The Harbinger David James, 2012-09 In *The Harbinger* Fact or Fiction author David James exhaustively documents and responds to the serious flaws found throughout the New York Times best seller from Charisma Media *The Harbinger* Messianic rabbi Jonathan Cahn believes he has discovered an ancient mystery in Isaiah 9:10 that explains everything from 9/11 to the collapse of the global economy As Cahn states at the beginning of his book What you are about to read is presented in the form of a story but what is contained within the story is real Many have accepted Cahn's message as being genuinely from God However David James has clearly demonstrated that *The Harbinger* falls far short of meeting the biblical requirements for such a message from God being based on the mishandling of Scripture faulty theology misleading statements the selective use of historical facts and unsupported speculation
