**English in Southeast Asia and ASEAN** Azirah Hashim, Gerhard Leitner,2020-11-16 English in Southeast Asia and ASEAN embeds English in its various regional Southeast Asian and political ASEAN language habitats Addressing the history developmental stages and contacts with other languages it provides in depth information on the region and its political organization In doing so it analyzes the geo political division of the region between former Anglophone and non Anglophone colonies and shows that this distinction has led to considerable differences in the status and texture of English This analysis includes the role and impact of American English in mainland and maritime Southeast Asia to highlight the linguistic properties of English and its linguistic and sociopolitical development English used in specific domains language policies and concludes with the future of English and future challenges This book therefore provides an integrative survey of the various roles of English in ASEAN member states and studies the transformation of entire language habitats including the major national and regional languages that participate in this process It also explains how new societies emerge with their conflicting identities and their aspirations to act regionally or even globally and is a valuable resource for scholars and students in the fields of World Englishes Asian Studies and those interested in language contact policy and planning

**Preparing Teachers to Teach English as an International Language** Aya Matsuda,2017-01-19 This book explores ways to prepare teachers to teach English as an International Language EIL and provides theoretically grounded models for EIL informed teacher education The volume includes two chapters that present a theoretical approach and principles in EIL teacher education followed by a collection of descriptions of field tested teacher education programs courses units in a course and activities from diverse geographical

and institutional contexts which together demonstrate a variety of possible approaches to preparing teachers to teach EIL. The book helps create a space for the exploration of EIL teacher education that cuts across English as a Lingua Franca World Englishes and other relevant scholarly communities.

*Good God but You Smart!* Nichole E. Stanford, 2016-10-14 Taking Cajuns as a case study *Good God but You Smart* explores the subtle ways language bias is used in classrooms within families and in pop culture references to enforce systemic economic inequality. It is the first book in composition studies to examine comprehensively and from an insider's perspective the cultural and linguistic assimilation of Cajuns in Louisiana. The study investigates the complicated motivations and cultural concessions of upwardly mobile Cajuns who choose to self-censor to speak Standardized English over the Cajun English that carries their cultural identity. Drawing on surveys of English teachers in four Louisiana colleges, previously unpublished archival data, and Pierre Bourdieu's theory of the legitimate language, author Nichole Stanford explores how socioeconomic and political pressures rooted in language prejudice make code switching or self-censoring in public seem a responsible decision. Yet teaching students to skirt others' prejudice toward certain dialects only puts off actually dealing with the prejudice. Focusing on what goes on outside classrooms, Stanford critiques code switching and cautions users of code meshing that pedagogical responses within the educational system are limited by the reproductive function of schools. Each theory section includes parallel memoir sections in the Cajun tradition of storytelling to open an experiential window to the study without technical language. Through its explication of language legitimacy and its grounding in lived experience, *Good God but You Smart* is an essential addition to the pedagogical canon of language minority studies like those of Villanueva, Gilyard, Smitherman, and Rose.

**English Language Education Policy in Asia** Robert Kirkpatrick, 2015-11-27 This volume offers comprehensive state-of-the-art overviews of educational policies concerning the teaching of English in a large number of Asian countries. Each contribution is written by a leading expert and gives a clear assessment of current policies and future trends. Starting with a description of the English education policies in the respective countries, the contributors then delve into the nuts and bolts of the English education policies and how they play out in practice in the education system in schools, in the curriculum, and in teaching. Topics covered include the balance between the acquisition of English and the national language, political, cultural, economic, and technical factors that strengthen or weaken the learning of English.

*The Pedagogy of English as an International Language* Roby Marlina, Ram Ashish Giri, 2014-06-23 This volume offers insights in current theoretical discussions, observations, and reflections from internationally and regionally celebrated scholars on the theory and practice of teaching English, informed by a new school of thought: English as an International Language (EIL). This volume provides readers, scholars, teachers, teacher educators, researchers in the relevant fields with knowledge of the changing paradigm and attitudes towards English language teaching, from teaching a single variety of English to teaching intercultural communication and English language variation. Current thoughts on the theory of teaching English as an international language by internationally celebrated established scholars.

and emergent scholars Scholarly descriptions and discussions of how English language educators and teacher educators translate the paradigm of English as an International Language into their existing teaching Delineation of how this newly emerged paradigm is received or responded to by English language educators and students when it is implemented Readers have a unique opportunity to observe and read the tensions and dilemmas that educators and students are likely to experience in teaching and learning EIL
