**Into That Darkness** Gitta Sereny, 2013-02-28 The biography of Franz Stangl commandant of the Treblinka extermination camp a classic and utterly compelling study of evil Only four men commanded Nazi extermination as opposed to concentration camps Franz Stangl was one of the Gitta Sereny's investigation of this man's mind and of the influences which shaped him has become a classic Stangl commanded Treblinka and was found guilty of co responsibility for the slaughter there of at least 900 000 people Sereny after weeks of talk with him and months of further research shows us this man as he saw himself and as he was seen by many others including his wife To horrify is not Sereny's aim though horror is inevitable She is seeking an answer to the question which beggars reason How were human beings turned into instruments of such overwhelming evil Gitta Sereny is of Hungarian Austrian extraction and is trilingual in English French and German During the Second World War she became a social worker caring for war damaged children in France She gave hundreds of lectures in schools and colleges in America and when the war ended she worked as a Child Welfare Officer in UNRRA displaced persons camps in Germany In 1949 she married the American Vogue photographer Don Honeyman and settled in London where they brought up a son and a daughter and where she began her career as a journalist Her journalistic work was of great variety but focussed particularly on the Third Reich and troubled children She wrote mainly for the Daily Telegraph Magazine the Sunday Times The Times the Independent and the Independent on Sunday Review She also contributed to numerous newspapers and magazines around the world Her books include The Medallion a novel The Invisible Children on child prostitution Into That Darkness and a biographical examination of Albert Speer Gitta Sereny died in June 2012

**Into That Darkness** Gitta Sereny, 1983-01-12 Based on 70 hours of interviews with Franz Stangl commandant of Treblinka the largest of the five Nazi extermination camps this book bares the soul of a man who continually found ways to rationalize his role in Hitler's final solution

Albert Speer Gitta Sereny, 1996-10-29 Albert Speer was not only Hitler's architect and armaments minister but the Fuhrer's closest friend his unhappy love Speer was one of the few defendants at the Nuremberg Trials to take responsibility for Nazi war crimes even as he denied knowledge of the Holocaust Now this enigma of a man is unveiled in a monumental biography by a writer who came to know Speer intimately in his final years Out of hundreds of hours of interviews Sereny unravels the threads of Speer's personality the genius that made him indispensable to the German war machine the conscience that drove him to repent and the emotional wounds that made him susceptible to Hitler's lethal magnetism Read as an inside account of the Third Reich or as a revelatory unsparing yet compassionate study of the human capacity for evil Albert Speer His Battle with Truth is a triumph Fascinating Not only a major addition to our knowledge of the Third Reich but a stunning attempt to understand the nature of good and evil Newsday More than a biography It also constitutes a perceptive re examination of the mysterious appeal of Adolf Hitler San Francisco Chronicle

*Cries Unheard* Gitta Sereny, 2000-04-15 England's controversial 1 best seller What brings a child to kill another child In 1968 at age eleven Mary Bell was tried and convicted of murdering two small boys in Newcastle upon Tyne England Gitta Sereny who covered the sensational trial never believed the characterization of Bell as the incarnation of evil the bad seed personified If we are ever to understand the pressures that lead children to commit serious crimes Sereny felt only those children as adults can enlighten us Twenty seven years after her conviction Mary Bell agreed to talk to Sereny about her harrowing childhood her terrible acts her public trial and her years of imprisonment to talk about what was done to her and what she did who she was and who she became Nothing Bell says is intended as an excuse for her crimes But her devastating story forces us to ponder society's responsibility for children at the breaking point whether in Newcastle Arkansas or Oregon A masterpiece of wisdom and sympathy Gitta Sereny's wrenching portrait of a girl's damaged childhood and a woman's fight for moral regeneration urgently calls on us to hear the cries of all children at risk

*God's Bankers* Gerald Posner, 2015-02-03 New York Times Bestseller A deeply researched exposé of the money and the clerics turned financiers at the heart of the Vatican Chicago Tribune From a master chronicler of legal and financial misconduct a magnificent investigation nine years in the making *God's Bankers* traces the political intrigue of the Catholic Church in a meticulous work that cracks wide open the Vatican's legendary enabling secrecy Kirkus Reviews Decidedly not about faith belief in God or religious doctrine this book is about the church's accumulation of wealth and its byzantine financial entanglements across the world Telling the story through two hundred years of prelates bishops cardinals and the popes who oversee it all Gerald Posner uncovers an eyebrow raising account of money and power in one of the world's most influential organizations *God's Bankers* is a revelatory and astounding saga marked by poisoned business titans murdered prosecutors and mysterious deaths written off as suicides a carnival of characters from popes and cardinals to financiers and mobsters to kings and prime ministers and a set of moral and political circumstances that not only clarify the church's aims and ambitions but reflect the larger tensions of more recent history Posner also assesses Pope Francis's potential to overcome the resistance to change in the Vatican's Machiavellian inner court and rein in the excesses of its seemingly uncontrollable financial quagmire As exciting as a mystery thriller Providence Journal this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power Reads like a sprawling novel full of complex characters and surprising twists Readers interested in issues involving religion and international finance will find Posner's work a compelling read Library Journal An extraordinarily intricate tale of intrigue corruption and organized criminality Posner's gifts as a reporter and storyteller are most vividly displayed in a series of lurid chapters on the American archbishop Paul Marcinkus the arch Machiavellian who ran the Vatican Bank from 1971 1989 The New York Times Book Review

*Trap with a Green Fence* Richard Glazar, 1995-06-21 *Trap with a Green Fence* is Richard Glazar's memoir of deportation escape and survival In economical prose Glazar weaves a description of Treblinka and its operations into his evocation of himself and his fellow prisoners as denizens of an underworld Glazar gives us compelling images of these horrors in a tone that remains thoughtful but sober affecting but simple

**Speer** Martin Kitchen,2015-10-28 Sets the record straight on Albert Speer s assertions of ignorance of the Final Solution and claims to being the good Nazi Kirkus Reviews In his bestselling autobiography Albert Speer Minister of Armaments and chief architect of Nazi Germany repeatedly insisted he knew nothing of the genocidal crimes of Hitler s Third Reich In this revealing new biography author Martin Kitchen disputes Speer s lifelong assertions of ignorance and innocence portraying a far darker figure who was deeply implicated in the appalling crimes committed by the regime he served so well Kitchen reconstructs Speer s life with what we now know including information from valuable new sources that have come to light only in recent years The result is the first truly serious accounting of the man his beliefs and his actions during one of the darkest epochs in modern history not only countering Speer s claims of non culpability but also disputing the commonly held misconception that it was his unique genius alone that kept the German military armed and fighting long after its defeat was inevitable A devastating portrait of an empty narcissistic and compulsively ambitious personality The Wall Street Journal Kitchen s exhaustively researched detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis Its fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning for today Daily Mail Book of the Month An excellent new biography Kitchen has taken a wrecking ball to Speer s mendacious and meticulously created self image And about time too History Today

**The Operation Reinhard Death Camps** Yitzhak Arad,2018-07-13 Under the code name Operation Reinhard more than one and a half million Jews were murdered between 1942 and 1943 in the concentration camps of Belzec Sobibor and Treblinka located in Nazi occupied Poland Unlike more well known camps which were used both for slave labor and extermination these camps existed purely to murder Jews Few victims survived to tell their stories and the camps were largely forgotten after they were dismantled in 1943 The Operation Reinhard Death Camps bears eloquent witness to this horrific tragedy This newly revised and expanded edition includes new material on the history of the Jews under German occupation in Poland the execution and timing of Operation Reinhard information about the ghettos in Lublin Warsaw Krakow Radom and Galicia and updated numbers of the victims who were murdered during deportations In addition to documenting the horror of the camps Yitzhak Arad recounts the stories of those courageous enough to struggle against the Nazis and their final solution Arad s work retrieves the experiences of Operation Reinhard s victims and survivors from obscurity and exposes a terrible chapter in humanity s history

**The Case Of Mary Bell** Gitta Sereny,2013-03-31 In December 1968 two girls who lived next door to each other Mary aged eleven and Norma thirteen stood before a criminal court in Newcastle accused of strangling two little boys Martin Brown four years old and Brian Howe three Norma was acquitted Mary Bell the younger but infinitely more sophisticated and cooler of the two was found guilty of manslaughter She evaded being branded as a murderer due to what the court ruled as diminished responsibility but she was sentenced to detention for life Step by step Gitta Sereny pieces together a gripping and rare study of a horrifying crime the murders the events surrounding them the alternately bizzare and nonchalant behaviour of the two girls their brazen offers to help the distraught families of the dead boys the police work that led to their apprehension and finally the trial itself What emerges from this extraordinary case is the inability of society to anticipate such events and to take adequate steps once disaster has struck

The Theory and Practice of Hell Eugen Kogon,2006-09-19 By the spring of 1945 the Second World War was drawing to a close in Europe Allied troops were sweeping through Nazi Germany and discovering the atrocities of SS concentration camps The first to be reached intact was Buchenwald in central Germany American soldiers struggled to make sense of the shocking scenes they witnessed inside They asked a small group of former inmates to draft a report on the camp It was led by Eugen Kogon a German political prisoner who had been an inmate since 1939 The Theory and Practice of Hell is his classic account of life inside Unlike many other books by survivors who published immediately after the war The Theory and Practice of Hell is more than a personal account It is a horrific examination of life and death inside a Nazi concentration camp a brutal world of a state within state and a society without law But Kogon maintains a dispassionate and critical perspective He tries to understand how the camp works to uncover its structure and social organization He knew that the book would shock some readers and provide others with gruesome fascination But he firmly believed that he had to show the camp in honest unflinching detail The result is a unique historical document a complete picture of the society morality and politics that fueled the systematic torture of six million human beings For many years The Theory and Practice of Hell remained the seminal work on the concentration camps particularly in Germany Reissued with an introduction by Nikolaus Waschmann a leading Holocaust scholar and author of Hitler s Prisons this important work now demands to be re read

Nazis on the Run Gerald Steinacher,2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports and the role played by the Red Cross the Vatican and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals providing them not only with secret escape routes but hiding places for their loot Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals including Adolf Eichmann showing how they mingled and blended with thousands of technically stateless or displaced persons all flooding across the Alps to Italy and from there to destinations abroad The story of their escape shows clearly just how difficult the apprehending of war criminals can be As Steinacher shows all the major countries in the post war world had mixed motives for their actions ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East West confrontation after 1947 which led to many former Nazis being recruited as agents turned in the Cold War

The Boy Dan Porat,2010-10-26 A cobblestone road A sunny day A soldier A gun A child arms high in the air A moment captured on film But what is the history behind arguably the most recognizable photograph of the Holocaust In The Boy A Holocaust Story the historian Dan Porat unpacks this split second that was immortalized on film and unravels the stories of the individuals both Jews and Nazis associated with it The Boy presents the stories of three Nazi criminals ranging in status from SS sergeant to low ranking SS officer to SS general It is also the story of two Jewish victims a teenage girl and a young boy who encounter these Nazis in Warsaw in the spring of 1943 The book is remarkable in its scope picking up the lives of these participants in the years preceding World War I and following them to their deaths One of the Nazis managed to stay at large for twenty two years One of the survivors lived long enough to lose a son in the Yom Kippur War Nearly sixty photographs dispersed throughout help narrate these five lives And in keeping with the emotional immediacy of those photographs Porat has deliberately used a narrative style that drawing upon extensive research experience and oral interviews places the reader in the middle of unfolding events

*Into the Tunnel* Götz Aly, 2008-01-08 A generous feat of biographical sleuthing by an acclaimed historian rescues one child victim of the Holocaust from oblivion When the German Remembrance Foundation established a prize to commemorate the million Jewish children murdered during the Holocaust it was deliberately named after a victim about whom nothing was known except her age and the date of her deportation Marion Samuel an eleven year old girl killed in Auschwitz in 1943 Sixty years after her death when Götz Aly received the award he was moved to find out whatever he could about Marion's short life and restore this child to history In what is as much a detective story as a historical reconstruction Aly praised for his formidable research skills Christopher Browning traces the Samuel family's agonizing decline from shop owners to forced laborers to deportees Against all odds Aly manages to recover expropriation records family photographs and even a trace of Marion's voice in the premonition she confided to a school friend People disappear she said into the tunnel A gripping account of a family caught in the tightening grip of persecution *Into the Tunnel* is a powerful reminder that the millions of Nazi victims were also each one an individual life

*The Diary of Dawid Sierakowiak* Dawid Sierakowiak, 1998 Presents diary entries that document the author's experiences during the Nazi persecution of Jews in Poland

*Treblinka* Jean-François Steiner, 1968-05

*The Body is the Hero* Ronald J. Glasser, 1976

**My War Criminal** Jessica Stern, 2020-01-28 An investigation into the nature of violence terror and trauma through conversations with a notorious war criminal by Jessica Stern one of the world's foremost experts on terrorism Between October 2014 and November 2016 global terrorism expert Jessica Stern held a series of conversations in a prison cell in The Hague with Radovan Karadzic a Bosnian Serb former politician who had been indicted for genocide and other war crimes during the Bosnian War and who became an inspiration for white nationalists Though Stern was used to interviewing terrorists in the field in an effort to understand their hidden motives the conversations she had with Karadzic would profoundly alter her understanding of the mechanics of fear the motivations of violence and the psychology of those who perpetrate mass atrocities at a state level and who like the terrorists she had previously studied target noncombatants in violation of ethical norms and international law How do leaders persuade ordinary people to kill their neighbors What is the ecosystem that creates and nurtures genocidal leaders Could anything about their personal histories personalities or exposure to historical trauma shed light on the formation of a war criminal's identity in opposition to a targeted Other In *My War Criminal* Jessica Stern brings to bear her incisive analysis and her own deeply considered reactions to her interactions with Karadzic a brilliant and often shockingly charming psychiatrist and poet who spent twelve years in hiding disguising himself as an energy healer while also offering a deeply insightful and sometimes chilling account of the complex and even seductive powers of a magnetic leader and what can happen when you spend many many hours with that person

**The Mind of the Holocaust Perpetrator in Fiction and Nonfiction** Erin McGlothlin, 2021-05-04 Examines textual representations of the consciousness of men responsible for committing Holocaust crimes The Mind of the Holocaust Perpetrator in Fiction and Nonfiction examines texts that portray the inner experience of Holocaust perpetrators and thus transform them from archetypes of evil into complex psychological and moral subjects Employing relevant methodological tools of narrative theory Erin McGlothlin analyzes these unsettling depictions which manifest a certain tension regarding the ethics of representation and identification Such works she asserts endeavor to make transparent the mindset of their violent subjects yet at the same time they also invariably contrive to obfuscate in part its disquieting character The Mind of the Holocaust Perpetrator in Fiction and Nonfiction contains two parts The first focuses on portraits of real life perpetrators in nonfictional interviews and analyses from the 1960s and 1970s These works provide a nuanced perspective on the mentality of the people who implemented the Holocaust via the interventional role of the interviewer or interpreter in the perpetrators performances of self disclosure In part two McGlothlin investigates more recent fictional texts that imagine the perspective of their invented perpetrator narrators Such works draw readers directly into the perpetrator s experience and at the same time impede their access to the perpetrator s consciousness by retarding their affective connection Demonstrating that recent fiction featuring perpetrators as narrators employs strategies derived from earlier nonfictional portrayals McGlothlin establishes not only a historical connection between these two groups of texts whereby nonfictional engagement with real life perpetrators gradually gives way to fictional exploration but also a structural and aesthetic one The book bespeaks new modes of engagement with ethically fraught questions raised by our increasing willingness to consider the events of the Holocaust from the perspective of the perpetrator Students scholars and readers of Holocaust studies and literary criticism will appreciate this closer look at a historically taboo topic

*Building the Wall* Robert Schenkkan, 2017-09-29 On January 20 2017 Donald J Trump was sworn in as the 45th president of the United States Over the next sixteen months events would unravel that test every American s strength of character executive actions an immigration round up of unprecedented scale and a declaration of martial law Rick finds himself caught up as the frontman of the new administration s edicts and loses his humanity In a play that recalls George Orwell s Nineteen Eighty Four and the Nazi regime BUILDING THE WALL is a terrifying and gripping exploration of what happens if we let fear win

**The Polish Underground and the Jews, 1939-1945** Joshua D. Zimmerman, 2015-06-05 Zimmerman examines the attitude and behavior of the Polish Underground towards the Jews during the Holocaust
