**The Leader in Me** Stephen R. Covey,2012-12-11 Children in today s world are inundated with information about who to be what to do and how to live But what if there was a way to teach children how to manage priorities focus on goals and be a positive influence on the world around them The Leader in Me is that programme It s based on a hugely successful initiative carried out at the A B Combs Elementary School in North Carolina To hear the parents of A B Combs talk about the school is to be amazed In 1999 the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students The parents reported an incredible change in their children who blossomed under the programme By the end of the following year the average end of grade scores had leapt from 84 to 94 This book will launch the message onto a much larger platform Stephen R Covey takes the 7 Habits that have already changed the lives of millions of people and shows how children can use them as they develop Those habits be proactive begin with the end in mind put first things first think win win seek to understand and then to be understood synergize and sharpen the saw are critical skills to learn at a young age and bring incredible results proving that it s never too early to teach someone how to live well

*Good Strategy Bad Strategy* Richard Rumelt, 2011-07-19 Good Strategy Bad Strategy clarifies the muddled thinking underlying too many strategies and provides a clear way to create and implement a powerful action oriented strategy for the real world Developing and implementing a strategy is the central task of a leader A good strategy is a specific and coherent response to and approach for overcoming the obstacles to progress A good strategy works by harnessing and applying power where it will have the greatest effect Yet Rumelt shows that there has been a growing and unfortunate tendency to equate Mom and apple pie values fluffy packages of buzzwords motivational slogans and financial goals with strategy In *Good Strategy Bad Strategy* he debunks these elements of bad strategy and awakens an understanding of the power of a good strategy He introduces nine sources of power ranging from using leverage to effectively focusing on growth that are eye opening yet pragmatic tools that can easily be put to work on Monday morning and uses fascinating examples from business nonprofit and military affairs to bring its original and pragmatic ideas to life The detailed examples range from Apple to General Motors from the two Iraq wars to Afghanistan from a small local market to Wal Mart from Nvidia to Silicon Graphics from the Getty Trust to the Los Angeles Unified School District from Cisco Systems to Paccar and from Global Crossing to the 2007 08 financial crisis Reflecting an astonishing grasp and integration of economics finance technology history and the brilliance and foibles of the human character *Good Strategy Bad Strategy* stems from Rumelt s decades of digging beyond the superficial to address hard questions with honesty and integrity
