Supernanny How To Get The Best From Your Children Jo Frost

Supernanny Jo Frost, 2005 Jo Frost aka Supernanny is the answer to every stressed parent's dreams. In Channel 4's prime time series Jo works miracles on problem children by dispensing tough love, no-nonsense rules, and reassuring us that parents do know best. The Supernanny method gives parents the know-how to tackle any problem area, be it mealtime, bathtime, bedtime, bedwetting, homework, sibling rivalry, aggressive behaviour, or a child who just won't do what he or she is told. In an era where parents are bombarded with conflicting or guilt-laden messages at every turn and sometimes obey their kids' commands rather than the other way around, this is an upbeat, back-to-basics approach to restoring harmony and authority in the home. Jo has a magical way with children, but her methods are simple and can and do work for anyone: regular routine, consistency, verbal warnings, time-out after misbehaviour, and rewarding good behaviour with lots of attention. Your ten-month-old won't sleep through the night, or your two-year-old is out of control. Jo knows what to do and can show you how to do it. For anyone who doesn't feel in charge at home, this is a godsend of a book full of brilliantly commonsense advice: the only parenting book you'll ever want.

Supernanny Jo Frost, 2005 The British child care expert provides advice and suggestions for parents of preschoolers on developmental stages, establishing a household routine, and handling such potential trouble spots as dressing, toilet training, meals, and bedtime.

Ask Supernanny Jo Frost, 2006 Jo tames the wildest toddlers, sorts out the bolshiest kids, and turns warring tribes into loving, relaxed families. In this book she addresses a wide range of new issues from single parenting, divorce, and bereavement to how to take the stress out of the school run. She introduces new techniques to improve family dynamics and she provides the depth and detail to make sure you can put her methods successfully into action, right from the word go.

Jo Frost's Toddler Rules Jo Frost, 2014-09-25 From the beloved TV disciplinarian and bestselling author of SUPERNANNY comes an amazingly simple five-step programme of Toddler Rules to help parents tame tantrums, prevent bad behaviour, and create long-term peace and stability in the home. Jo Frost has always had a natural gift for connecting with children and for helping parents navigate milestones with practical know-how and ease. With the success of her hit TV shows SUPERNANNY, EXTREME PARENTAL GUIDANCE, and FAMILY SOS WITH JO FROST, and more recently JO FROST FAMILY MATTERS, she's proven her ability to expertly rein in unacceptable conduct and bring peace and stability to millions of homes worldwide. Now in this invaluable book she shows you how to identify and eliminate toddler tantrums and curb behaviours in other child-rearing areas. Frost's effective five-step programme for disciplined parenting addresses such challenges as sleep, winning those nightly battles, and going to bed and staying there. Food: what to cook, trying new things, and enjoying meal times. Play: sharing toys, defusing squabbles, and developing social skills. Learning: listening, language, and development. Manners: teaching respect, showing examples, and positive praise.
