Psychology And The Human Dilemma Rollo May, Here Rollo May discusses our loss of our personal identity in the contemporary world the sources of our anxiety the scope of psychotherapy and the ultimate paradox of freedom and responsibility Whether reflecting on war psychology or the ideas of existentialist thinkers such as Sartre and Kierkegaard Dr May everywhere enlarges our outlook on how people can develop creatively within the human predicament **The Discovery of Being** Rollo May, 2015-05-04 Clear accurate and interesting There is no better short introduction to the existential approach to psychology Dallas Morning News The brilliant psychologist Rollo May was a major force in existential psychology Here he brings together the ideas of Kierkegaard Nietzsche and other great thinkers to offer insights into its ideas and techniques He pays particular attention to the causes of loneliness and isolation and to our search to find new and firm moorings in order to move toward a future where responsibility creativity and love can play a role Freedom and Destiny Rollo May, 1999-01-17 The popular psychoanalyst examines the continuing tension in our lives between the possibilities that freedom offers and the various limitations imposed upon us by our particular fate or destiny May is an existential analyst who deservedly enjoys a reputation among both general and critical readers as an accessible and insightful social and psychological theorist Freedom s characteristics fruits and problems destiny s reality death and therapy s place in the confrontation between freedom and destiny are examined Poets social critics artists and other thinkers are invoked appropriately to support May s theory of freedom and destiny s interdependence Library Journal Especially instructive even stunning is Dr May s willingness to respect mystery There is too at work throughout the book a disciplined yet relaxed clinical mind inclined to celebrate what Flannery O Connor called mystery and manners and to do so in a tactful meditative manner Robert Coles America Power and Innocence Rollo May, 1998 Stressing the positive creative aspects of power and innocence Rollo May offers a way of thinking about the problems of contemporary society He discusses five levels of power s potential in each individual what each is how it works and more **The Cry for Myth** Rollo May, 1991-05-01 Here are case studies in which myths have helped Dr May s patients make sense out of an often senseless world It happens almost daily in a therapist s office A patient recalling a person an event an emotion quite unexpectedly supplies a link from a life in the present to one of the durable myths of our culture In this moment the myth becomes a mirror revealing to the patient the source of disturbance and pain in a pattern of behavior that often stretches a year or longer The healing process begins The myth eternity breaking into time in Rollo Mays s words becomes the focal point of recovery Through tracing myths whether from classical Greece and Dante s Middle Ages European legend Faust and the prototype of Sleeping Beauty or contemporary American life Jay Gatsby and relating them to the dreams and associations he encounters in his own practice Dr May provides meaning and structure for all who seek direction in a morally confusing world In this perhaps the

finest achievement of a great therapist Rollo May writes with the grace wit and style for which he recently received the Gold Medal of the American Psychological Society Psyche and Soul in America Robert H. Abzug,2021 Rollo May 1909 1994 internationally known psychologist and philosopher came from modest roots in the small town Protestant Midwest intending to do religious work but eventually became a psychotherapist and author During the 1950s and 1960s his books combined existentialism and other philosophical approaches psychoanalysis and a spiritual philosophy to interpret the damage bureaucratic and technocratic aspects of modernity and their inability of individuals to understand their authentic selves Psyche and Soul in America deals not only with May s public contributions but also to his turbulent inner life as revealed in unprecedentedly intimate sources in order to demonstrate the relationship between the personal and public in a figure who wrote about intimacy its loss and ways to regain an authentic sense of self and others The Courage to Create Rollo May,1994-03-17 Extraordinary wise and hopeful nearly poetic meditations Boston Globe What if imagination and art are not as many of us might think the frosting on life but the fountainhead of human experience What if our logic and science derive from art forms rather than the other way around In this trenchant volume Rollo May helps all of us find those creative impulses that once liberated offer new possibilities for achievement A renowned therapist and inspiring guide Dr May draws on his experience to show how we can break out of old patterns in our lives His insightful book offers us a way through our fears into a fully realized self Man's Search for Himself Rollo May,2009-01-27 Analyzes life as we are living it and the analysis is truthful and profound New York Times Loneliness boredom emptiness These are the complaints that Rollo May encountered over and over from his patients In response he probes the hidden layers of personality to reveal the core of man s integration a basic and inborn sense of value Man s Search for Himself is an illuminating view of our predicament in an age of overwhelming anxieties and gives guidance on how to choose judge and act during such times *My Quest for Beauty* Rollo May,1985 Includes fourteen line drawings one black and white photo and sixteen unpagged full color paintings by the author *Love & Will* Rollo May,2011-03-07 An extraordinary book on sex and civilization An important contribution to contemporary morality Newsweek The heart of man s dilemma according to Rollo May is the failure to understand the real meaning of love and will their source and interrelation Bringing fresh insight to these concepts May shows how we can attain a deeper consciousness Existence - a New Dimension in Psychiatry and Psychology Rollo May, Henri Frédéric Ellenberger, Ernest Angel,1958 **Paulus: Reminiscences of a Friendship** Rollo May,1973 **Existential Psychology** ,1969 *Love and Will* Rollo May,1969 Includes sections on Freud Puritanism and Eros *Anger, Madness, and the Daimonic* Stephen A.
