

# WELCOME SPEECH FOR CHIEF GUEST BY PRINCIPAL AT THE ANNUAL SPORTS DAY

Good afternoon everyone,

On the behalf of St. JKL Academy, I extend a very warm welcome to all of you present here on the 14<sup>th</sup> annual sports meet of our school. Sports are an integral as well as necessary part of our lives. Sports, whether team based or individual are a great activity for children that provide us a variety of benefits other than physical fitness. Participation in sports can help build self-esteem, confidence and can motivate children to excel academically and can help build their social skills. It can even teach children the ways and benefits of goal setting & practice.

So, with this purpose, we organise a sports meet every year in an order where 100% participation is encouraged and each participant is rewarded and it is the participation of children that is most important for us and gives us immense joy. This year our school has been declared as one of the best institutions of the city which has included and is following extra-curricular activities in the daily time-table. I wish to thank and congratulate each one of you dear parents for, without your support, it would not have been possible for us. Dear parents, what you see today, is the culmination of massive, continuous efforts put in by the students and teachers. So, sit tight and cheer our students with your generous applause.

I am pleased to share that the distinguished guest to honour us with her presence today as the Chief Guest of our Sports day is none other than Ms Babita Kumari Phogat, the legendary Indian wrestler & Olympian. After a biopic ("Dangal") has been made over their inspiring life stories. I believe almost all of you must be aware of Phogat sisters who epitomise unflinching spirit to succeed despite all odds. Miss Phogat is one of the Indian women wrestlers who have made their nation proud many a times by their outstanding performance in the area mostly dominated by men.

Her valiant struggle backed by her strong determination brought her all the way where she is now. She has won 3 Gold medals and 1 Silver medal for India in Commonwealth Wrestling Championship along with 2 Bronze medals in World Wrestling Championship & Asian Wrestling Championship. It is a privilege for all of us gathered here to have such a celebrity between us as our esteemed guest of honour.

So, with a huge round of applause, let us please call upon Miss Babita Phogat to grace the dais and share her inspiring life story with all of us here.

Hope you all have a great time.

Thank You!

**Democratic**

**Sports** Brad Austin, 2015-07-15 American public universities suffered tremendous funding cuts during the 1930s yet they were also responsible for educating increasing numbers of students The mounting financial troubles coupled with a perceived increase in the number of radical student activists contributed to a general sense of crisis on American college campuses University leaders used their athletic programs to combat this crisis and to preserve traditional American values and institutions prescribing different models for men and women Educators emphasized the competitive nature of men's athletics seeking to inculcate male college athletes and their audiences with individualistic masculine values in order to reinforce the existing American political and economic systems In stark contrast the prevailing model of women's college athletics taught a communal form of democracy Strongly supported by almost all female athletic leaders this a girl for every game and a game for every girl model had replaced the more competitive model that had been popular until the 1920s The new programs denied women individual attention and high level competition and they promoted the development of what was considered proper femininity Whatever larger purposes these programs were intended to serve they could not have survived without vocal supporters Democratic Sports tells the important story of how men's and women's college athletic programs survived and even thrived during the most challenging decade of the twentieth century **Speech Index:**
