This book is part of the Cisco Networking Academy Series from Cisco Press. The products in this series support and complement the Cisco Networking Academy online curriculum. CCSP Official (ISC)2 Practice Tests Ben Malisow, 2018-01-22. NOTE: The exam this book covered, ISC 2 Certified Cloud Security Professional, was updated by ISC 2 in 2019. For practice for the current exam, please look for the latest edition of these practice tests: ISC 2 CCSP Certified Cloud Security Professional Official Practice Tests 2nd Edition 9781119603498. With over 1,000 practice questions, this book gives you the opportunity to test your level of understanding and gauge your readiness for the Certified Cloud Security Professional CCSP exam long before the big day. These questions cover 100% of the CCSP exam domains and include answers with full explanations to help you understand the reasoning and approach for each. Logical organization by domain allows you to practice only the areas you need to bring you up to par without wasting precious time on topics you've already mastered. As the only official practice test product for the CCSP exam endorsed by ISC 2, this essential resource is your best bet for gaining a thorough understanding of the topic. It also illustrates the relative importance of each domain, helping you plan your remaining study time so you can go into the exam fully confident in your knowledge. When you're ready, two practice exams allow you to simulate the exam day experience and apply your own test-taking strategies with domains given in proportion to the real thing. The online learning environment and practice exams are the perfect way to prepare and make your progress easy to track.
