover what it means to be an

American amid the swirl of our post-truth climate in this collection of critically acclaimed essays and reportage. A trip with his brother to a New York psychic community becomes a rollicking tour through the world of American spiritualism. At a wilderness retreat in Ohio, men seek a cure for toxic masculinity, while in the hinterlands of Wisconsin, antiwar veterans turn to farming when they cannot sustain the heroic myth of service. And when his best friend's body washes up on the shores of the Mississippi River, he falls into the gullet of true crime discussion boards, exploring the stamina of conspiracy theories along the cankered byways of the Midwest. In this exhilarating debut, Barrett Swanson introduces us to a new reality. At a moment when grand unifying narratives have splintered into competing storylines, these critically acclaimed essays document the many routes by which people are struggling to find stability in the aftermath of our country's political and economic collapse,

sometimes at dire and disillusioning costs. *Ravaged (The Hunger #3)* Apr 05 2023 \*Book 3 in The Hunger series.\* Welcome to the mountains of Pennsylvania, one of the last vestiges of the human race. Lance York, a self-described loser in another life, has rediscovered himself in the midst of the apocalypse. Along with a cadre of other survivors, including the hardened, sexy Cass, Lance has taken refuge in a compound, struggling to survive the onslaught of monstrosities descending upon them each night. The horrors that have devoured mankind are changing, their minds rebooting like a computer. Intelligence, the lone advantage of the humans, is returning to the infected. They ravage the compound with calculated, precise strikes, chiseling away at the defenses Lance and his friends have erected. With the help of new ally, Major Frank Colt, the flickering flame of the old world must fight to stave off the extinguishing tidal wave of the new one.

**Before I Burn** Feb 15 2024 In the late 1970s, a

pyromaniac runs amok in a close-knit community in rural Norway. Homes are burnt to a cinder, and panic spreads, as neighbors wonder who amongst them could be wreaking such fear and anguish. And slowly, almost imperceptibly, a mother comes to realize that her son is lighting the fires. Born into this time of chaos, Gaute Heivoll is indelibly linked to the arsonist intent on such destruction. By juxtaposing the pyromaniac's story with his own, Heivoll explores memory, loss, and the agonizing separation of child from parent that it is a rite of passage for us all. Written in fluid, luminous prose, *Before I Burn* is a literary sensation, by the foremost Norwegian writer of his generation. **The Burning Shores** Nov 19 2021 A riveting, beautifully crafted account of Libya after Qadhafi. The death of Colonel Muammar Qadhafi freed Libya from forty-two years of despotic rule, raising hopes for a new era. But in the aftermath, the country descended into bitter rivalries and civil war, paving the way for the

Islamic State and a catastrophic migrant crisis. In a fast-paced narrative that blends frontline reporting, analysis, and history, Frederic Wehrey tells the story of what went wrong. An Arabic-speaking Middle East scholar, Wehrey interviewed the key actors in Libya and paints vivid portraits of lives upended by a country in turmoil: the once-hopeful activists murdered or exiled, revolutionaries transformed into militia bosses or jihadist recruits, an aging general who promises salvation from the chaos in exchange for a return to the old authoritarianism. He traveled where few Westerners have gone, from the shattered city of Benghazi, birthplace of the revolution, to the lawless Sahara, to the coastal stronghold of the Islamic State in Qadhafi's hometown of Sirt. He chronicles the American and international missteps after the dictator's death that hastened the country's unraveling. Written with bravura, based on daring reportage, and informed by deep knowledge, *The Burning Shores* is the definitive account of

Libya's fall.

*Reflections on a Ravaged Century* Dec 21 2021 A look at the twentieth century examines the factors and events that have sent millions to their deaths, discussing the philosophies that have caused so much conflict, as well as what the future may hold for the human race.

*The Great Hurricane, 1938* Jun 14 2021 "Before there was the Perfect Storm, there was the Great Hurricane of 1938. A riveting and wonderfully written account." —Nathaniel Philbrick On the night of September 21, 1938, news on the radio was full of the invasion of Czechoslovakia. There was no mention of any severe weather. By the time oceanfront residents noticed an ominous color in the sky, it was too late to escape. In an age before warning systems and the ubiquity of television, this unprecedented storm caught the Northeast off guard, obliterated coastal communities on Long Island and in New England, and killed nearly seven hundred people. The Great Hurricane,

1938 is a spellbinding hour-by-hour reconstruction of one of the most destructive and powerful storms ever to hit the United States. With riveting detail, Burns weaves together countless personal stories of loved ones lost and lives changed forever—from those of the Moore family, washed to sea on a raft formerly their attic floor, to Katharine Hepburn, holed up in her Connecticut mansion, watching her car take to the air like a bit of paper. "A very good book." —The Washington Post

*High As the Waters Rise* Jun 26 2022 This "gorgeously written" National Book Award finalist is a dazzling, heart-rending story of an oil rig worker whose closest friend goes missing, plunging him into isolation and forcing him to confront his past (NPR, One of the Best Books of the Year). One night aboard an oil drilling platform in the Atlantic, Waclaw returns to his cabin to find that his bunkmate and companion, Mátyás, has gone missing. A search of the rig confirms his fear that Mátyás has fallen into the

sea. Grief-stricken, he embarks on an epic emotional and physical journey that takes him to Morocco, to Budapest and Mátyás's hometown in Hungary, to Malta, Italy, and finally to the mining town of his childhood in Germany. Waclaw's encounters along the way with other lost and yearning souls—Mátyás's angry, grieving half-sister; lonely rig workers on shore leave; a truck driver who watches the world change from his driver's seat—bring us closer to his origins while also revealing the problems of a globalized economy dependent on waning natural resources. High as the Waters Rise is a stirring exploration of male intimacy, the nature of memory and grief, and the cost of freedom—the story of a man who stands at the margins of a society from which he has profited little, though its functioning depends on his labor.

Defy The Ravaged Jul 16 2021 My name is Willow. His name is Jason. He hated me. I hated him- while silently hiding how much all that hate

hurt deep down inside me. But all that was before. Before everything changed. Before I woke up to gunshots and screaming and death. Now he still hates me, along with his Uncle Paulie and their club brothers. But I don't hate him. I can't, not after he came for me. Not after he saved me. Not now that the ravaged are here. They come at you like you're nothing. With their feral snarls, and bloodshot eyes. Their decaying mouths salivating for a bite of you. They are hungry for life and we are their meal. I didn't want to believe it. I didn't want to accept it. But I can't ignore them now that they're everywhere. Now that the threat of them haunts us every waking moment. With Jason standing between them and me- I can't hate him anymore. I don't want to. Defy the Ravaged is a compilation of the four-part romantic dystopian series originally published separately as novellas. It includes: Willow, Thrive, Hunted, and Defend. This story ends with an epilogue but is just the beginning of an epic dystopian series. Warning: For

Readers 18 years and older. Contains explicit sexual situations, possible triggers, dark themes, language, and violence. Reviews: "Zombies, blood, death, life, love and a psychopath all make for a really great read. Add a handsome Marine, a motorcycle, and his club and it is perfect!" -Amazon Reviewer "Loved this book. Characters are well developed and it has a great story. It is emotional, raw and gripping. I literally couldn't put it down."- Amazon Reviewer "Really one of the best zombie books I've read in awhile. Between her post-apocalyptic and her sci-fi books, this author is becoming one of my favorites." -Amazon Reviewer "There are so many twists and turns, you never know what's going to happen next. I was so involved in this book that when I was reading, I paid attention to nothing else around me." -Amazon Reviewer "I devoured it. There's so much happening between the fall of civilization itself and the relationship between Willow and Jay. I love how the romance never takes a back seat but the action is pretty

much constant. So much love this series." - Amazon Reviewer "This book made me forget about time. I totally lost a night reading this and not realizing its morning already. From the first page to the last . . . You will be drawn to it. The writing is so good and flawless you just flow with it. Non stop action must read. I can't wait for the next one." -Amazon Reviewer "This book hooks you from the beginning! I couldn't put it down once I started to read it. Can't wait for the next book!" -Amazon Reviewer

Burned Dec 01 2022 NEW YORK TIMES BESTSELLER • “Mac is back and badder than ever!”—J. R. Ward MacKayla Lane and Jericho Barrons return in the blockbuster Fever series from Karen Marie Moning. It’s easy to walk away from lies. Power is another thing. MacKayla Lane would do anything to save the home she loves. A gifted sidhe-seer, she’s already fought and defeated the deadly Sinsar Dubh—an ancient book of terrible evil—yet its hold on her has never been stronger. When the

wall that protected humans from the seductive, insatiable Fae was destroyed on Halloween, long-imprisoned immortals ravaged the planet. Now Dublin is a war zone with factions battling for control. As the city heats up and the ice left by the Hoar Frost King melts, tempers flare, passions run red-hot, and dangerous lines get crossed. Seelie and Unseelie vie for power against nine ancient immortals who have governed Dublin for millennia; a rival band of sidhe-seers invades the city, determined to claim it for their own; Mac's former protégé and best friend, Dani "Mega" O'Malley, is now her fierce enemy; and even more urgent, Highland druid Christian MacKeltar has been captured by the Crimson Hag and is being driven deeper into Unseelie madness with each passing day. The only one Mac can depend on is the powerful, dangerous immortal Jericho Barrons, but even their fiery bond is tested by betrayal. It's a world where staying alive is a constant struggle, the line between good and evil is blurred, and every

alliance comes at a price. In an epic battle against dark forces, Mac must decide who she can trust, and what her survival is ultimately worth. Look for all of Karen Marie Moning's sensational Fever novels: DARKFEVER | BLOODFEVER | FAEFEVER | DREAMFEVER | SHADOWFEVER | ICED | BURNED | FEVERBORN | FEVERSONG Praise for Burned "Karen Marie Moning is back, delivering the kind of spellbinding, addictive, twisted tale we love to devour. Magic and madness, intrigue and illusion, passion and power, sexual tension and more sexual tension. . . . Burned is a book that shouldn't be missed. Thrilling, suspenseful, sexy—it has all the right stuff to delight the most ardent of Fever fans."—USA Today "Dark, delicious suspense! Karen Marie Moning is my author of choice and Fever is my series of choice for action-packed suspense with a spine-tingling paranormal twist."—#1 New York Times bestselling author Lisa Gardner "A masterwork by an incomparable writer. Burned is brilliant,

sexy, and dangerous. I adore Moning! No one does it better.”—#1 New York Times bestselling author Sylvia Day “Prepare for a heart-stopping trip into the epic Fever world, filled with gasp-out-loud surprises and sweltering sensuality.”—#1 New York Times bestselling author Kresley Cole “Burned gets the highest rating from me. I wanted to run through town shouting ‘Mac is back! Mac is back!’ Grab some snacks, something to drink, and settle down for a cover-to-cover read that will likely keep you up all night.”—New York Times bestselling author Linda Howard “One of the most anticipated books in romance . . . Burned is told through several viewpoints, but the dominating view is Mac’s, and it’s wonderful to have her back, as well as get to spend time with the two Alphas in her life.”—Heroes and Heartbreakers “Deeply complex, heady and action-packed.”—RT Book Reviews

**Burning Roses** Sep 10 2023 From Hugo Award Winner S. L. Huang "S. L. Huang is

amazing.”—Patrick Rothfuss Burning Roses is a gorgeous fairy tale of love and family, of demons and lost gods, for fans of Zen Cho and Neon Yang. Rosa, also known as Red Riding Hood, is done with wolves and woods. Hou Yi the Archer is tired, and knows she’s past her prime. They would both rather just be retired, but that’s not what the world has ready for them. When deadly sunbirds begin to ravage the countryside, threatening everything they’ve both grown to love, the two must join forces. Now blessed and burdened with the hindsight of middle age, they begin a quest that’s a reckoning of sacrifices made and mistakes mourned, of choices and family and the quest for immortality. **When These Mountains Burn** Sep 17 2021  
Winner of the 2020 Dashiell Hammett Award for Literary Excellence in Crime Writing Acclaimed author and "remarkably gifted storyteller" (The Charlotte Observer) David Joy returns with a fierce and tender tale of a father, an addict, a

lawman, and the explosive events that come to unite them. When his addict son gets in deep with his dealer, it takes everything Raymond Mathis has to bail him out of trouble one last time. Frustrated by the slow pace and limitations of the law, Raymond decides to take matters into his own hands. After a workplace accident left him out of a job and in pain, Denny Rattler has spent years chasing his next high. He supports his habit through careful theft, following strict rules that keep him under the radar and out of jail. But when faced with opportunities too easy to resist, Denny makes two choices that change everything. For months, the DEA has been chasing the drug supply in the mountains to no avail, when a lead--just one word--sets one agent on a path to crack the case wide open . . . but he'll need help from the most unexpected quarter. As chance brings together these men from different sides of a relentless epidemic, each may come to find that his opportunity for redemption lies with the others.

*Firestorm* Mar 04 2023 "Frightening...Firestorm comes alive when Struzik discusses the work of offbeat scientists." --New York Times Book Review "Comprehensive and compelling." --Booklist "A powerful message." --Kirkus "Should be required reading." --Library Journal In the spring of 2016, the world watched as wildfire ravaged the Canadian town of Fort McMurray. Firefighters named the fire "the Beast." It seemed to be alive with destructive energy, and they hoped never to see anything like it again. Yet it's not a stretch to imagine we will all soon live in a world in which fires like the Beast are commonplace. In *Firestorm*, Edward Struzik confronts this new reality, offering a deftly woven tale of science, economics, politics, and human determination. It's possible for us to flourish in the coming age of megafires--but it will take a radical new approach that requires acknowledging that fires are no longer avoidable. Living with fire also means, Struzik reveals, that we must better understand how the

surprising, far-reaching impacts of these massive fires will linger long after the smoke eventually clears.

*Squirrel Seeks Chipmunk* Oct 11 2023 Featuring David Sedaris's unique blend of hilarity and heart, this new collection of keen-eyed animal-themed tales is an utter delight. Though the characters may not be human, the situations in these stories bear an uncanny resemblance to the insanity of everyday life. In "The Toad, the Turtle, and the Duck," three strangers commiserate about animal bureaucracy while waiting in a complaint line. In "Hello Kitty," a cynical feline struggles to sit through his prison-mandated AA meetings. In "The Squirrel and the Chipmunk," a pair of star-crossed lovers is separated by prejudiced family members. With original illustrations by Ian Falconer, author of the bestselling *Olivia* series of children's books, these stories are David Sedaris at his most observant, poignant, and surprising.

*The Garden of Burning Sand* Jul 08 2023 The

New York Times bestselling author John Hart raved that "If you like stories of good people struggling to do right in the world's forgotten places, there is no one better suited than Corban Addison to take you on the ride of your life." In *The Garden of Burning Sand*, Addison, the bestselling author of *A Walk Across the Sun*, creates a powerful and poignant novel that takes the reader from the red light areas of Lusaka, Zambia, to the gilded chambers of the Washington, D.C. elite, to the splendor of Victoria Falls and Cape Town. Zoe Fleming, an accomplished young human rights attorney, has made a life for herself in Zambia, far from her estranged father--an American business mogul with presidential aspirations--and from the devastating betrayals of her past. When a young girl with Down syndrome is sexually assaulted in a Lusaka slum, Zoe joins Zambian police officer Joseph Kabuta in investigating the rape. Piecing together clues from the victim's past, they discover an unsettling connection between the

girl--Kuyeya--and a powerful Zambian family who will stop at nothing to bury the truth. As they are drawn deeper into the complex web of characters behind this appalling crime, Zoe and Joseph forge a bond of trust and friendship that slowly transforms into love. Opposed on all sides, they find themselves caught in a dangerous clash between the forces of justice and power. To successfully prosecute Kuyeya's attacker and build a future with Joseph, Zoe must risk her life and her heart--and confront the dark past she thought she had left behind.

**The Ravaged** Jan 14 2024 New York Times bestseller Los Angeles Times bestseller USA Today bestseller The highly anticipated debut novel from Norman Reedus, acclaimed star of *The Walking Dead* "This country wasn't built on good—only fought for with good intentions." Jack's dying mother told him, "Run and never look back." He spent his life amassing wealth, but after losing his family, he has no one to share it with. Alone with his demons and a

backpack, he heads to South America, where people with nothing teach him what matters. After thrashing his dog-abusing boss, Hunter learns of his father's death in a mysterious fire. Biker buddies Nugget and Itch ride with him from North Carolina to California. Stories from his father's life help ease the struggles of small-town Americans. Hunter discovers a secret past. Seventeen-year-old Anne flees Tennessee after her older brother attacks her. She whacks him with a skillet and hops a freight to Alabama with her best friend. Living hand to mouth, they build friendships, uncovering something they never had: family. *The Ravaged* is a fast-paced, up-in-your-face novel of gritty realism, exploring three different personal quests with eerily parallel outcomes.

*Ravaged With You* Apr 12 2021 Retired from the military and finally free of the demons of past missions, former Special Forces soldier Charlie "Red" Cooper leads a blissfully calm life running his successful distillery. At least until the day he

finds his partner and best friend drowned in one of their best barrels of whiskey. Now he must dredge up old skills and memories to not only avenge his friend's death, but to protect the one woman who has always made his pulse race—his friend's grieving widow. Shocked by her husband's death, Josephine Swift should be mourning, but instead she's terrified and...pissed. Turns out the husband she'd fallen out of love with was into some seriously bad business. Even worse, he's dragged her and his partner into his web of deceit and danger. Now his mistakes could get them both killed. Jo is glad to have the benefit of Red's skills to keep them safe. She shouldn't be interested in him—especially not now—but there's no denying the white-hot attraction that smolders between them. Red's far too honorable to sully his best friend's memory by giving in to his desire for Jo. But when their lives hang in the balance, all bets are off. And as the depth of their passion grows, Jo dares to hope for a future. First, though, they

have to survive... Charismatic. Dangerous. Sexy as hell. Meet the elite team at Stark Security. The Stark Security Series: Shattered With You Shadows Of You (free prequel to Broken With You!) Broken With You Ruined With You Wrecked With You Destroyed With You Memories of You (novella) Ravaged With You **The Road** Feb 20 2022 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of The Passenger A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack

stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.
