Breaking Out of Beginner's Spanish Aug 04 2021 Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme language test-communicating fluently with native speakers.

*The Simple Way to Learn Spanish 2* Jul 15 2022 In book one, we established the idea that language is an essential aspect of the human condition and provided you with the basics for learning some conversational Spanish. In book two, we expand upon this by introducing you to other aspects of grammar that may not have been previously covered. Again, we find ourselves asking questions like "Where can I buy some empanadas?" "Who is the new president of Spain?" or "How much do we pay to watch a game at the Camp Nou?" We may not have the answers, but we

can help you ask the questions, in the simplest of ways. Like its predecessor, this book contains a collection of some of the most used words in everyday Spanish conversation. It makes use of the age-old learning techniques of repetition and rote memorization, to condition the brain for learning Spanish as quickly as possible. In addition, an auxiliary feature called story mode has been included to aid the listener in a test for comprehension. Finally, it should be noted that while this book will aid in a visual recognition and comprehension of words in the Spanish language, students must also understand their proper pronunciations. And so, from the beautiful city of Madrid, the city of love and all things fashionable, we present to you, The Simple Way To Learn Spanish 2.

language by reading stories. There are several manuscripts similar to this one for learning Spanish but they are not really optimal or suitable for beginners for different reasons: complicated terms are used, the stories are too long, lack of vocabulary, excessive amount of grammatical errors, lack of techniques and suggestions to help the reader to memorize effortlessly and other carelessness that you will not find in this manuscript. In this bundle of series 1 and 2 you'll find: - Tips and techniques about learning languages, and Key insights into learning Spanish - The fundamentals of the Spanish language - Some of the most complex issues of the Spanish language - Verb conjugations in the Present Tense - 22 Dual-Language lessons in parallel text broken down into verb tenses - Core vocabulary which can be used in multiple situations - The present simple tense with the verbs "Ser" and "Estar" - The various ways in which verbs can be conjugated - The Present Simple tense with regular verbs - 2 empowering lessons with all the tenses together and much more! In addition to get the most out of this manuscript you'll find a parallel translation of the stories in English and at the beginning of each lesson, there is a glossary that contains the words of the story that will follow. This will help you to memorize the most important words of each story. In conclusion with all these advantages it will be scientifically impossible not to learn Spanish. If you are ready to learn quickly and effortlessly Spanish, just buy a copy of this manuscript to start speaking Spanish fluently now.
