World Civilizations Peter N. Stearns, Michael B. Adas, Marc Jason Gilbert, 2008 Taureans ever wondered what the Sun signs tell you about love and life? This unique anthology of poems for love and life relates directly to your Sun sign, Taurus. If you were born between the 21st of April and the 21st of May, you will relate to many of the themes identified with your sign's characteristics and personality traits. The poems in this collection have been chosen because they reflect a Taurean attitude to life. They appeal to the interests ruled by your sign: the animals, flowers, trees, plants, and places celebrated by the poets and associated with the sign of Taurus over three thousand years of traditional astrology. Some have been chosen simply because we believe you will enjoy them and that they will awaken or re-awaken your love of poetry.
