*The Poisonwood Bible* Barbara Kingsolver, 2009-10-13 New York Times Bestseller Finalist for the Pulitzer Prize An Oprah's Book Club Selection Powerful Kingsolver has with infinitely steady hands worked the prickly threads of religion politics race sin and redemption into a thing of terrible beauty Los Angeles Times Book Review The Poisonwood Bible now celebrating its 25th anniversary established Barbara Kingsolver as one of the most thoughtful and daring of modern writers Taking its place alongside the classic works of postcolonial literature it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa The story is told by the wife and four daughters of Nathan Price a fierce evangelical Baptist who takes his family and mission to the Belgian Congo in 1959 They carry with them everything they believe they will need from home but soon find that all of it from garden seeds to Scripture is calamitously transformed on African soil The novel is set against one of the most dramatic political chronicles of the twentieth century the Congo's fight for independence from Belgium the murder of its first elected prime minister the CIA coup to install his replacement and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy Against this backdrop Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa a tale indelibly darkened by her own losses and unanswerable questions about her own culpability Also narrating the story by turns are her four daughters the teenaged Rachel adolescent twins Leah and Adah and Ruth May a prescient five year old These sharply observant girls who arrive in the Congo with racial preconceptions forged in 1950s Georgia will be marked in surprisingly different ways by their father's intractable mission and by Africa itself Ultimately each must strike her own separate path to salvation Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility

**Another America/Otra America** Barbara Kingsolver, 2022-02-22 From a bestselling and beloved author an intensely personal collection of poetry rich with political and human resonance Ursula K LeGuin Before becoming the bestselling author we know today Barbara Kingsolver as a new college graduate in search of adventure moved to the borderlands of Tucson Arizona What she found she says was another America Interweaving past political events from the US backed dictatorships in South America to the government surveillance carried out in the Reagan years Kingsolver's early poetry expands into a broader examination of the racism discrimination and immigration system she witnessed at close range The poems coalesce in a record of her emerging adulthood in which she confronts the hypocrisy of the national myth of America a confrontation that would come to shape her not only as an artist but as a citizen With a new introduction from Kingsolver that reflects on the current border crisis Another America is a striking portrait of a country deeply divided between those with privilege and those without and the lives of urgent purpose that may be carved out in between
