In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind—not with a message of hate and revenge, but with one of brotherhood and atonement." —From the citation for the 1986 Nobel Peace Prize Presents a true account of the author's experiences as a Jewish boy in a Nazi concentration camp. "As this concluding volume of his memoirs begins, Elie Wiesel is forty years old, a writer of international repute." "We see him meet with world leaders and travel to regions ruled by war, dictatorship, racism, and exclusion in order to engage the most pressing issues of the day. We see him in the Soviet Union defending persecuted Jews and dissidents in South Africa battling apartheid and supporting Mandela's ascension; in Cambodia and in Bosnia, calling on the world to face the atrocities, in refugee camps in Albania and Macedonia as an emissary for President Clinton." "He chastises Ronald Reagan for his visit to the German military cemetery at Bitburg. He supports Lech Walesa but challenges some of his views. He confronts Francois Mitterrand over the misrepresentation of his activities in Vichy France. He does battle with Holocaust deniers. He joins tens of thousands of young Austrians demonstrating against renascent fascism in their country. He receives the Nobel Peace Prize." "Through it all, Wiesel remains deeply involved with his beloved Israel, its leaders and its people, and laments its internal conflicts."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved Twenty years after he and his family were deported from Sighet to Auschwitz, Elie Wiesel returned to his town in search of the watch—a bar mitzvah gift—he had buried in his backyard before they left. Wiesel's account of his time in concentration camps during the Holocaust with updated front and back matter to include speeches and essays commemorating his recent death Elie Wiesel is a consummate storyteller, commentator on classic Jewish texts, human rights activist, university professor, and winner of the Nobel Peace Prize. Celebrating Elie Wiesel presents stories, essays, and reflections that celebrate his extraordinary literary, moral, religious, and human rights contributions. Twenty years after he and his family were deported from Sighet to Auschwitz, Elie Wiesel returned to his town in search of the watch—a bar mitzvah gift—he had buried in his backyard before they left. Elie Wiesel has given hundreds of interviews. Yet his fame as a human rights advocate often directs such conversations toward non-literary issues. Indeed, many of Wiesel's questioners barely address the writer's role that has defined him since the 1950s. Unlike previous volumes in which he speaks with interviewers, Elie Wiesel: Conversations collects interviews which set in relief the writer at work. This book focuses on Wiesel the literary artist instead of Wiesel the Holocaust survivor or the 1986 Nobel Peace Prize laureate. Beyond highlighting Wiesel's literary significance, these interviews also correct many faulty assumptions about his achievement. Few American readers know that he writes in French, that he has been favorably compared to Andr Malraux and Albert Camus. Not many realize that the Holocaust has been the subject of only a few of his forty books. Particularly in his nonfiction, Wiesel's scope is wide, addressing Jewish life in all its religious and historical complexity. Though most of Wiesel's books do not focus on the Holocaust, they are written against the backdrop of what he has come to term "The Event." Always, the presence of Auschwitz can be felt, always the author "lives in the shadows of the flames that once illuminated and blinded him." These interviews are reminders that the writing life is both solitary and public, interior and social. The writer must venture beyond his study and speak out against the world's traumas and outrages. Robert Franciosi is an associate professor of English at Grand Valley State University in Allendale, Mich. He is the editor of Good Morning: A Holocaust Memoir. His work has appeared in American Poetry, Contemporary Literature, Modern Jewish Studies, and the William Carlos Williams Review. An intimate look at Elie Wiesel, author of the seminal Holocaust memoir Night and recipient of the Nobel Peace Prize As an orphaned survivor and witness to the horrors of Auschwitz, Elie Wiesel (1928–2016) compelled the world to confront the Holocaust with his searing memoir Night. How did this soft-spoken man from a small Carpathian town become such an influential figure on the world stage? Drawing on Wiesel's prodigious literary output and interviews with his family, friends, scholars, and critics, Joseph Berger seeks to answer this question. Berger explores Wiesel's Hasidic childhood in Sighet, his postwar years spent rebuilding his life from the ashes in France, his transformation into a Parisian intellectual, his failed attempts at romance, his years scraping together a living in America as a journalist, his decision to marry and have a child, his emergence as a spokesperson for Holocaust survivors and persecuted peoples throughout the world, his lifelong devotion to the state of Israel, and his difficult final years. Through this penetrating portrait we come to know intimately the man the Norwegian Nobel Committee called "a messenger to mankind." Celebration of the life, work and legacies of Nobel Prize winner Elie Wiesel through interviews, photographs, speeches, and his fiction. As this concluding volume of his moving and revealing memoirs begins, Elie Wiesel is forty years old, a writer of international repute. Determined to speak out more actively for both Holocaust survivors and the disenfranchised everywhere, he sets himself a challenge: "I will become militant. I will teach, share, bear witness. I will reveal and try to mitigate the victims' solitude." He makes words his weapon, and in these pages we relive with him his unstinting battles. We see him meet with world leaders and travel to regions ruled by war, dictatorship, racism, and exclusion in order to engage the most pressing issues of the day. We see him in the Soviet Union defending persecuted Jews and dissidents; in South Africa battling apartheid and supporting Mandela's ascension; in Cambodia and in Bosnia, calling on the world to face the atrocities; in refugee camps in Albania and Macedonia as an emissary for President Clinton. He chastises Ronald Reagan for his visit to the German military cemetery at Bitburg. He supports Lech Walesa but challenges some of his views. He confronts Francois Mitterrand over the misrepresentation of his activities in Vichy France. He does battle with Holocaust deniers. He joins tens of thousands of young Austrians demonstrating against renascent fascism in their country. He receives the Nobel Peace Prize. Through it all, Wiesel remains deeply involved with his beloved Israel, its leaders and its people, and laments its internal conflicts. He recounts the behind-the-scenes events that led to the establishment of the Holocaust Museum in Washington, D.C. He shares the feelings evoked by his return to Auschwitz, by his recollections of Yitzhak Rabin, and by his memories of his own vanished family. This is the magnificent finale of a historic memoir. A memorial edition of Elie Wiesel's seminal memoir of surviving the Nazi death camps, with tributes by President Obama and Samantha Power When Elie Wiesel died in July 2016, the White House issued a memorial statement in which President Barack Obama called him "the conscience of the world." The whole of the president's eloquent tribute will appear as a foreword to this memorial edition of Night. "Like millions of admirers, I first came to know Elie through his account of the horror he endured during the Holocaust simply because he was Jewish," wrote the president. In 1986, when Wiesel received the Nobel Peace Prize, the Norwegian Nobel Committee wrote, "Elie Wiesel was rescued from the ashes of Auschwitz after storm and fire had ravaged his life. In time he realized that his life could have purpose: that he was to be a witness, the one who would pass on the account of what had happened so that the dead would not have died in vain and so the living could learn." Night, which has sold millions of copies around the world, is the very embodiment of that conviction. It is written in simple, understated language, yet it is emotionally devastating, never to be forgotten. Born

in the town of Sighet, Transylvania, Wiesel was a teenager when he and his family were deported to Auschwitz and then Buchenwald. *Night* is the shattering record of his memories of the death of his mother, father, and little sister, Tsipora; the death of his own innocence; and his despair as a deeply observant Jew confronting the absolute evil of man. "Never shall I forget that night, the first night in camp, that turned my life into one long night," writes Wiesel. "Never shall I forget . . . even were I condemned to live as long as God Himself." These words are etched into the wall of the Holocaust Memorial Museum in Washington. Far more than a chronicle of the sadistic realm of the camps, *Night* also addresses many of the philosophical and personal questions implicit in any serious consideration of the Holocaust. The memorial edition of *Night* includes the unpublished text of a speech that Wiesel delivered before the United Nations General Assembly on the sixtieth anniversary of the liberation of Auschwitz entitled "Will the World Ever Know." These remarks powerfully resonate with *Night* and with subsequent acts of genocide. Describes the life of Elie Wiesel, Holocaust survivor, humanitarian, and recipient of the Nobel Prize. Presents the life of author, speaker, and Nobel Peace Prize winner Elie Wiesel. When a Christian boy disappears in a fictional Eastern European town in the 1920s, the local Jews are quickly accused of ritual murder. There is tension in the air and a pogrom threatens to erupt. Suddenly, an extraordinary man—Moshe the dreamer, a madman and mystic—steps forward and confesses to a crime he did not commit, in a vain attempt to save his people from certain death. The community gathers to hear his last words—a plea for silence—and everyone present takes an oath: whoever survives the impending tragedy must never speak of the town's last days and nights of terror. For fifty years the sole survivor keeps his oath—until he meets a man whose life depends on hearing the story, and one man's loyalty to the dead confronts head-on another's reason to go on living. One of Wiesel's strongest early novels, this timeless parable about the Jews and their enemies, about hate, family, friendship, and silence, is as powerful, haunting, and significant as it was when first published in 1973. Raphael Lipkin, a professor at New York's Mountain Clinic psychiatric hospital, struggles to hide his own mental delusions and demons from his fellow staff. *Conversations with Elie Wiesel* is a far-ranging dialogue with the Nobel Peace Prize-winner on the major issues of our time and on life's timeless questions. In open and lively responses to the probing questions and provocative comments of Richard D. Heffner—American historian, noted public television moderator/producer, and Rutgers University professor—Elie Wiesel covers fascinating and often perilous political and spiritual ground, expounding on issues global and local, individual and universal, often drawing anecdotally on his own life experience. We hear from Wiesel on subjects that include the moral responsibility of both individuals and governments; the role of the state in our lives; the anatomy of hate; the threat of technology; religion, politics, and tolerance; nationalism; capital punishment, compassion, and mercy; and the essential role of historical memory. These conversations present a valuable and thought-provoking distillation of the thinking of one of the world's most important and respected figures—a man who has become a moral beacon for our time. *The Art of Inventing Hope* offers an unprecedented, in-depth conversation between the world's most revered Holocaust survivor, Elie Wiesel, and a son of survivors, Howard Reich. During the last four years of Wiesel's life, he met frequently with Reich in New York, Chicago and Florida—and spoke often on the phone—to discuss the subject that linked them: both Wiesel and Reich's father, Robert Reich, were liberated from Buchenwald death camp on April 11, 1945. What had started as an interview assignment from the Chicago Tribune quickly evolved into a friendship and a partnership. Reich and Wiesel believed their colloquy represented a unique exchange between two generations deeply affected by a cataclysmic event. Wiesel said to Reich, "I've never done anything like this before." Here Wiesel—at the end of his life—looks back on his ideas and writings on the Holocaust, synthesizing them in his conversations with Reich. The insights that Wiesel offered and Reich illuminates can help the children and grandchildren of Holocaust survivors understand their painful inheritance, while inviting everyone else to partake of Wiesel's wisdom on life, ethics and morality. "In the vein of Tuesdays with Morrie, a devoted proteaegae and friend of one of the world's great thinkers takes us into the sacred space of the classroom, showing Holocaust survivor and Nobel Peace Prize recipient Elie Wiesel not only as an extraordinary human being, but as a master teacher"— In this unforgettable book, the award-winning writer, during his recovery after a life-threatening heart surgery, reflects on his many losses and accomplishments, and on all that remained to be done, sharing his aspirations for his writings and his hope that he made the world a better place. From Elie Wiesel, a recipient of the Nobel Peace Prize and one of our fiercest moral voices, a provocative and deeply thoughtful new novel about a life shaped by the worst horrors of the twentieth century and one man's attempt to reclaim happiness. *Doriel*, a European expatriate living in New York, suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die in an accident, together with his father, soon after. *Doriel* was a child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books—but it is enough. *Doriel's* parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by ghosts, spurred on by demons, *Doriel* finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. Despite *Doriel's* initial resistance, Dr. Goldschmidt helps to bring him to a crossroads—and to a shocking denouement. In *Doriel's* journey into the darkest regions of the soul, Elie Wiesel has written one of his most profoundly moving works of fiction, grounded always by his unparalleled moral compass. From Elie Wiesel, a gripping novel of guilt, innocence, and the perilousness of judging both. A plane en route from New York to Tel Aviv is forced down by bad weather. A nearby house provides refuge for five of its passengers: Claudia, who has left her husband and found new love; Razziel, a religious teacher who was once a political prisoner; Yoav, a terminally ill Israeli commando; George, an archivist who is hiding a Holocaust secret that could bring down a certain politician; and Bruce, a would-be priest turned philanderer. Their host—an enigmatic and disquieting man who calls himself simply the Judge—begins to interrogate them, forcing them to face the truth and meaning of their lives. Soon he announces that one of them—the least worthy—will die. *The Judges* is a powerful novel that reflects the philosophical, religious, and moral questions that are at the heart of Elie Wiesel's work. Part of the Jewish Encounter series From Elie Wiesel, winner of the Nobel Peace Prize, comes a magical book that introduces us to the towering figure of Rashi—Rabbi Shlomo Yitzchaki—the great biblical and Talmudic commentator of the Middle Ages. Wiesel brilliantly evokes the world of medieval European Jewry, a world of profound scholars and closed communities ravaged by outbursts of anti-Semitism and decimated by the Crusades. The incomparable scholar Rashi, whose phrase-by-phrase explication of the oral law has been included in every printing of the Talmud since the fifteenth century, was also a spiritual and religious leader: His perspective, encompassing both the mundane and the profound, is timeless. Wiesel's Rashi is a heartbroken witness to the suffering of his people, and through his responses to major religious questions of the day we see still another side of this greatest of all interpreters of the sacred writings. Both beginners and advanced students of the Bible rely on Rashi's groundbreaking commentary for simple text explanations and Midrashic interpretations. Wiesel, a descendant of Rashi, proves an incomparable guide who enables us to appreciate both the lucidity of Rashi's writings and the milieu in which they were formed. Here are magnificent insights into the lives of biblical prophets and kings, talmudic sages, and Hasidic rabbis from the internationally acclaimed writer, Nobel laureate, and one of the world's most honored and beloved teachers. "This posthumous collection encourages a path toward purpose and transcendence." —The New York Times Book Review From a multitude of sources, Elie Wiesel culls facts, legends, and anecdotes to give us fascinating portraits of notable figures throughout Jewish history. Here is the prophet Elisha, wonder-worker and adviser to kings, whose compassion for those in need is matched only by his fiery temper. Here is the renowned scholar Rabbi Yohanan ben Zakkai, whose ingenuity in escaping from a besieged Jerusalem on the eve of its destruction by Roman legions in 70 CE laid the foundation for the rabbinic teachings and commentaries that revolutionized the practice and study of Judaism and have sustained the Jewish people for two thousand years of ongoing exile. And here is Rabbi Shneur Zalman of Liadi, founder of Chabad Hasidism, languishing in a Czarist prison in 1798, the victim of a false accusation, engaging in theological discussions with his jailers that would form the basis for Chabad's legendary method of engagement with the world at large. In recounting the life stories of these and other spiritual seekers, in delving into the struggles of human beings trying to create meaningful lives touched with sparks of the divine, Wiesel challenges and inspires us all to fill our own lives with commitment and sanctity. Bears witness to the events and horrors of the Holocaust. *Elie Wiesel's Dawn* is an eloquent meditation on the compromises, justifications, and sacrifices that human beings make when they murder other human beings. "The author . . . has built knowledge into artistic fiction." —The New York Times Book Review *Elisha* is a young Jewish man, a Holocaust survivor, and an Israeli freedom fighter in British-controlled Palestine; John Dawson is the

captured English officer he will murder at dawn in retribution for the British execution of a fellow freedom fighter. The night-long wait for morning and death provides Dawn, Elie Wiesel's ever more timely novel, with its harrowingly taut, hour-by-hour narrative. Caught between the manifold horrors of the past and the troubling dilemmas of the present, Elisha wrestles with guilt, ghosts, and ultimately God as he waits for the appointed hour and his act of assassination. The basis for the 2014 film of the same name, now available on streaming and home video. Elie Wiesel: Humanist Messenger for Peace is part biography and part moral history of the intellectual and spiritual journey of Elie Wiesel, a Holocaust survivor, human rights activist, author, university professor, and Nobel Peace Prize winner. In this concise text, Alan L. Berger portrays Wiesel's transformation from a pre-Holocaust, deeply God-fearing youth to a survivor of the Shoah who was left with questions for both God and man. An advisor to American presidents of both political parties, his nearly 60 books voiced an activism on behalf of oppressed people everywhere. The book illuminates Wiesel's contributions in the areas of religion, human rights, literature, and Jewish thought to show the impact that he has had on American life. Supported by primary documents about and from Wiesel, the volume gives students a gateway to explore Wiesel's incredible life. This book will make a great addition to courses on American religious or intellectual thought. A deeply reflective work, written by a number of eminent scholars both Jewish and Christian who represent a variety of disciplines and perspectives, this book explores basic issues in Wiesel's work -the nature of God, madness, silence, horror, and hope. With essays by such authorities among others, as Robert McAfee Brown, Eugene J. Fisher, Hary James Cargas, Eva Fleuschner, and Irving Abrahamson, the book reflects the inspiration of Wiesel's reconstructed belief in God, humanity, and the future. These eminent theologians, literary scholars, and philosophers show how Wiesel's thinking has changed over the past thirty years, and how it has remained the same. Discusses the characters, plot and writing of Night by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author. Now in paperback, Wiesel's newest novel "reminds us, with force, that his writing is alive and strong. The master has once again found a startling freshness."—Le Monde des Livres A European expatriate living in New York, Doriel suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die soon after in France in an accident, together with his father. Doriel was a hidden child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books. Doriel's parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by ghosts, spurred on by demons, Doriel finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. And despite Doriel's initial resistance, Dr. Goldschmidt helps bring him to a crossroads—and to a shocking denouement. "In its own high-stepping yet paradoxically heart-wracking way, [Wiesel's novel] can most assuredly be considered beautiful (almost beyond belief)."—The Philadelphia Inquirer So much to read, so little time? This brief overview of Night tells you what you need to know—before or after you read Elie Wiesel's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Night includes: Historical context Chapter-by-chapter overviews Analysis of the main characters Themes and symbols Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Night by Elie Wiesel: The gripping memoir by Nobel Laureate Elie Wiesel is one of the fundamental texts of Holocaust reportage and a poetic examination of a young man's loss of faith amid unspeakable acts of inhumanity. Wiesel was 15 years old when he was sent to Auschwitz with his mother, father, and three sisters. Wiesel recalls his horrifying ordeal, including the sadistic Nazi overseers, the death of his mother and younger sister, watching fellow prisoners disappear into the crematorium, the bloody death march to Gleiwitz, and the heartbreaking fatal beating of his father only months before the camp's liberation. Night is a poignant representation of one young Jewish man's pain amidst the violent details of the worst genocide in world history. It is an invaluable record of the past as well as an ever-relevant warning about the consequences of fascism and bigotry. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction. A survivor of one of modern history's most horrific events, Elie Wiesel has spent his life ensuring that the world never forgets the Holocaust. Sent to Auschwitz during World War II, young Elie was forced to live in profoundly inhumane conditions ruled by terrifying guards. Eventually liberated, Wiesel never shook the injustice of what happened to his family and 6 million other Jews. His training as a journalist enabled him to write the seminal book Night, a memoir of his experience at Auschwitz and Buchenwald concentration camps. Elie Wiesel traces the remarkable life of a tireless advocate for human rights. Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism. From his landmark memoir Night to his novels and numerous retellings of Hasidic legends, Wiesel's literature emphasizes storytelling, and he frequently refers to himself as a storyteller rather than an author or historian. In this work, essays examine Wiesel's roots in Jewish storytelling traditions; influences from religious, folk, and secular sources; education; Yiddish background; Holocaust experience; and writing style. Emphasized throughout is Wiesel's use of multiple sources in an effort to reach diverse audiences. Elie Wiesel: A Religious Biography argues that Wiesel's religious faith is the driving force behind Wiesel's status as a moral authority that he is essentially a generative religious personality, a poet-prophet who deepened his own particular Jewish vision to eventually become a "link" with humanity. As a religious genius and spiritual innovator of the post-modern era, Wiesel is a conflicted individual who joins his own personal and existential struggle for meaning and identity with the quest of the oppressed after the Holocaust. The compassion of Reb Moshe-Leib, the vision of the Seer of Lublin, the wisdom of Reb Pinhas, the warmth of the Ba'al Shem Tov, the humor of Reb Naphtali—to their followers these sages appeared as kings, judges, and prophets. They communicated joy and wonder and fervor to the men and women who came to them in the depths of despair. They brought love and compassion to the persecuted Jews of Russia, Ukraine, Poland, and Lithuania. For Jews who felt abandoned and forsaken by God, these Hasidic masters incarnated an irresistible call to help and salvation. The Rebbe combats sorrow with exuberance. He defeats resignation by exalting belief. He creates happiness so as not to yield to the sadness around him. He tells stories to escape the temptations of irreducible silence. It is Elie Wiesel's unique gift to make the lives and tales of these great teachers as compelling now as they were in a different time and place. In the tradition of Hasidism itself, he leaves others to struggle with questions of justice, mercy, and vengeance, providing us instead with eternal truths and unshakable faith. Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim. "Wiesel's account of his time in concentration camps during the Holocaust with updated front and back matter to include speeches and essays commemorating his recent death"— A new translation from the French by Marion Wiesel. Night is Elie Wiesel's masterpiece, a candid, horrific, and deeply poignant autobiographical account of his survival as a teenager in the Nazi death camps. This new translation by Marion Wiesel, Elie's wife and frequent translator, presents this seminal memoir in the language and spirit truest to the author's original intent. And in a substantive new preface, Elie reflects on the enduring importance of Night and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man. Night offers much more than a litany of the daily terrors, everyday perversions, and rampant sadism at Auschwitz and Buchenwald; it also eloquently addresses many of the philosophical as well as personal questions implicit in any serious consideration of what the Holocaust was, what it meant, and what its legacy is and will be. Distinguished psychotherapist and survivor Elhanan Rosenbaum is losing his memory to an incurable disease. Never having spoken of the war years before, he resolves to tell his son about his past—the heroic parts as well as the parts that fill him with shame—before it is too late. Elhanan's story compels his son to go to the Romanian village where the crime that continues to haunt his father was committed. There he encounters the improbable wisdom of a gravedigger who leads him to the grave of his grandfather and to the truths that bind one generation to another.
