How to speed up business processes, improve quality, and cut costs in any industry

In factories around the world,

Toyota consistently makes the highest-quality cars with the fewest defects of any competing manufacturer, while using fewer man-hours, less on-hand inventory, and half the floor space of its competitors. The Toyota Way is the first book for a general audience that explains the management principles and business philosophy behind Toyota's worldwide reputation for quality and reliability. Complete with profiles of organizations that have successfully adopted Toyota's principles, this book shows managers in every industry how to improve business processes by:

- Eliminating wasted time and resources
- Building quality into workplace systems
- Finding low-cost but reliable alternatives to expensive new technology
- Producing in small quantities
- Turning every employee into a qualitycontrol inspector

A soup-to-nuts introduction to small, economical sailing craft

Trailer sailers--the smallest, most economical sailboats with sleeping accommodations--are a popular platform for learning the basics of sailing and are often considered to be the entry level to cruising under sail. Author Brian Gilbert shows how trailer sailers can be the ideal craft for a lifetime of enjoyment, including serious, long-distance cruising. This book covers all the bases, including how to inspect, buy, and equip a boat; how to trailer, sail, navigate, and cruise in small boats; how to use communications and navigation

equipment; and more. Aimed at amateurs and presented in an easy-to-use format, this Toyota RAV4 manual will make routine maintenance and repair work accessible to all careful owners. "Total Car Car is the most complete, step-by-step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views, and photographs. Here are just a few of the items in this manual that make your repair jobs easier: Expand index to quickly locate information ; Wiring diagrams ; Diagnostic charts ; Troubleshooting charts ; A glossary to identify those unfamiliar terms."--Page 4 of cover.
